

FOREWORD

To the class of '45, we submit this Annual. May it always be a fond memory of those high school days gone by. We hope that they will become more endearing as the months fade into years.

Our highest goal in bringing this book to you is that you may see a true reflection of our life at H. H. S.

DEDICATION

For her guidance and loyal support, we dedicate this Annual, with our deepest appreciation, to Mrs. Alice Ransdell, our friend, confidante and adviser through the trying days of our Senior year.

In Honor of Boys in the Service of Our Country.

To those classmates of ours who have gone to defend our country, we humbly dedicate this page, however inadequate, in an attempt to express our pride in them and gratitude for what they are doing for us.

MEMORIES

Here's to the class of forty-five;
May happy memories remain alive.
Memories of:
Paper wads, and hidden books,
Late for classes, dirty looks,
Door knobs off, that no one took,
Class room walls by laughter "shook,"
Lessons got by hook or crook,
Idle chatter flowing like a brook;
Like this our lives have gone by,
But here's to the memories we hold so high.
May not one of our dreams the gods deny!
May we attain those things for which we strive.
So here's to our class of forty-five!

And, to you teachers,
We're not an ungrateful lot,
Though we did many things
We know we "otta" not!!
We're thankful to you teachers
For the many things you've done.
Though it wasn't easy,
We've had a lot of fun.
We're grateful to you teachers
Always let it be said,
And we're very sorry
If we've added gray hairs to a head!

SENIOR CLASS HISTORY

It was four years ago that we, the class of '45, entered our Freshman year of school, with unsurpassed determination and unfailing courage. That was a great moment in our lives! The future—we knew not. We only knew that it would be four long years, which would probably be tiresome and boring, before we would be graduating.

We started our high school days by electing as our class officers: President, Dick Womack; Vice-President, Barbara Asher; Secretary, Jean Mills Bruner; Treasurer, Charles Peavler.

Eager to participate in religious, educational, and athletic activities, the class spontaneously joined the clubs offered for membership. Barbara Asher was elected president of the Junior Girl Reserve, and "Chuck" Peavler was elected treasurer of the Hi-Y. Mary M. Wooldridge was chosen as our cheer-leader, and Tony Dean proved his ability as a basketball player.

With Mr. Goranflo and Miss Trower, as our sponsors, we were becoming acquainted with high school life with joyful hearts. Then came that tragic day! Our country entered into World War II, and our young and exultant hearts of the day before became sad and troubled.

Looking out at our uncertain future and trying to continue our normal lives, we found the year passed sooner than we had expected.

The next year, we again took our places in Harrodsburg High School. With more self-assurance and even more determination, we started the year by selecting as our class officers: President, Tony Dean; Vice-President, Barbara Asher; Secretary, Downie Case; Treasurer, Charles Peavler.

The entire school was thoroughly entertained that year by the girls' basketball game which was sponsored by the Senior and Junior Girl Reserves.

Having more girls than boys in our Junior Class and each girl being true to her own sex, the girls quite dominated the annual election of class officers, electing: President, Nannie B. Moore; Vice-President, Eleanor McFatridge; Secretary, Barbara Asher; Treasurer, Gayle Threlkeld.

The chief attraction of this year was our Junior Play, in which all members of the class took part. It was a huge success and enjoyed by all—even the Seniors.

Under the leadership of Bill Long, editor, and the other members of the Junior Journal Staff, we published the Junior paper, the first Junior paper of H. H. S. for several years.

The number of our boys on the basketball team continued to grow, as Dick Womack, Tony Dean, Calvin Wiley, Albert and Julius Robertson proved that they were a great asset to the team.

We were indeed honored at having one of our girls, Barbara Asher, elected District President of the Girl Reserve.

The event to which we had been looking forward with great anticipation finally arrived. We gave the Seniors a splendid reception at Beaumont Inn. A very enjoyable program was given by Nannie B. Moore, Eleanor McFatridge, Calvin Wiley, Jeff Armstrong, Tony Dean, Albert Robertson, and Dick Womack.

