We're not afraid of tomorrow

For we have seen yesterday,

And love today

In the beginning . . .

As the flag goes up on a new day, so begins a new year and the importance of the experience accompanying that year. When the Freshmen begin a completely new and exciting high school career, the Sophomores feel oriented and prepared to cope with the world. The Juniors begin their vigil of preparing for a great send off for the Seniors. And, the Seniors assume the responsibility of their approaching graduation and of life itself.

The Seniors of Harrodsburg High School strive each year to present in their annual the happenings of the past school term. This includes yesterday--the football season pep rallies, homecoming, the basketball season with its exciting close games, the tension of the actors in the class plays, sorrow of the Seniors at graduation and the proud Juniors who will now step into their place--and today--our daily life as seen by the student body. But, with the passing of the year, each member of H.H.S., and especially those in the Senior Class, project their thoughts to the future. Each is wary of the future - a little apprehensive, but then recalling experiences of the past, are no longer afraid to step into the future.

During high school, college, and life itself, there will always be the experiences of yesterday remembered, the love of today, and there will be no fear for the future because of these memories.

As the year opens there is a mad rush to buy books, new and used, for the school year.

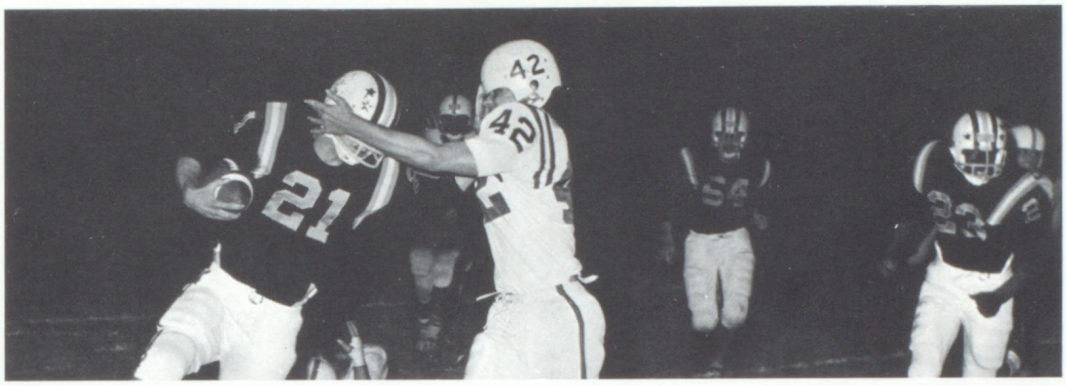

Finally, the year begins and the new books, schedules, and positions are put to use by all students.

Some people decide, after the first excursion that classes will be too hard or that they just don't need the subject that year. Mr. Rose, after working all summer placing people in their applied place, is requested to change the schedules. For two weeks the office is invaded by troublesome students.

Action to Action

The Harrodsburg defensive makes a gallant effort to suppress the threatening out-break of the opposing team.

Coach Plummer and the team pause during half-time to discuss the strategy and techniques needed for the remainder of the game to overpower the oppressor.

H.H.S. tears through the line on a spectacular play, trying to rid itself of the opposition.

FOOTBALL HOMECOMING

Homecoming is an event which brings back many memories of good times, hard work, excitement, and disappointment. All actions and thoughts are positive for a great success. Although the impressions are fading, the memories of yesterday are still very vivid and always will be.

Lisa Stroute, Homecoming Princess, and Frank Brummett, Senior escort, look on as the 1965-66 Football Homecoming Queen is crowned at half-time of the Anderson vs. Harrodsburg game.

Tony Young, football king, was chosen by the team and Carolyn Campbell, queen, was chosen by the student body from nominations made by the football team.

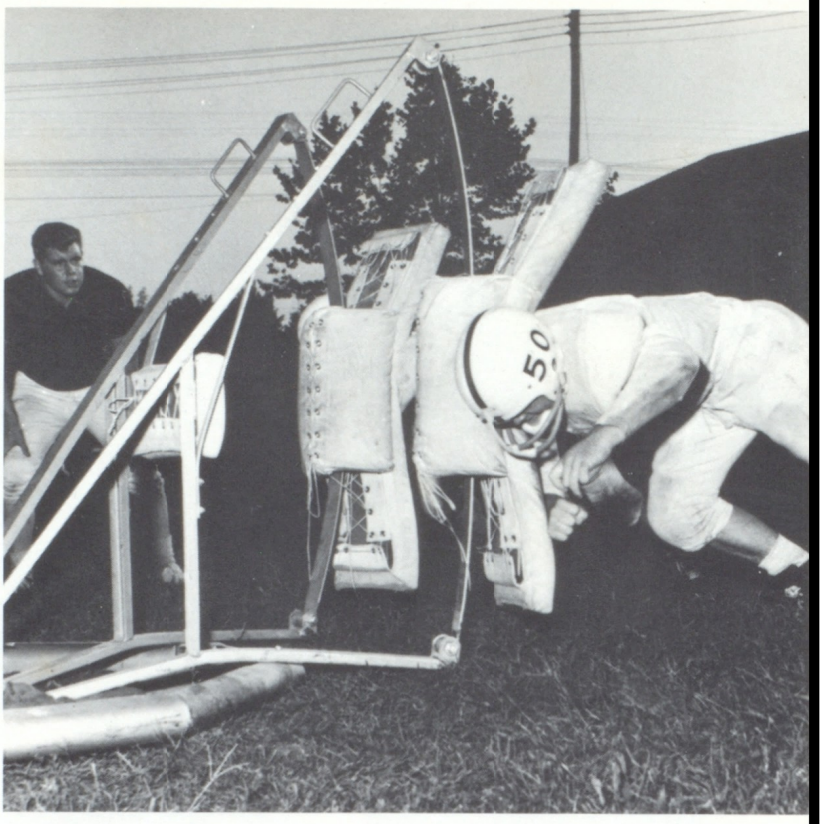

The Sophomores step out in front for first place with "Help".

The roaring bonfire reflects the excited faces of the fans and players as they are picked up by the mood and finally thrown into action for the power-packed Pioneers.

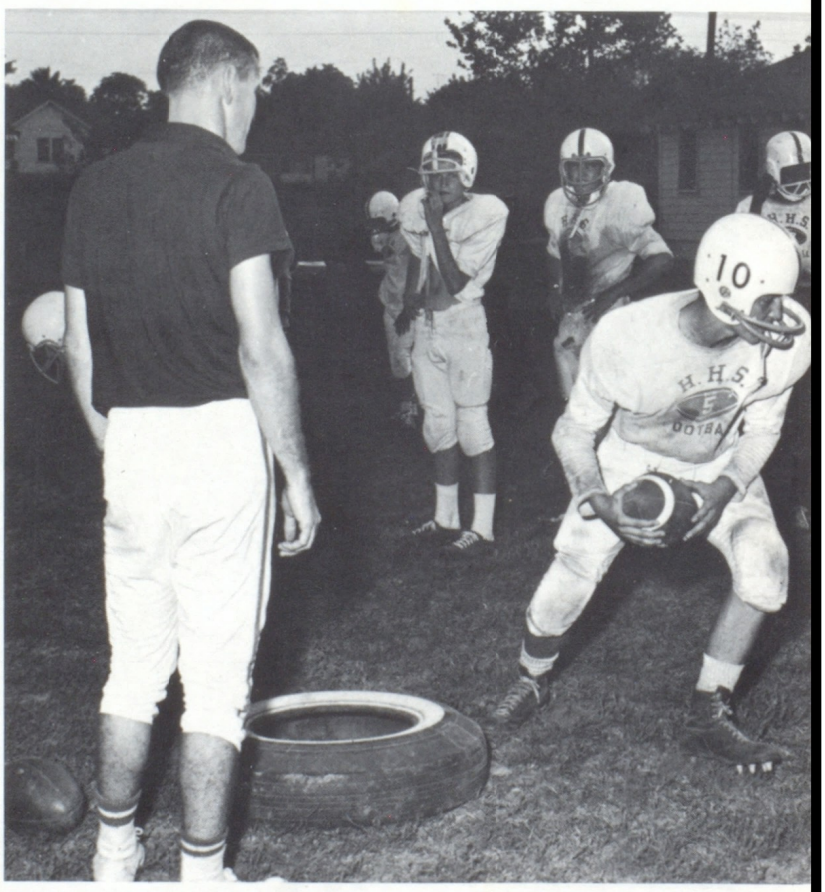

Experience -- Preparation for the Future

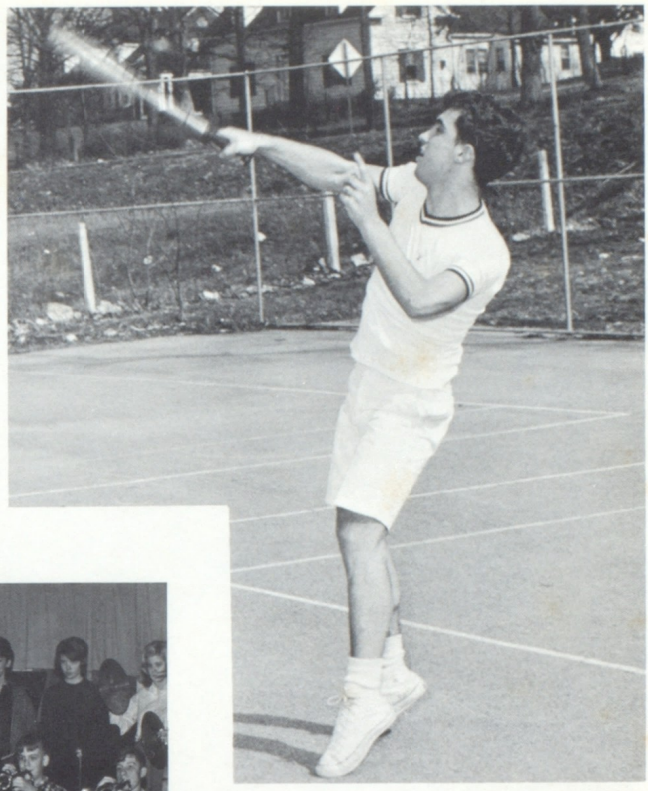

Football practice starts during the hot summer and continues during the season. A lot of hard work and new plans are made during each session.

