We do not guarantee our chains, nor do we guarantee that the truck driver will read the tags of directions or attach the chains as directed. Chains do not last long on trucks. Our chains have stood the most severe tests that we can put them to. They have also stood U. S. Government test.

Sample shipments will be accepted for credit only when returned to us by prepaid express in good condition within 30 days from the date of this bill. No credit will be given for used or damaged chains. If truck has no room for chains or clearance, do not attempt to use our chains as they will break.

Our terms are strictly 30 days net. All bills past due will be sent to local attorney of R. G. DUN & Co. for collection.