At last came our Senior Year; and President, Gayle Threlkeld; Vice-President, Louise Camic; Secretary, Barbara Asher; Treasurer, Albert Robertson led our class very successfully.

Mary M. Wooldridge was chosen as the Good Citizens of our class in the National D. A. R. contest.

Our members continuued to take part in all the activities of the school. Mary M. Wooldridge was chosen President of the Senior Girl Reserve. "Chuck" Peavler was elected President of the Senior Hi-Y, and of the H. A. A. Nannie B. Moore was elected President of the French Club.

We have had to give up several of our classmates during the four years for various reasons. Some stayed out to work. The Service called George Edger, David Murphy, Louis Daugherty, Eugene Roach, Louis Perkins, Marvin Noel, James Loyd Tewmey, Curtis Bugg, Eugene Compton; and several others will go when school is finished. And, of course, the call of matrimony was too loud for some to resist.

Our basketball team continued to make good with Dick Womack, Tony Dean, Calvin Wiley, Albert Robertson, Julius Robertson taking an active part. We are also very proud indeed that Albert Robertson made the all Regional Tournament Team.

Under the excellent leadership of the Senior Sponsors, Mrs. Ransdell and Miss Field, and the co-editors, Calvin Wiley and Eleanor McFatridge, and the cooperation of the entire annual staff, we are proud to present this annual to you. May it ever be a reminder to you of our presence in the Harrodsburg High School.

Yes, our high school days are over, and with saddened, yet happy hearts, we acknowledge this fact. We are sad because we are leaving Harrodsburg High School which has meant so much to each and every one of us. On the other hand, we are happy to be going out into the world and taking our responsible places. We will go different ways, but our glorius high school days will ever be the center of our hearts and thoughts. To our faculty, board, and parents we give our everlasting thanks. May we always remember the Christian principles and noble ideals which were set before us at Harrodsburg High School, and may we live accordingly.

CLASS WILL

We, the class of nineteen hundred and forty-five (1945), preparing to leave behind forever these years of play, study, and mischief, being in full possession of an unprejudiced, well disciplined, and comprehending mind, do hereby declare this to be our last will and testament, making void all former wills or declarations of any kind whatsoever.

As to such estate as has fallen to us or we have won through luck or scheming plans, do dispose of as follows:

ITEM: The Senior Class wills and bequeaths to the Senior Class of nineteen hundred and forty-six, their ability of always being in the right place at the right time.

ITEM: To the up and coming Sophomore Class, we leave the studious mind of Bill Long, feeling confident that there will be a plentiful share for all.

ITEM: We give to the Freshman Class the declared holiday on May 10, during which they may enjoy the sunshine and restful peace of Herrington Lake, and may they forever escape Kemper's temper.

ITEM: On the young and unpretentious Junior High, we bestow the privilege of knowing the one and only way of preventing early class periods. Merely remove the little knob on the door which causes it to open and close, and toss it out the window.

ITEM: We give and bequeath to our beloved faculty an adequate supply of arsenic to end their worries on the condition next year's Senior Class presents the difficulties as did the Class of '45.

The following may appear to be insignificant trifles, however, they are gifts worthy of your acknowledgement, bestowed upon you from the goodness and generosity of our hearts:

FIRST: To Jackie Cotton we leave Anne Freeman's curvacious figure.

SECOND: To Helen Patterson, Jeff Armstrong's vivacious personality.

THIRD: To Betty Strunk, Barbara Asher's quiet charm.

FOURTH: To J. P. Davenport, we bequeath Mitch's much worn book of "How to Win Friends and Influence People."

FIFTH: To Daniel Sylvester Tuttle, Richard Womack's popularity with the fairer sex.

SIXTH: To Carlysle Garrison and Fred Noel we leave that special love Mr. Powell has for Dodie and her book of excuses.