Practice is the fundamental that makes every-one great. Many long hours of work go into every performance by each individual class, and organization. Experience comes only from the past and can lead to the greater promise in the future.

Practice

Improves

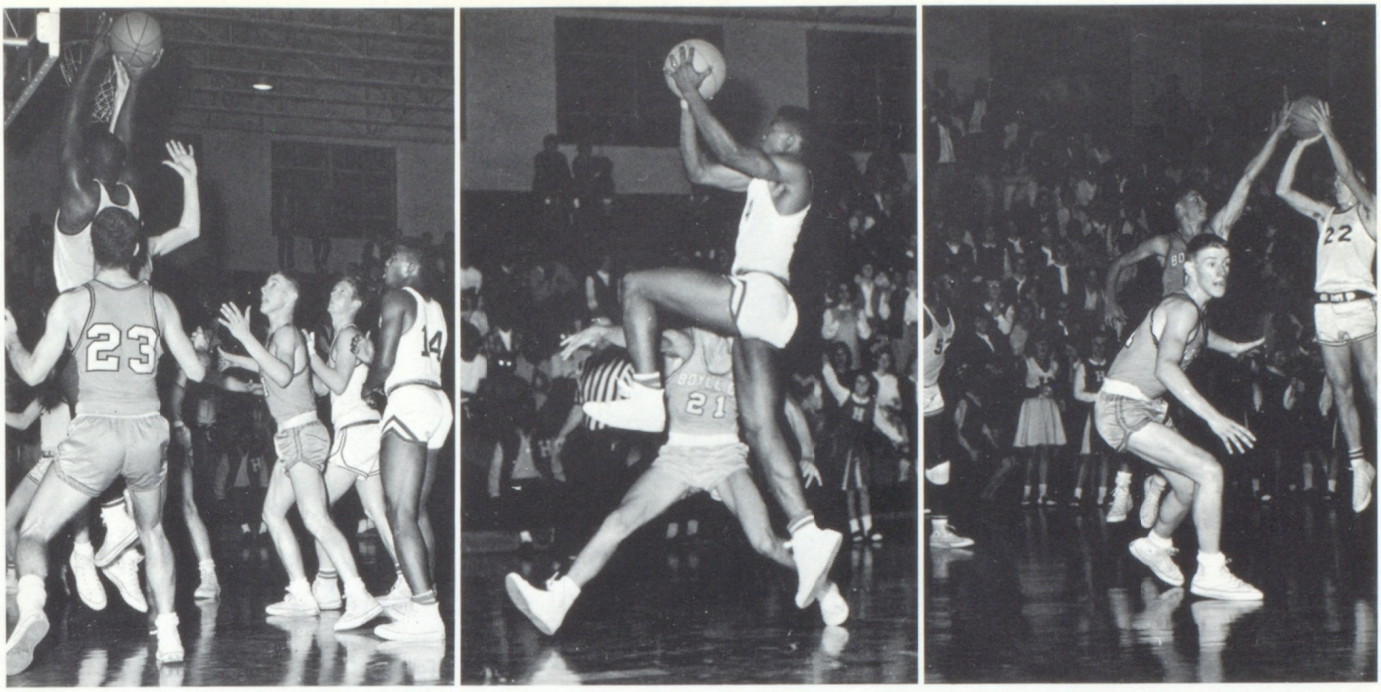

What's the word? . . .

VICTORY!

Tension mounts with the mood of the crowd. The players dash down the floor and sling the ball into the basket for two more points; the crowd is uproarious. At times disappointment arises and disgusted fans show their fury. In the athletic field, the fans feel they are an integral part of the games and participate with the players in victory or in defeat.

The games and events go by and time passes very quickly. These sports change from football, to basketball, to baseball, track, golf, and tennis. Yesterday becomes today and today tomorrow.

The Harrodsburg Pioneers pose a threat by firing the ball for six big points.

