

MERCER QUARTERLY COURT

JAMES W. MILBURN

PLAINTIFF

V PETITION

HERMAN SALLEE

DEFENDANT

Plaintiff, James W. Milburn states that the defendant

Herman Sallee is indebted to him in the sum of \$15, the same

being part of the purchase price and balance due on a Chevrolet

Automobile which this plaintiff sold to defendant January 4, 1925.

Plaintiff states amount is past due and unpaid and though demand

has been made upon defendant he has failed and refused and still

fails and refuses to pay said account or any part of the same.

Plaintiff says that this is an action upon a contract

being contract to pay money on the sale of an Automobile; that

said account is just; that he believes he ought to recover the

full amount of said amount, to wit, \$15; that defendant has no pro-

perty subject to execution or not enough thereof to settle and pay

said indebtedness and the collection of the demand will be endanger-

ed by delay in obtaining judgement and a return of no property

found.

Premises considered, plaintiff prays judgement against

defendant for the sum of \$15 for the cost of this action and for

a general order of attachment of defendant's property and prays

further for all other relief to which he may appear to be entitled.