SEVENTH: To Catherine Demaree, Eleanor McFatridge's ability to hold her men.

EIGHTH: To June Morgan, Helen Coleman's absent-mindedness.

NINTH: To Eugenia and Owen, we leave Anne and Jug's happy conclusion to their love life.

TENTH: To Robert Moore, I. C.'s love for Betty Patterson.

ELEVENTH: To Bobby Davenport, Tony Dean's vitamin tablets.

TWELFTH: Louis McFatridge's love for the night life to Byron Compton.

THIRTEENTH: Chuck Peavler's likable disposition to Amos Black.

FOURTEENTH: We leave Calvin Wiley's strong, silent charm to Charles Yates.

FIFTTENTH: To Betty Trimble and Irma Tewmey, an equal division of Vaughn Strader's weight.

SIXTEENTH: Selbert's dimpled cuteness to Horace Ellis.

SEVENTEENTH: Gayle Threlkeld's little black book with its list of all available females to Glendon Sanders.

EIGHTEENTH: To Wylna Claunch, we leave Eva Ashford's natural blondness.

NINETEENTH: To Louise Bourne we leave Elinor Patterson's giggle to be used sparingly.

TWENTIETH: To next year's cheerleaders, Mary Mitchell's interest and sense of responsibility.

TWENTY-FIRST:To all new couples in the Junior Class, the secluded nook in the back of the White Way. Also to all under-classmen in each and every grade, we leave our sympathy and understanding.

Finally, we do hereby name and appoint as the sole executor of this, our last will and testament, our ever perservering superintendent with the admonition that he administer this estate to the best of his ability.

In witness whereof, we, the Class of Nineteen Hundred and Forty-Five, the testator, have set our hand and seal on this the thirtieth day of May in the year Niniteen Hundred and Forty-five.

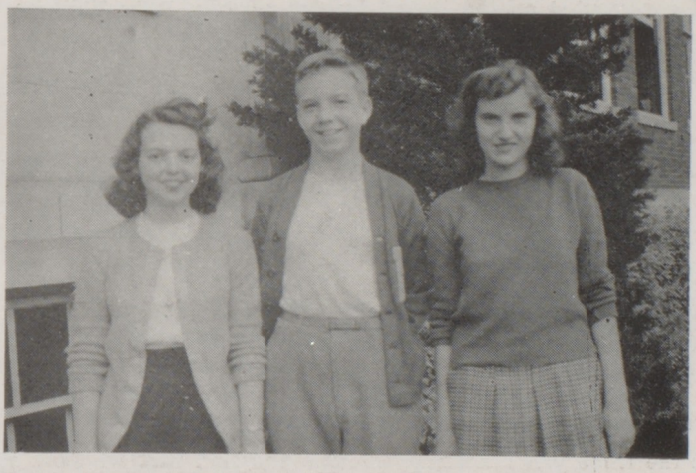

Signed

Class of 1945.

JUNIOR HISTORY

In 1942 the class of '46 entered High School as Freshmen. Our sponsors were Miss Trower and Mr. Soper. Our officers for our Freshman year were four boys: Glendon Sanders, Marshall Freeman, Otha Keightley, and Bobby Davenport. We took part in the two scrap drives that year and donated the money to the school.

Last year as Sophomores the girls turned the tables and elected four girls: Jackie Cotton, Betsy Royalty, June Morgan, and Betty Strunk. Mrs. Briggs, Miss Black, and Miss Waters were the girls advisors while Mr. Whitehead supervised the boys in Room 7. Marshall Freeman, Glendon Sanders, and Jim Ellers played big time basketball with Bobby Davenport, Joe Russell, and Billy Young as managers.