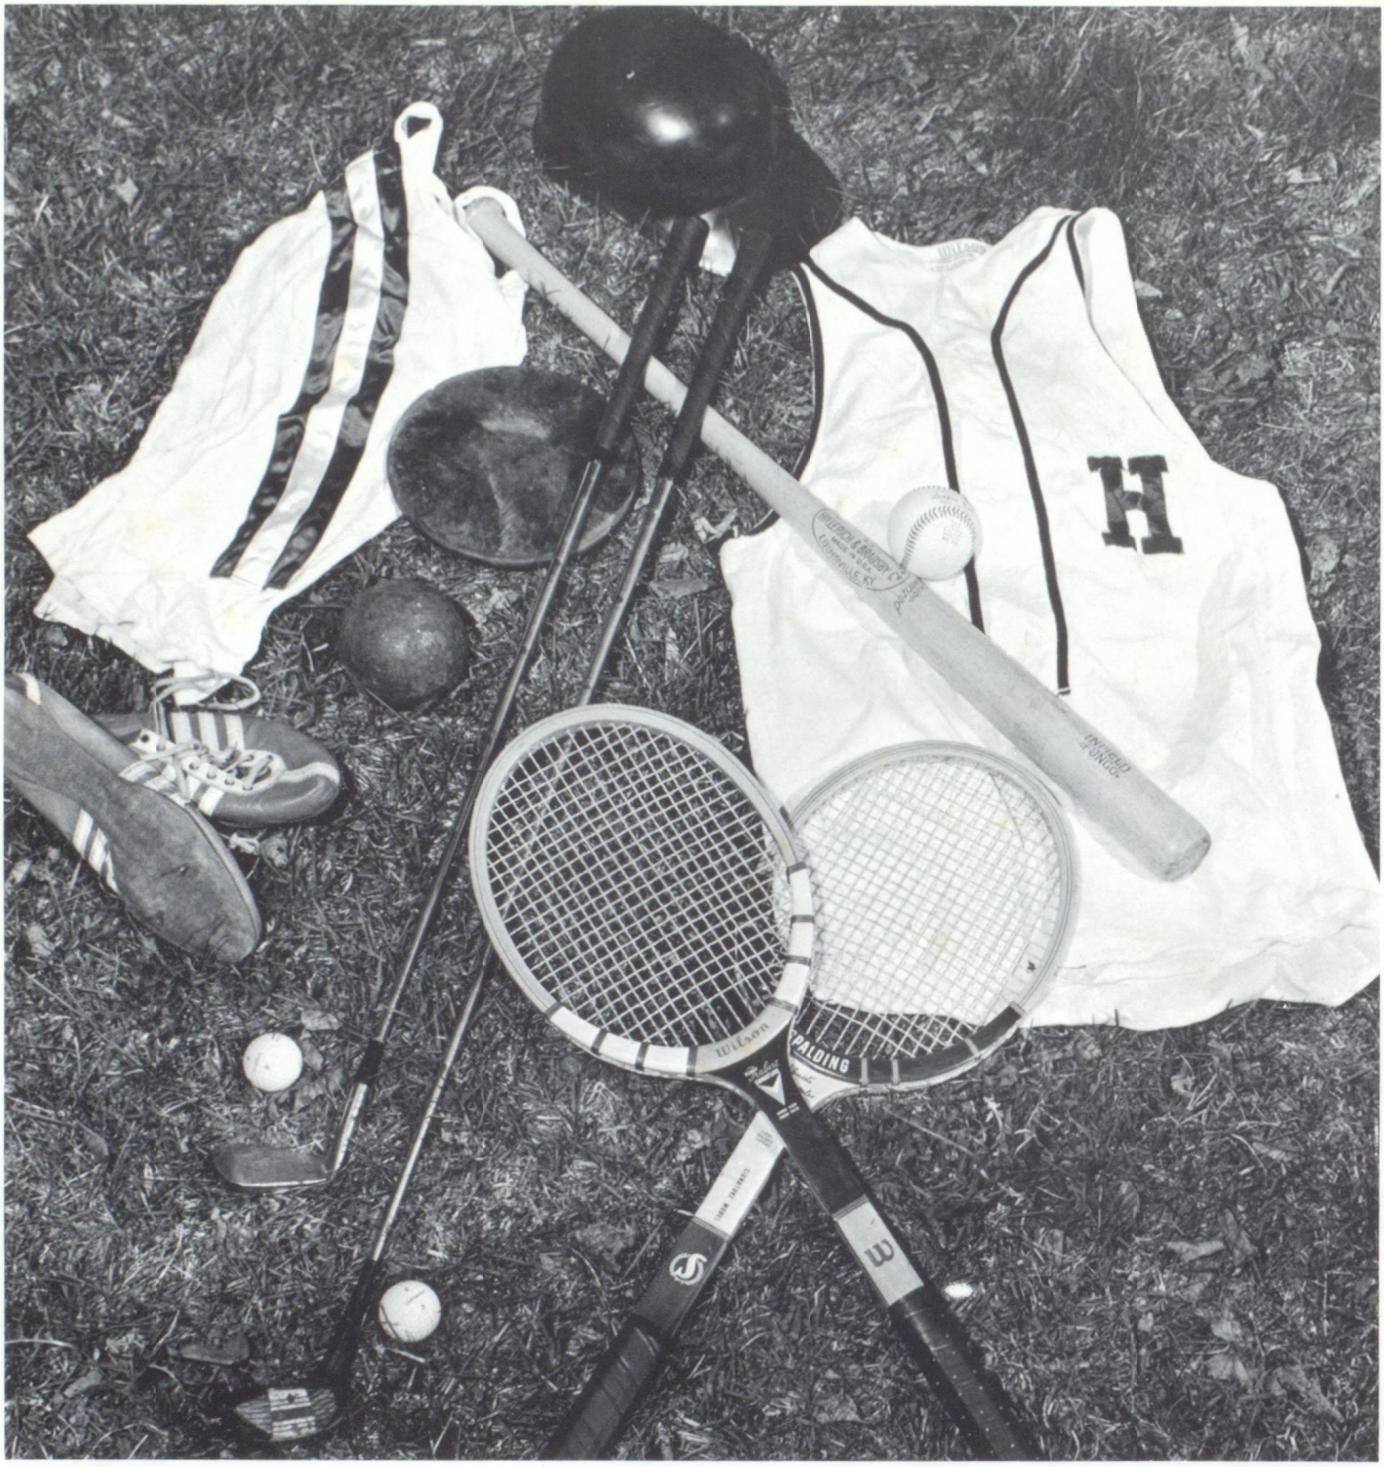

District Champs in Action

Fred Purvis, a Pioneer star, expresses the anxiety, tension and pressure, displayed by the Pioneers while striving for victory.

The Pioneers loosen up for the contest during the pre-game warm-ups.

With Spring Comes Outside Activities

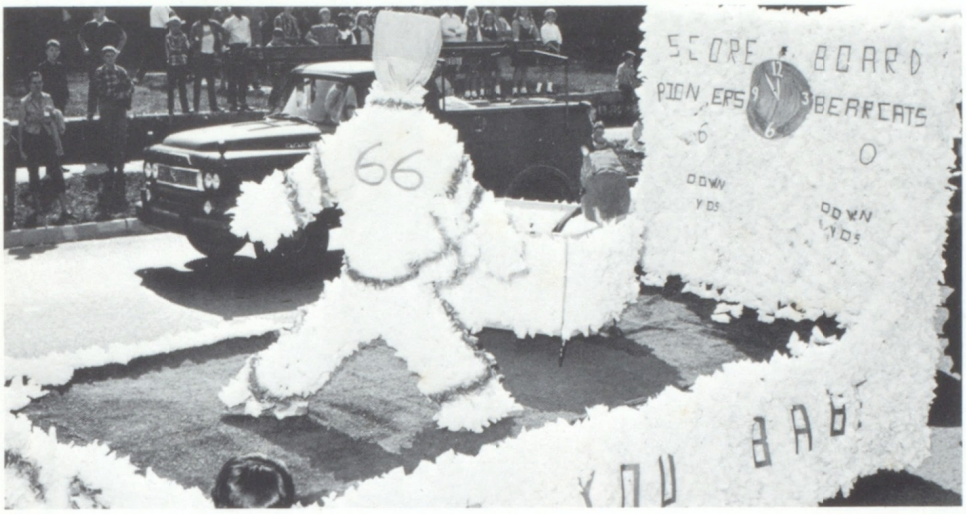

In the spring everyone's thoughts turn to the outdoors and sports.

Practice is work but also enjoyment and more time to be out. Golfers proceed to the golf course, tennis players to the courts, baseball players to Sportleigh field, and track members to the track.

Each individual has "spring fever" and such an energetic feeling that nothing could hold him back.

The dreams during the winter of tomorrow have finally become today's activities.

Seniors on the Move

A feeling of pride symbolizing hard work and tension emerges in the hearts of the Seniors as their winning float travels the parade route.

Seniors move to their seats at the front of the assembly hall.

Ceaselessly joyful in the frivolities of H.H.S., the redheaded Go-Go girl is really turning on.

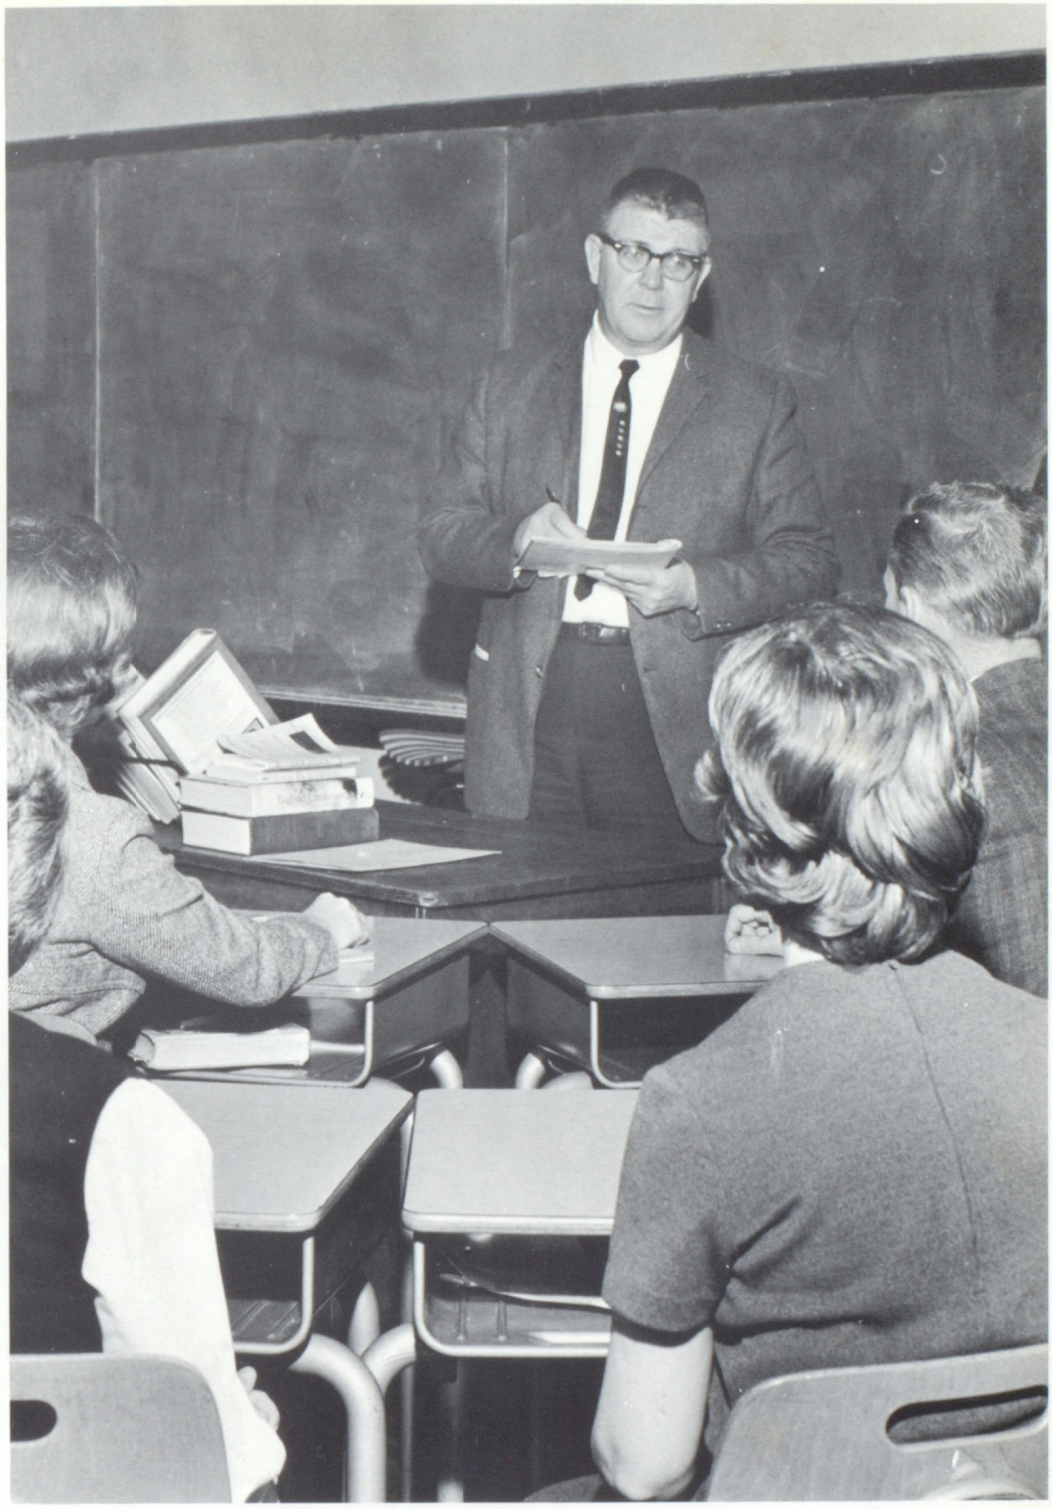

In the End . . .
The Beginning

The school year is over for the classes of '65-'66. But, it is only a beginning for Seniors, Juniors, Sophomores, Freshmen, alike. The Seniors have their futures to plan for, many leaving for college, business vocations, and married life. The Juniors are looking forward to becoming Seniors and preparing for their graduation. The Sophomores look forward to the time when they will receive their class rings. And, the Freshmen just look forward to the time when they can really begin to participate in the school's activities.

