Can you get costs reduced
on this and allow us to pay
the account for this Negro?

If you can, please see Allin
and make settlement of it as
easy as you can as the Negro is
a very good hand, good natured and
is working for us regularly.

Send me the attachment or whatever
papers may be necessary for us
to have.

This Negro Dan Bowman is married
makes \$16.50 per week and I do not
believe his wages can be garnisheed or
attached, however, we would pay amt. of account for him.