When we moved to Room 8 as Juniors, Miss VanArsdall and Miss VanDiver became our sponsors. This year we compromised and elected two girls and two boys as officers. Marshall Freeman was elected president; Betsy Royalty, vice-president; June Morgan, secretary; Glendon Sanders, treasurer. When Marshall decided to leave school and get married, Joe Russell was elected vice president in place of Betsy who now became president. Again Glendon, Marshall and Joe Russell played on the first team, and Bobby continued as manager. Mildred Sanders has been our class cheer leader since '40.

The Juniors have held many offices. Ann Crossfield was vice-president of the Girl Reserve and Jackie Cotton was treasurer. Otha Keightley was vice-president of the Hi-Y. Edmond Burton was vice-president of the H. H. A. Martha Brown was secretary of the Home Economics Club. Betty Patterson was vice-president of the Dramatic Club and treasurer of the French Club. Mildred Sanders was vice-president and Bette Trimble was secretary of the French Club. Betsy Royalty was vice-president of the Science Club and Anne Shannon McClellan was treasurer. Betty Strunk was the pianist of the Girl Reserve and program chairman of the French Club. We were well represented on the Patrol by Owen Dean, Billy Willham, and Byron Compton.

Betty Patterson won recognition when she was judged "good" in the Kentucky State Speech Festival.

The Harrodsburg Hi-Lights, our Junior paper, was staffed by Anne Shannon McClellan, Louise Bourne, Horace Shewmaker, Ann Crossfield, Edmond Burton, Otha Keightley, June Morgan, Virginia Carey, Bette Trimble, Eugenia Freeman, Mildred Sanders, Horace Ellis, and Betty Strunk.

On April 13, the Juniors presented their class play, the Junior Class Revue. Judging from the applause and the box office receipts, we gave quite a good performance. This was followed by a class party given by Betsy Royalty, Wylna Claunch, and Betty Patterson at Betty's country home. Our last main accomplishment was the Junior party given for the Seniors.

We look back at the three years' accomplishments and find that we have stored many happy memories. We look ahead to next year with much anticipation when we will be the Senior Class of 1946.

SOPHOMORE CLASS HISTORY

The Senior Class of 1947 entered H. H. S. much as any other class. Having been forewarned of the severe initiations by our upper classmen, we had grave doubts as to the enjoyments of our high school career. Nevertheless, we survived the hardships of the seventh grade and began the final lap of Junior High.

Bessie Tewmey and Roselyn Robertson were our cheer-leaders in the seventh and eighth grades. Bessie has gone on with the team to become one of the four Senior High cheer-leaders. It was in the seventh grade that Amos Black began his outstanding athletic career.

We participated in many club activities, and some of our group were elected to offices in Girl Reserve, Hi-Y, and other clubs.

Many new additions from county schools joined our class in the Freshman year. The Freshman basketball team distinguished itself by winning the intramural basketball championship. Mrs. Gritton and Mr. Harlow were our home-room teachers in this first year of high school, and they followed us on to the Sophomore year.

As Sophomores, we attempted a money-making scheme never tried by any class before us. Without any outside help, other than typing, we published a four-page program for each home game during the basketball season. As proof of our success, we have $175 in War Bonds made out to the Senior Class of 1947. We sold an average of 125 copies a game at five cents each.

The Sophomores of '45 have made an excellent start toward being outstanding Seniors of '47.

FRESHMAN CLASS HISTORY

This first year of high school has brought us many new discoveries and excitements. Our faces lighten up when we think of these.

As fresh as morning dew, and as green as spring grass, we started out on our highway of travel through high school. On our way we were met by two very nice people, Mrs. Alexander and Mr. Whitehead, who have given us the right route all through the year.

We joined various clubs as we journeyed on. Some of these were Hi-Y, Girl Reserve, Athletic, and Home Economics Clubs.

The Freshman basketball team has shown its worth in the intramural tournament. We are proud of our cheer-leader, "Sitty" Russell, who carries our flying colors through the school for the Freshmen.

Our officers are: President, Doris Merriman; Vice-President, Bobby Kirk Jones; Secretary, "Sitty" Russell; and Treasurer, Carlysle Garrison.