As we leave this year, we will take with us many cherished memories. But, we will also be looking forward to tomorrow with great expectation. We will make our plans today and have faith that they will provide for tomorrow.

Yesterday, today, and tomorrow--all hold memories, hopes, and faith.

Faculty and Administration

The Board of Education works with the school's officials to make the Harrodsburg system newer and better. During the year a remedial reading program was initiated, the Study Hall partitioned, and new teaching equipment was bought. Land, 33 acres at $35,000, for a new elementary school was purchased. The service road was also put into use this year. The members must look forward and plan for tomorrow with the experience that they have had in the past.

Tomorrow's future is viewed today as yesterday's ideas are discussed by the Board of Education.

Left to Right: Mr. C. M. Shewmaker; Mrs. Mary Burton, Co-chairman; Dr. Charles Hatcher; Mr. Gene Royalty, Chairman; Dr. Condit VanArsdall; and Mr. Andy Young, Superintendent.

Administration

MR. TEBAY ROSE
Principal

These two men, working with the board, have seen such things as reading classes, new history room, and new equipment, this past year at H.H.S.

Besides the material subjects a new club, The National Honor Society, was formed to give credit to deserving students for their service.

These men have helped secure a better future for the students by working and planning with other school officials.

Business Administration

MRS. MARY ALICE PELSOR, Secretary

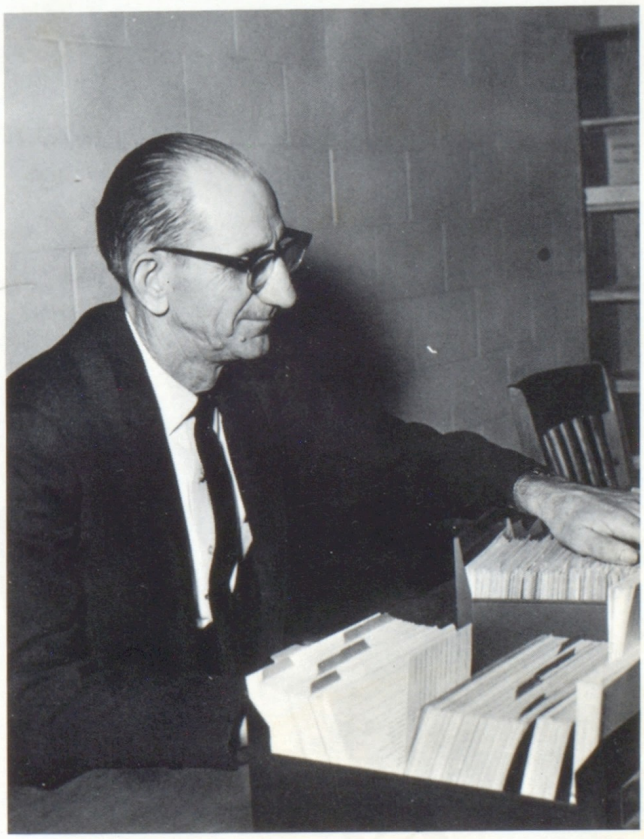

The Business Administration is many times neglected and is not given credit for the services rendered. Each person helps keep our school in order by custodian duties, dietician plans, and secretarial service. These people keep our school running smoothly and true to form by their integral and important tasks.

Mrs. Pelsor arrives each morning faced with the duties of bookkeeping, treasurer, and secretarial work which the faculty and students demand of her. She takes this responsibility with a lending hand and is ready to aid those who need her. A lot of paper work and typing head the list of jobs Mrs. Harris does. A smile and a "Thank you" greet you when you meet her. Mr. Harlow needs no assistance in his job. His duties have achieved a more stable education and life for the students at H.H.S.

Student Life

Books Are Put

The girls of H.H.S. anxiously await and accept dates for the coming week-end.

The Students of H.H.S. have many varied interests that insure them a week-end full of fun and excitement. All week the students' minds are filled with mathematical, scientific, and historical facts, but when the week-end finally arrives, the thoughts of the students take on a new light.

Yesterday students piled their books in the locker and headed out the door anxiously awaiting the newly arrived week-end.

Today is filled with washing the car or riding the ever favorite motorcycle. At night, students fill the stands to watch the Pioneers roll on to victory. After the game, they enjoy hours of dancing at a school sock-hop.

Tomorrow they will begin to worry about all their studies needed for preparing for the following week, but tonight will just be filled with fun.

The faces of the students express signs of joy as they leave school Friday afternoon.

Saturday, after washing the car for that night, it's time to have some fun. The motorcycle provides excitement for the students as they take a spin around the town.

Away As Week-end Arrives

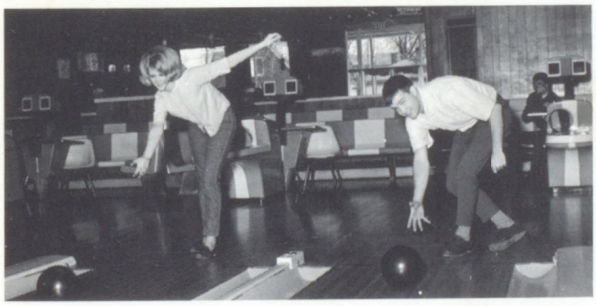

As the crowd piles into the stands, feelings of anxiety are displayed by the supporters of the H.H.S. football team. Many of the students' thoughts have turned to the victory dance which will be celebrated after the game.

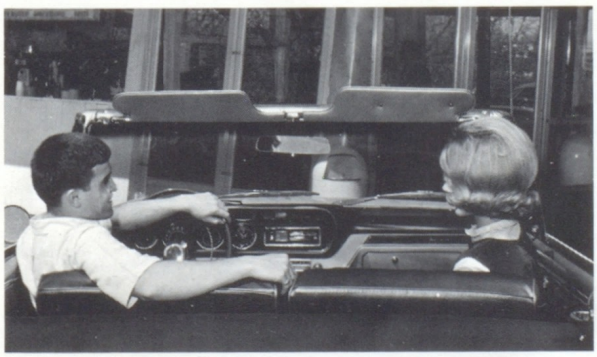

After meeting at mid-court to wish each other luck, the battle between the sexes begins.

After bowling a fast game, the students relax with a coke at Hop's.

"Tigers" Precision Drill Team

"The Tigers", a name given to this part of the band at camp, is the precision drill team. These members participate in all the competitive appearances made by the Harrodsburg High School Band. They have appeared in all parts of Kentucky and a few other states also. In competition with bands from all parts of Kentucky, at the University of Kentucky, Stoll Field, the "Tigers" came in third place. At Moorehead the drill team came in second place in Central Kentucky. In September the drill team was in competition at the State Fair and received fourth place recognition. These students also ventured to Bristol, Virginia, in October to receive first place in the central part of the United States. This is the first year that the drill team has been in competition. There are fifty-one members. This same drill team appeared at the football games during the half-time.

Below are Francis Green, Janet Flynn, and Bill VanArsdall planning for a trip.

Chorus-Band Presents "Swinging High"

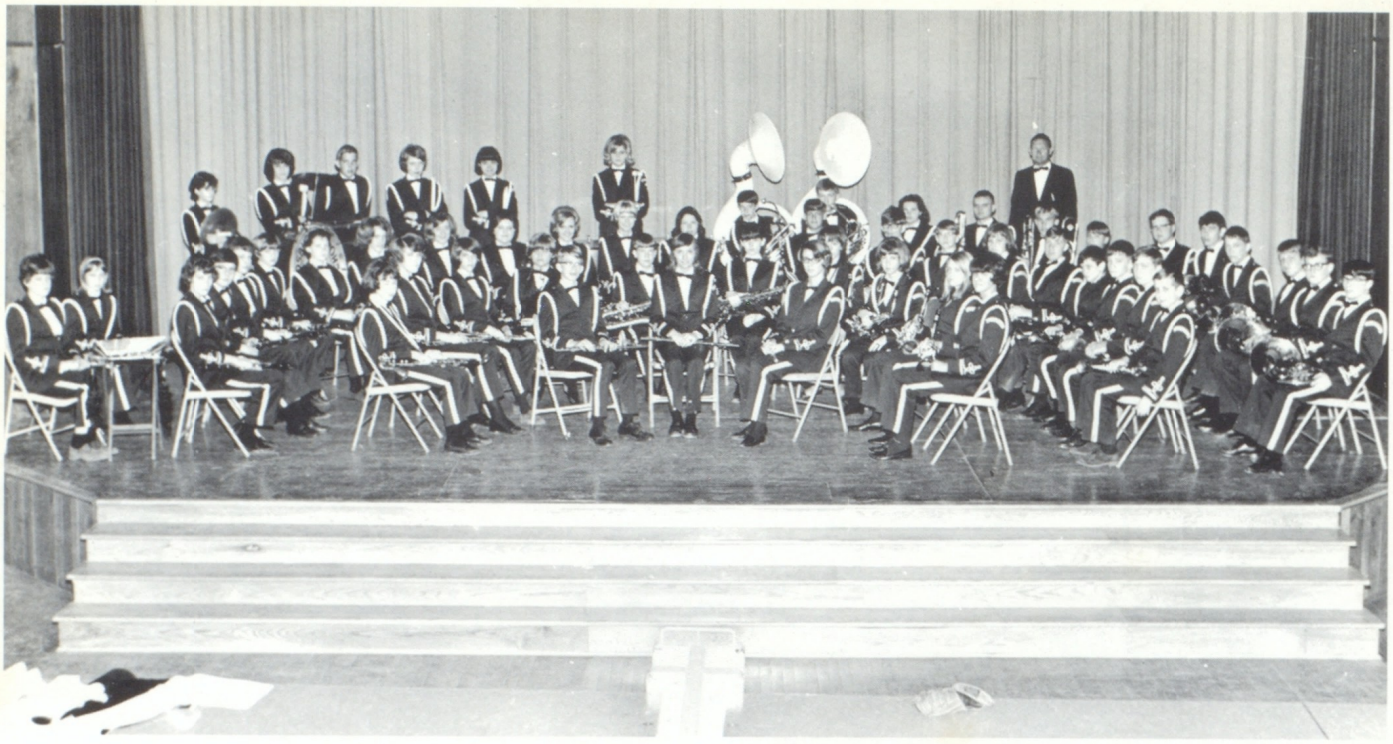

The Mixed Chorus of Harrodsburg High School was formed by Mr. Gravely. The members have participated each year in the graduation exercises. The chorus, annually, since formation, has sung in Baccalaureate and Commencement exercises. They also perform at the Christmas program given for the high school each year. Each member may participate in the state music festival if he desires to.

