

In Re;Commonwealth vs Meadows.

Evidence.

Can Prove by DeWitt Tucker. That the horse traded by Meadows was down the night before the trade, and that Meadows had knowledge of same just before the trade.

By Dr.Woods.

That the horse was in his pasture;being placed there by Meadows;when Meadows represented that he had sold same to a stranger.

By Lunsford.-

That Meadows left horse at his house in Shelby City and that he was there when he represented to the sheriff that he had sold the horse.

By Harbeson.-That they were hiding the horse from him.

By Mercer county witnesses--The condition of the horse of the horse and the representations made by Meadows.

See if you cant extract from some of the defendant's witnesses that this organi zation use a hyperdermic needle.