As we come to the end of the trail and the golden sun is sinking low, we'll say goodbye until next year when we'll start on a more difficult and higher highway.

JUNIOR HIGH

Eighth Grade President ..... Frank De Vylder

JUNIOR HIGH SCHOOL HISTORY

Last year was the beginning of a new life for the members of the eighth grade. We came to the High School "scared stiff," for we knew not which steps to use. We even ran through the halls, rushing to the class rooms. We have grown up now and have left the seventh graders to follow in our footsteps.

Very soon after school began, we elected class officers. They were: Betty Dean, B. F. Edwards, Louis Teater, and George Ellers. We joined the Girl Reserve, the Hi-Y, and helped in the activities of the year.

Two cheer-leaders were chosen to lead yells for the Second Team in basketball. They were Patsy Trimble and Betty Dean.

The Junior High teachers who have led us successfully for two years are Miss VanArsdall, Mrs. Bellebaum, Mrs. Dedman, Mrs. Worth, Miss Powell, and Mr. Harlow.

September fourth, the first day of school, came soon for us this year, but we became settled and adapted ourselves to school again. We elected new officers: B. F. Edwards, Violet Wilham, Patsy Trimble, and Amos Young.

A new group, the seventh grade, started with us this year in Junior High School. They seem more progressive in their manner than we were as seventh graders.

They chose their officers and calmed down after the first few weeks of school. The officers they chose were Jack Clark, Jane Bourne, Carolyn Smith, and Billy Glass.

There were several seventh grade girls who competed for the honor of being cheer-leaders. Mary Breck Bonta and Jean Sanders were chosen.

We, the eighth graders, will at last be freshmen in High School when school re-opens in the fall. We leave to take our places as the "babies" of the school this year.

BASKETBALL TEAM OF '44 - '45

The Harrodsburg Pioneers again came up with one of the strongest teams in Central Kentucky and were among the top twenty-five in the entire state. At the opening of the season only sixteen boys reported for practice, among which were only five lettermen. The lettermen included Amos Black, Albert Robertson, Marshall Freeman, Glendon Sanders, and Tony Dean. With these few lettermen, Coach Harlow did an excellent job in shaping his fine quintet.

The Pioneers played nothing but the best. Among their opponents were such powerful clubs as St. Xavier, Danville, Henry Clay, Shelbyville, and Frankfort. They hurtled these obstacles in excellent fashion and "racked up" a record of seventeen wins and four losses in the regular season. They downed Burgin in the District Tournament and advanced to the Regional Tournament in Lexington for the second time in three years. You might say that they had a bit of hard luck and were defeated by