This year the chorus combined with the concert band to present the operetta "Swinging High." This was a story about a principal who received amnesia after a chemistry experiment blew up in his face and about a smart, supposedly ugly, girl who changed when a boy showed interest in her.

The chorus meets twice a week and the remaining days are spent in Study Hall.

Concert Band Performs for Community

The concert band presents community concerts once a month at the high school. For the enjoyment of the students they also annually present a program at Christmas. This year the concert band combined with the chorus and presented an operetta, "Swinging High." It was presented March 18 and 19 to the public.

The concert band, on their trip to Florida, played at the Oak Grove Junior High School and the band shell.

This band will participate in the state music festival which is held annually at Eastern Kentucky University in Richmond.

Members of the concert band are shown to the left practicing for the state music festival.

The Marching Band of H.H.S. has always started out the year by leading the Football Homecoming parade. Besides participating in other parades, the band attended Eastern State University for the Eastern Band Day.

As the only representative from Kentucky, the Harrodsburg High School marching band lead the parade through downtown Clearwater, Florida. The band was invited by the festival planning committee.

Tony Edger is pictured during the Football Homecoming Parade.

Band Brings Honor to H.H.S.

Jan Jones, Band Sponsor, was chosen by members of the band and has held the position for two years. Zenah Teater is the Harrodsburg High Band Drum Major. He was chosen by Mr. Gravely and held the position for one year. Both Jan and Zenah were responsible for outstanding presentation and perfect formation typical of the 1966 Marching Band.

Harrodsburg High is indeed fortunate to have not only a capable band director but one who gives so freely of his time, Mr. William Gravely.

This year Mr. Gravely formed a drill team known as the "Tigers" and worked with them every day during school as well as on Tuesday and Thursday nights. Now the Tigers are a group of which Harrodsburg can be proud.

The music festival held at Richmond, Kentucky is an annual event for the band.

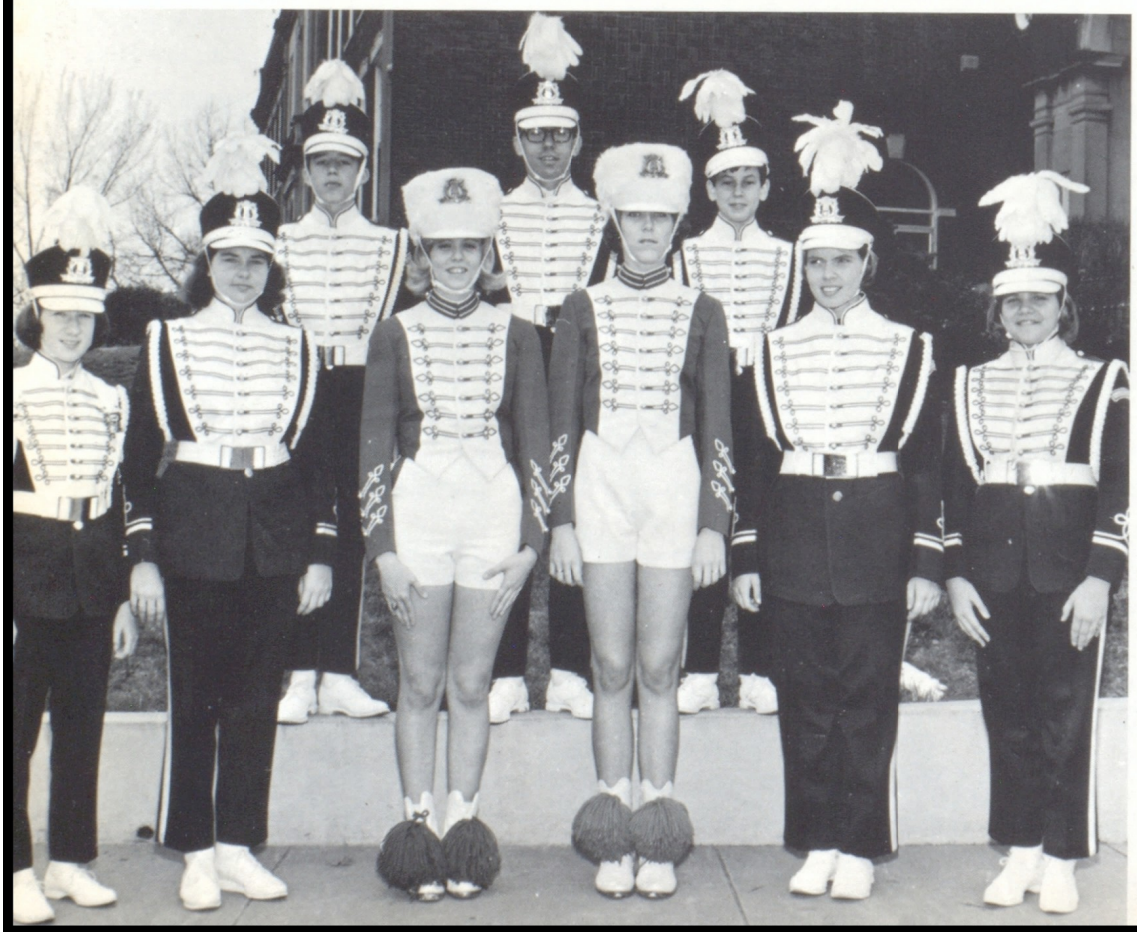

Mr. Gravely also formed the Harrodsburg High School Chorus. The Chorus along with the band members presented an operetta called "Swinging High" under the direction of Mr. Gravely.

Besides Mr. Gravely's work at H.H.S., he also started a band at Burgin High this year.

We all feel that Mr. Gravely has made Harrodsburg a recognized school.

