

MERCER QUARTERLY COURT

HUNTER COLEMAN & W.B. GODDARD

PLAINTIFFS

VS.

TILDEN CLARK

DEFENDANT

PLaintiffs, Coleman and Goddard state that they are regular practicing physicians and as such are practicing their professions in the city of Harrodsburg, county of Mercer, state of Kentucky.

They state that at the instance and request of the Defendant they rendered medical services to him and his family and that said Defendant agreeed and promised to pay for said services.

They state that there is a blance due on said account for said services rendered in the amount of \$25.00 and that tho requested to do so Defendant has failed and refused and still fails and refuses to pay same or any part of it. Plaintiffs state that said amount is just and true and that there are no offset or usury embraced therein.

Wherefore Plaintiffs pray for judgment against said Defendant for their costs and for all proper relief.