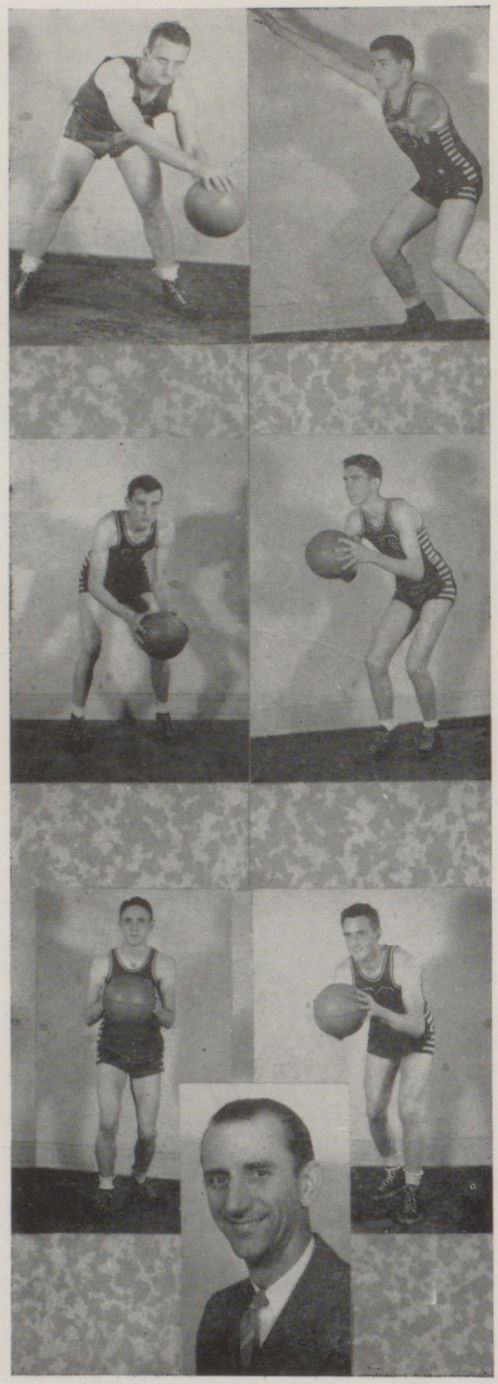

THE HARRODSBURG PIONEERS

University High by the close score of 23-22. They finished fourth in the C. K. C. with a rating of 20.625. The Pioneers also had an excellent zone defense. It was highly complimented by various coaches of Kentucky and touted as one of the best zone defenses seen on Kentucky's hardwood in many years. The defense held all opponents to an average of 22.3 points per game, while the Pioneers rolled up an average of 30.4 points in 23 games.

Amos Black, the Pioneer captain, was honored by receiving honorable mention on the All-State Team. Albert Robertson, the little Pioneer guard, did equally as well by making the All Regional Team.

The loss of seven lettermen will undoubtedly dim the prospects for next year, but before the season is over they will prove their ability. The forming of next year's squad into a winning team will be a tough job but we have just the man who can do it, Coach Evan Harlow. So here's the best of luck to them.

Tony Dean,
Sports Editor.

AMOS BLACK—CENTER — "Sam" was selected on the Honorable-Mention for All-State this season. He played exceptionally well in the pivot position. He is a good shot and a fine defensive player. His shoes will be hard to fill next season.

TONY DEAN — FORWARD — Tony was a regular guard last year, this year he was moved to the forward position. He was an excellent set shot and rebound man. He will be greatly missed next year.

GLENDON SANDERS — FORWARD — "Jack" was the boy who controlled the rebounds and in this way saved many games for H. H. S. this season. He is an outstanding one-hand shot. He stands 6' 2" and will be a very valuable man on the next season's team.

CALVIN WILEY—CENTER — "Willie" came so close to making a regular that he was considered one anyway. He saw action in almost every game and did a fine job in each one. He enters the service as soon as school is out and the odds are that he will make somebody's team next fall.

ALBERT ROBERTSON—GUARD — "Selbert" was highly honored by being selected on the All-Regional team. He was the fastest man on the squad this year and this made him a valuable man on the fast-break offense. He will be greatly missed on the hardwood next year.

MARSHALL FREEMAN—GUARD—"Jug" did a fine job bringing the ball down the floor and he did equally well on defense. He is an excellent set shot and a good "ball hawk." He will also be absent from next year's quintet.