MR. WILLIAM GRAVELY, Director

Band Council

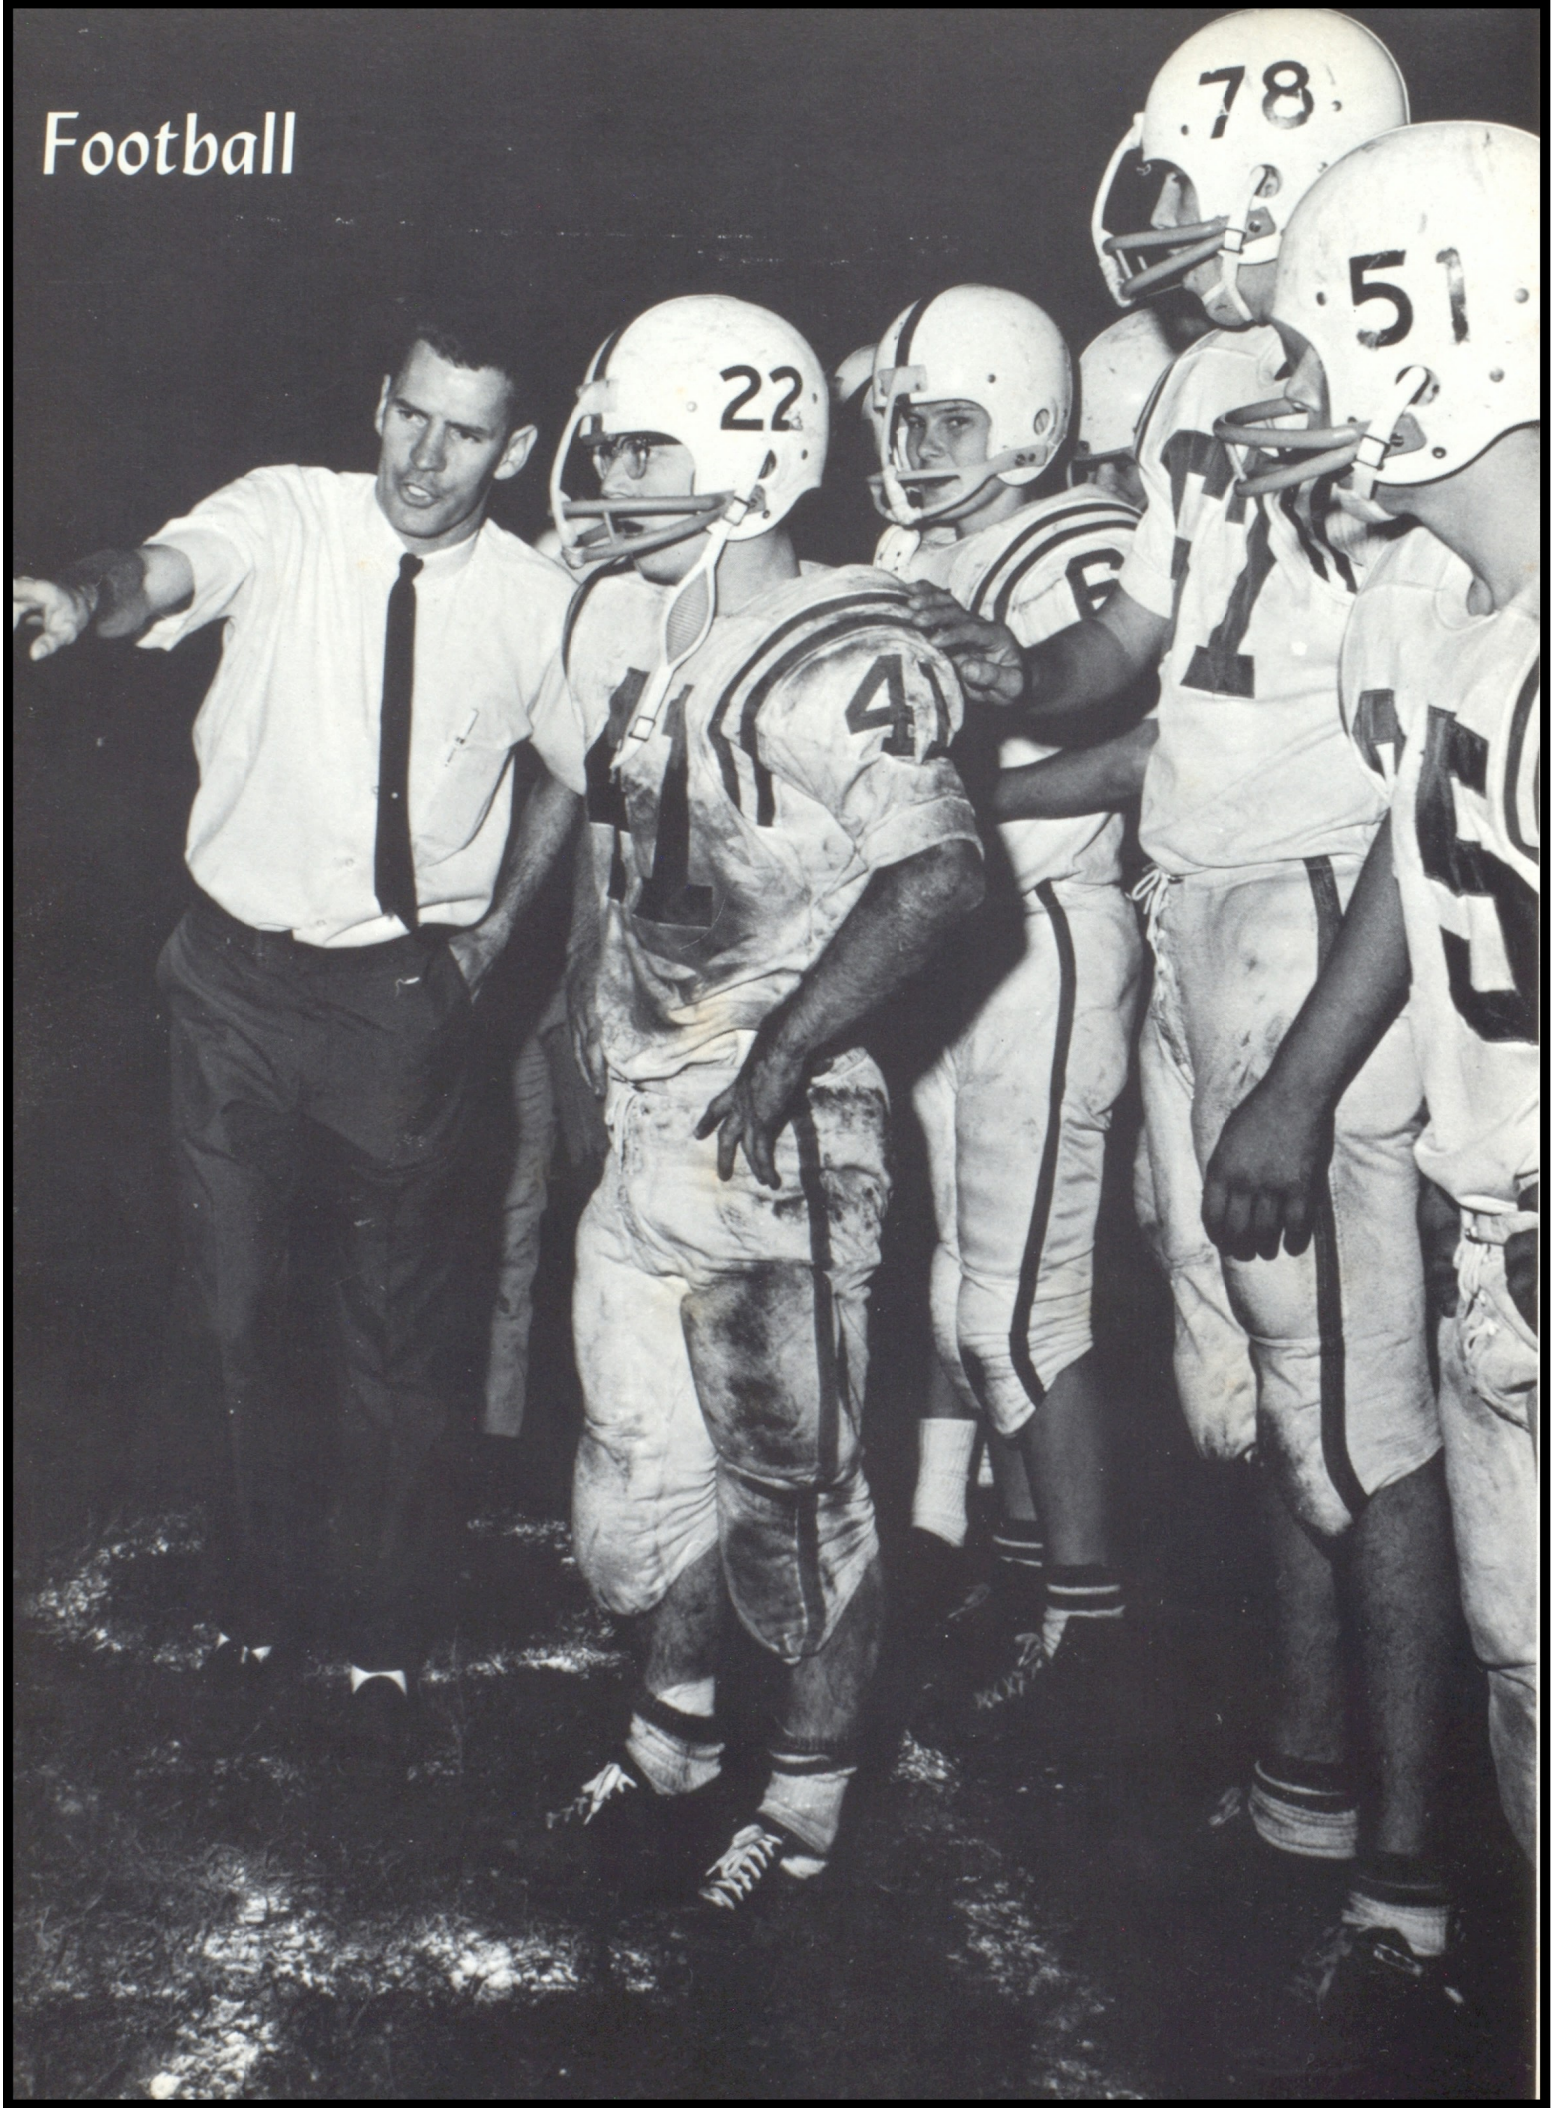

The Band Council consists of twelve members which are chosen by the band members. The council assists Mr. Gravely and band parents in preparation of band tours. Any disciplinary action is brought before the council.

Homecoming Royalty Reigns Over Festivities

October 15, 1965, was a memorable event for Harrodsburg High School students. This was the finale for the preparation that had been going on for the entire week.

In the afternoon parade, the candidates for queen rode with their escorts through town waving and smiling, excitedly awaiting the student body's decision. Behind the candidates were the underclassmen attendants chosen by popular vote by each class. Then followed the class floats, cheerleaders, and band, all adding to the excitement.

The Pioneers after a hard-fought first-half against the Anderson Bearcats took time out for a briefing while the fans took time out for the crowning of the king and queen.

Miss Carolyn Campbell was crowned the 1965 Football Homecoming Queen by King, Tony Young, who had been chosen by the members of the team. The outcome of the game was not in favor of the fighting Pioneers and gave an air of sadness to the affair.

Carolyn continued on to reign over the dance and the Student body. So ended the big event of the football season. Each has his own special remembrance of this activity which can never be taken away by any other event.

Homecoming Queen Candidates

The Queen Candidates were chosen by the members of the football team from the girls of the Senior Class. These candidates were voted on by the student body and the Homecoming Queen was crowned. Miss Carolyn Campbell was crowned Queen and Miss Marguerite Cole and Miss Gerry Culton were Senior Attendants.

During Homecoming week each student has a part to perform. Posters, floats, smiles, yells, and tears are all for the Pioneers.

