

The affiant, S. K. Daugherty, states that Melrose Hurst is an infant under seventeen years of age as he is informed and believes; that she is ~~immature~~ incorrigible; that the said infant has violated a law of this State or Commonwealth in that she shot off a fire-arm in Harrodsburg, Kentucky; and into the house of another or house used as a residence by one Bascom Grigsby;

Affiant states that the conduct of said infant is such that the Honorable County Court should summons the parents of said infant as required by law and that said Court should sit as a Juvenile Court to determine what is best to be done for said infant.