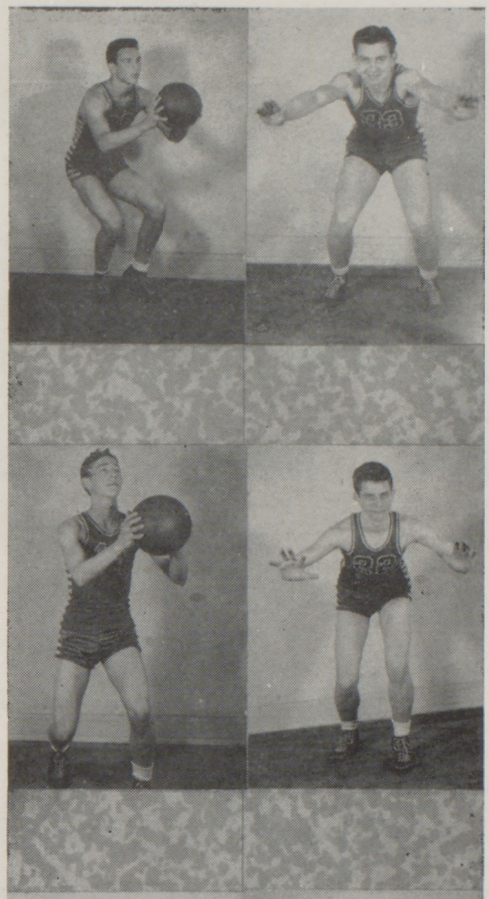

COACH EVAN HARLOW — "Ev" worked hard this year to produce a winning team. Despite the loss of five lettermen, he coached a quintet to whip practically everything they met. "Ev" has been at Harrodsburg High for two years and during this time he has won 32 games in 38 starts. He also helps the boys with their baseball team. Last year he coached them to four victories in as many start.

RICHARD WOMACK — FORWARD — "Dick" was one of the best reserves on the squad. He saw much action this season. Even though he didn't make a regular he seldom missed a practice session. You will find few boys that have more interest in tho game than "Dick."

CARLYSLE GARRISON — GUARD—Carlysle played guard this year but he will probably play forward next year due to his size. He is only a freshman and before he is through he will no doubt make one of H. H. S.'s finest ball players.

FRED NOEL—FORWARD — "Reco" was another one of the outstanding substitutes of this year. He tried hard every minute of the time and these efforts will show on the hardwood next year. He will make a good rebound man for next year's team.

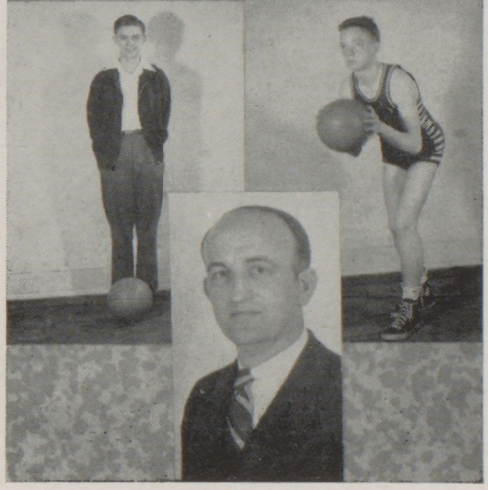

JULIUS ROBERTSON — FORWARD — Julius did quite well as a substitute this year. He played in several ball games and did a fine job. He will probably be in the service by the time school is out, but wherever he is, he will be pulling for the boys next year.

BOBBY DAVENPORT, MANAGER
"Bob" did an excellent job as manager of the team this year. Besides being a good manager, he was an ardent rooter. He does more work than any man on the squad. The team of next year will have the good fortune of having "Bob" as their manager next year.

JOE RUSSELL — GUARD — "Baldy" will be one of the first string guards next year. He will be valuable as a set shot and a defensive player. He has one of the toughest jobs on a team in bringing the ball down the floor but we know he can do it.