The Pep Club, sponsor of these events, gives prizes for the winning floats. "Victory" is the word and support makes it easier to achieve. These are the goals of the Pep Club, to give the support to help gain the victory.

The happy, screaming crowd and players hoist Fred Purvis up in the air to cut down the nets the night of the victory in the district tournament.

Coach Gray Predicts Outcome for Game As Students Shout "Battle Cry" for Pioneers

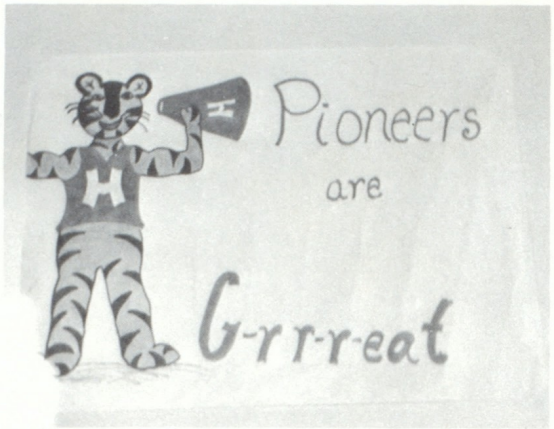

The excitement begins at pep rallies and the players are conditioned for the oncoming game. The coach talks to the student body and gives a prediction for the outcome of the game. The cheerleaders lead the student body in "Battle Cry". During these times this auditorium becomes the "magic room", where the word "victory" is proved positive. Everyone leaves this room to the sound of "On, On Pioneers", knowing that tonight is the night for this magic to go to work.

Pioneers First in District

"Pioneers are Great", and to prove it the players and cheerleaders won the district tournament first place trophies and brought them back to "The Home of the Pioneers". Fred Purvis and Bobbe Sheegog, captains of their squads, present the trophies to the school.

Junior High Football

Casting out the won-loss record, there were several bright spots in the season. Some of the players were very impressive, and with one or two years of experience they should prove to be really fine football players on the varsity squad. There was a lot of spirit and great desire shown. The team possessed all the qualities of a good football squad except experience and knowledge of the fundamentals.

The Junior High Basketball Team had a very successful season, finishing the year with a 21-8 record and a county championship.

This year's team displayed desire and determination through long hours of practice, learning the basic fundamentals of the game. These fundamentals are the most important aspect of the complete high school basketball player.

Junior High Cheerleaders

These cheerleaders start out, as any others, with practice after school and on Saturdays. Filled with spirit, they cheered their basketball team on to win the county championship. During the football and basketball season the girls also sold programs for the varsity and championship games. These activities will prepare them for tomorrow.

Underclassmen

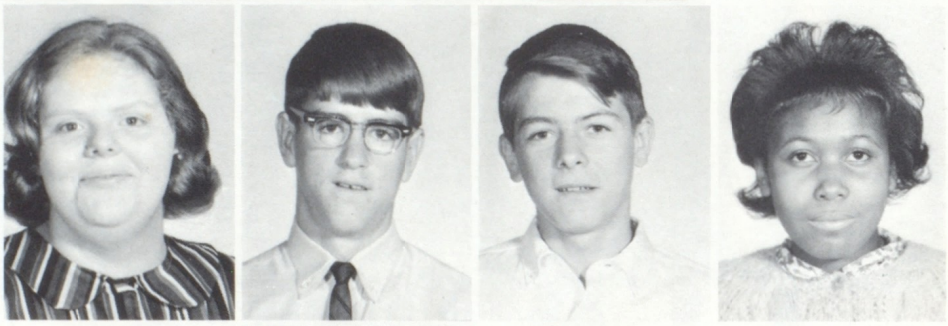

Freshman Class

Freshmen have the hard position of getting used to the high school curriculum and social activities. In order to do this they learn by watching, waiting, and participating with other class members, thus leaving little time for their own activities. Even though this is true, the Freshmen always organize during the Homecoming Week to build a float. This year the Freshmen Class tied for second place with the Seniors with "Time Is On My Side". These people look forward to tomorrow for new activities and on each today as exciting and different from yesterday.

As in every school, the Sophomore year is the awakening and the beginning of participating in school activities. This year the Sophomores sponsored the "Sadie Hawkins Dance", one of the most successful dances held. During Football Homecoming, the Sophomores came through with the winning float, "Help". There were also smaller projects and more plans for the remainder of the year.

Jimmy Best and Charlotte Hourigan were crowned King and Queen of the "Sadie Hawkins Dance" given by the Sophomore class.

Junior Class

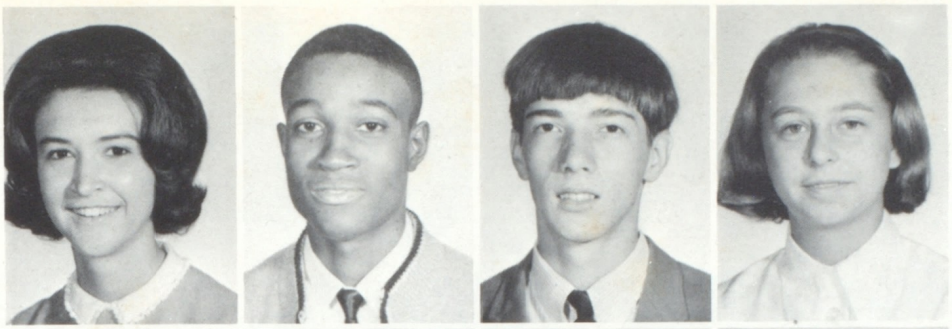

The Junior Class planned, worked, saved, and scraped to give the Seniors one of the most important events of the year--the Junior-Senior Prom.

To begin the many hours of work, the Juniors participated in the Homecoming events. Since the theme for the floats was popular songs, the class chose an appropriate one, "Eve of Destruction."

As time passed the hours were filled with practice for the Junior play, "Arsenic And Old Lace." There were also the bake sales in the halls at school, car washes, the coat check after every home basketball game, and banners, reading "H.H.S. Pioneers," sold. At last the class was ready for the big plans of the Prom! Committees were appointed and each member did his part.

On May 14 all work was ended and the Juniors proudly displayed their year's work in one grand performance. The "Chateaus" supplied the sound for the Juniors, Seniors, and their dates. All decorations represented the sad, age-old saying and theme of the Prom, "Sayonara."

This class began preparation for the future with plans for today. Before Christmas vacation the Juniors were presented with their class rings which were worn proudly, as prized possessions. Tests such as the ACT, SAT, and the National Merit, are another phase of the Junior year and, were taken by some members of the class as provision for college. They will soon step into the Senior's place and realize that the position earned was worth all the completed work.

The Senior year is a time of gaiety, tears, thanks, good-byes, parties, plays, and--graduation. The class votes on the minor superlatives, the annual is started, football season starts and ends quickly just as all other things do. Time passes so fast and the end of your high school career is upon you. Nothing is so exciting, frightening, happy, sad, busy, or boring, as a senior year. Nothing is so wonderful.

George and Emily are in their windows studying and ladies of the neighborhood are talking coming home from choir practice.

Senior Class Presents "Our Town"

"Our Town" is a realization that every moment in our lives is important. The thing is that no one realizes this importance until it's too late. Doctor Gibbs has a talk with his son, George, about helping his mother.

Emily is about to back out of her wedding, but her father consoles her.

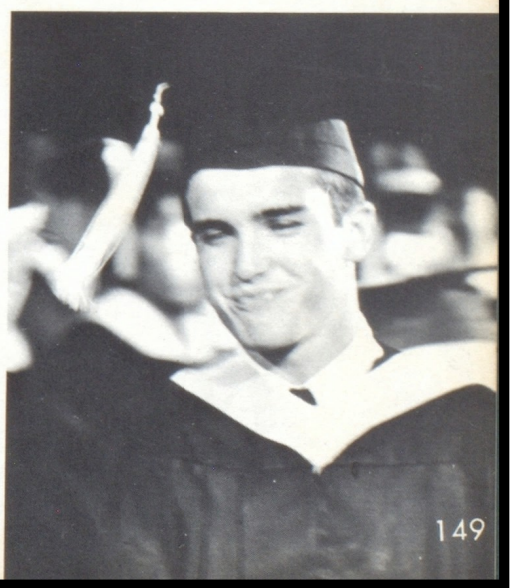

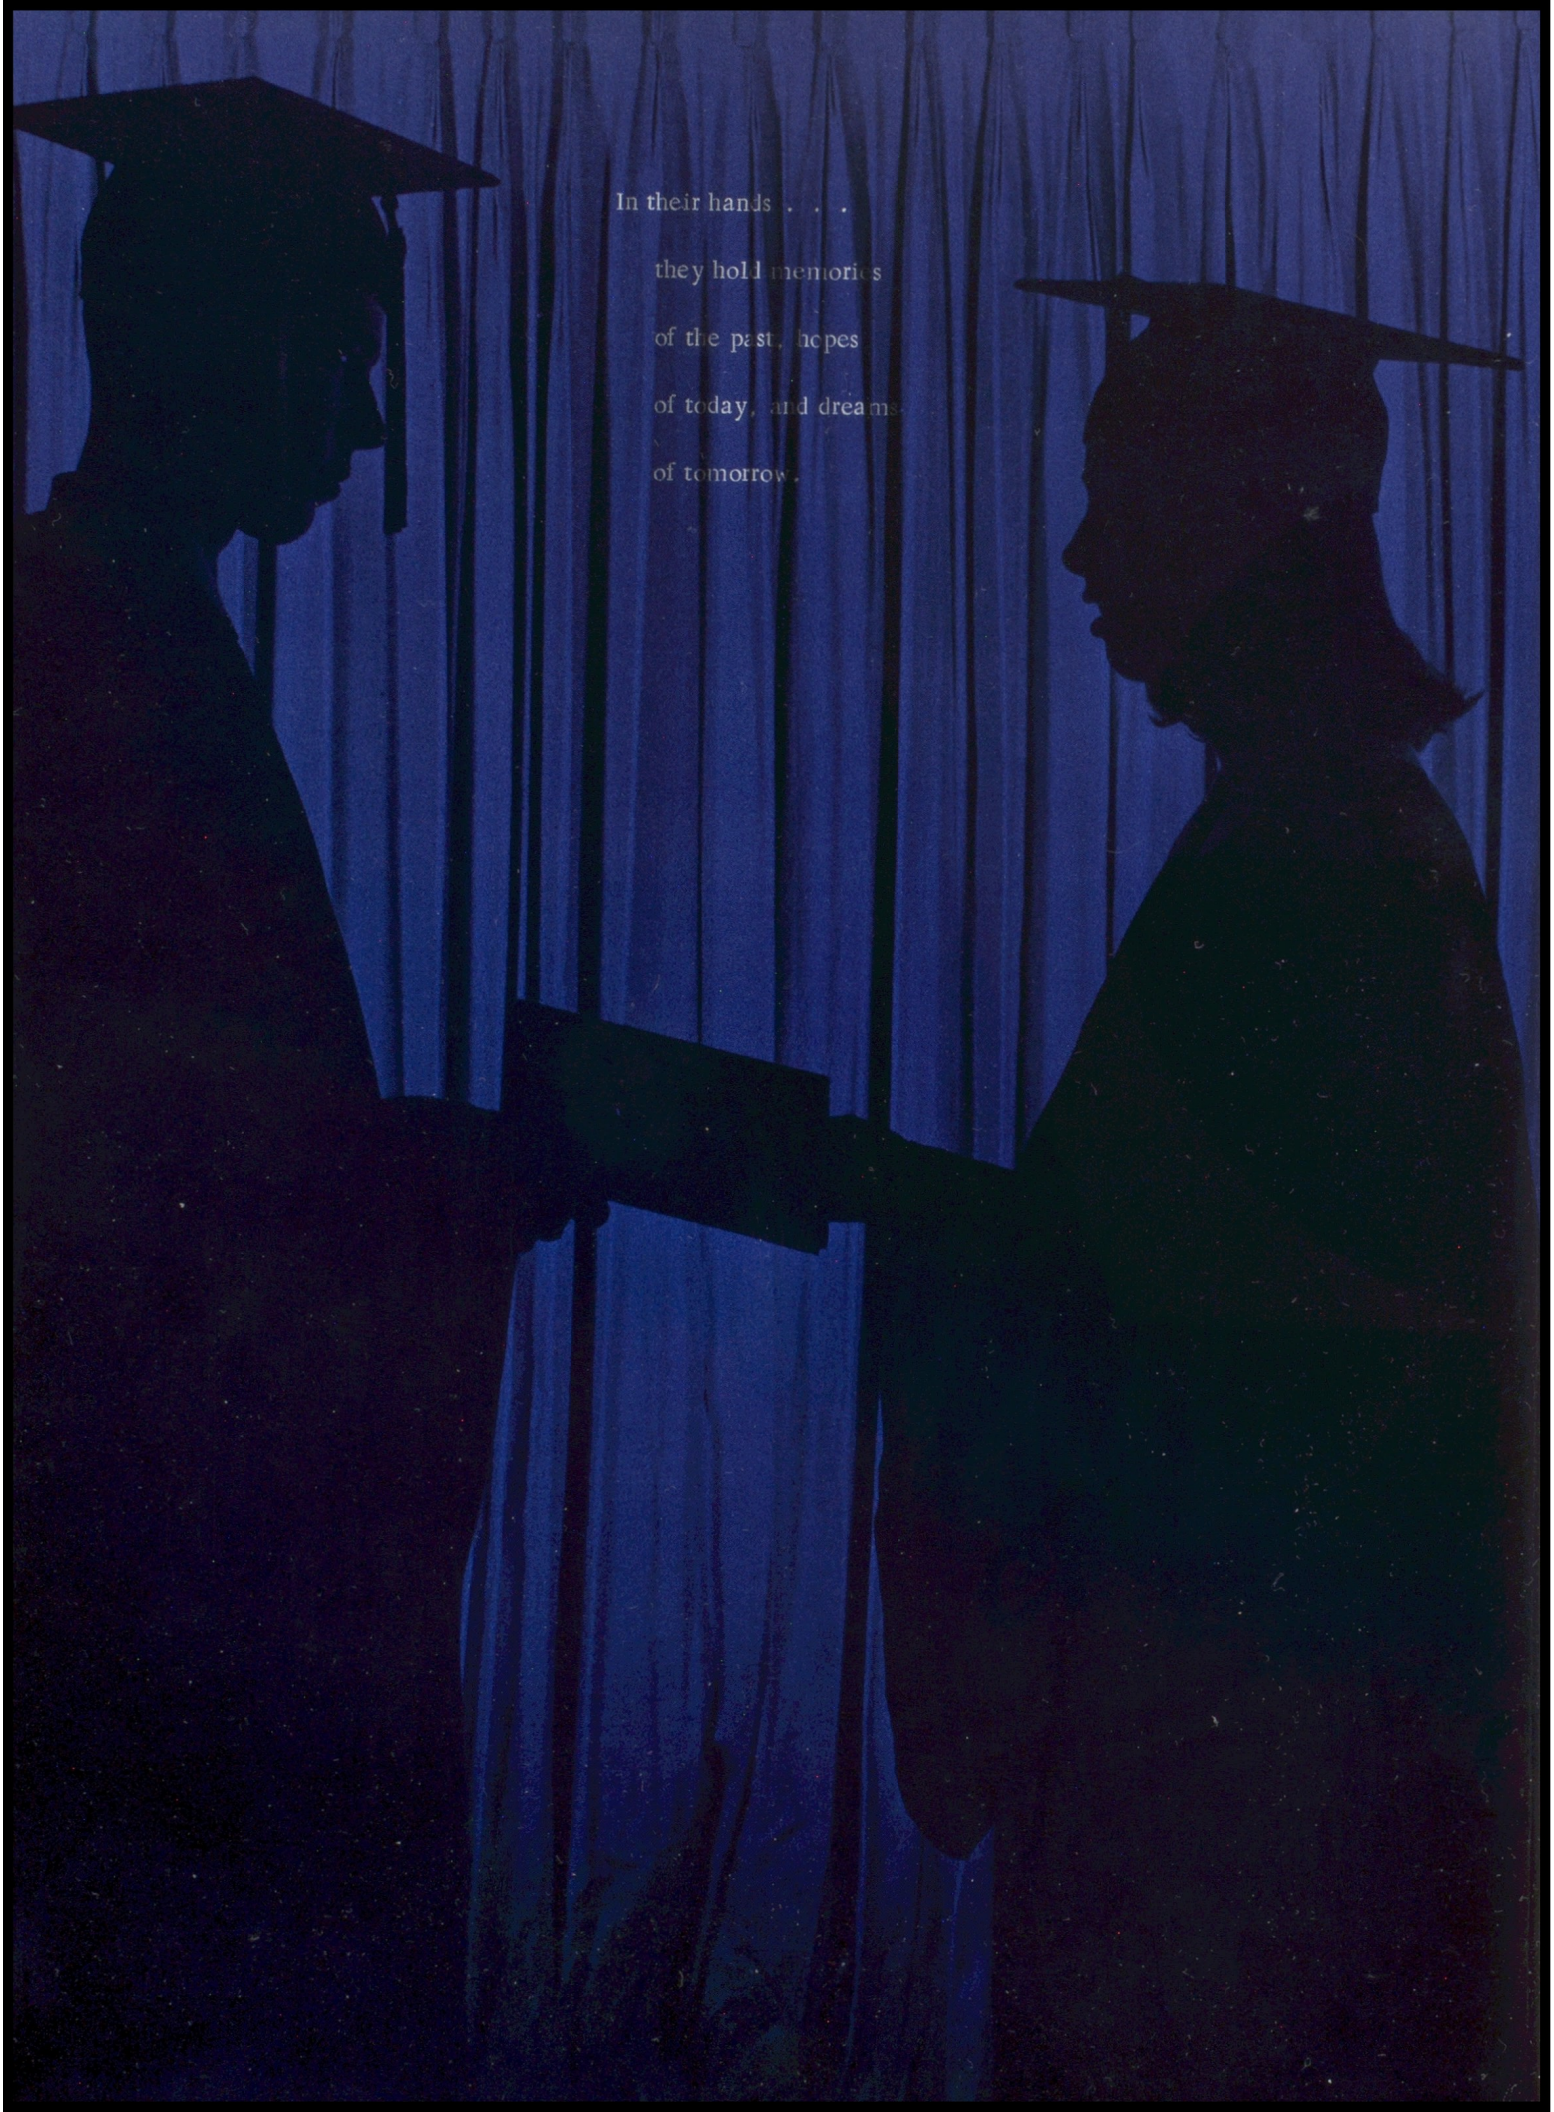

Graduation '66. . . . Moods

In their hands . . .
they hold memories
of the past, hopes
of today, and dreams
of tomorrow.