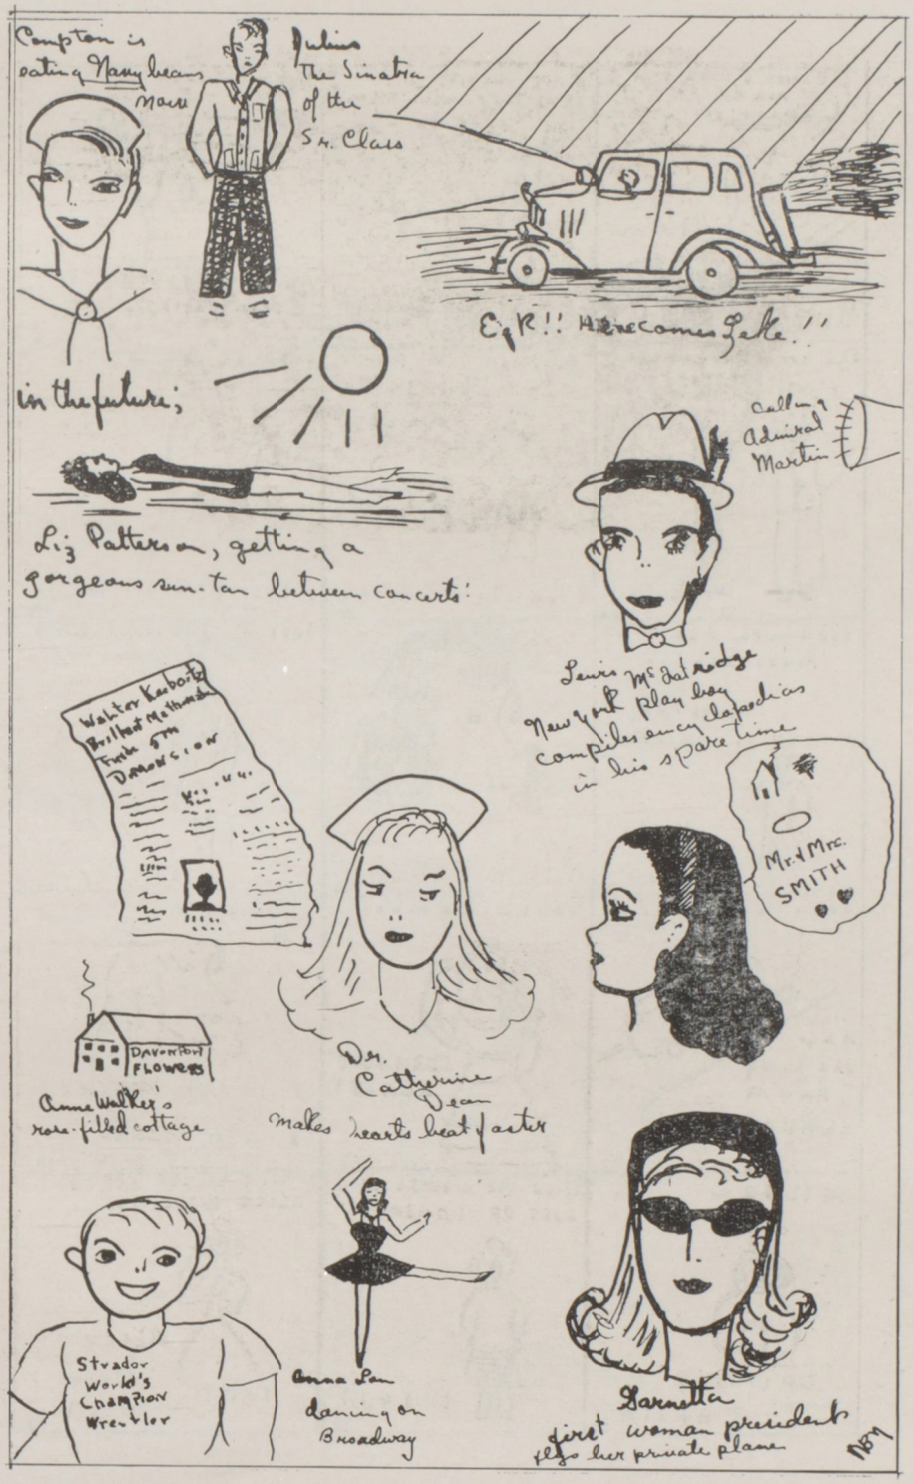

ATHLETIC ..DIRECTOR ..MARSHALL BLACK — "Rev" is the man with the money-bag. His job as athletic director calls for someone to handle the money, pay the expenses, and pull for the boys. He did quite well in each of these tasks which took a great deal of time and patience.
