

Mercer Circuit Court.

S.S.Riley's Admr.

Plaintiff.

Vs. Order.

George Shoemaker &c.

Defendants.

Whereas at the May term of this court in this case an order was entered directing the Commissioner to make to R.M. Mattingly a deed to a certain tract of land sold in this case, and whereas said deed was made in accord with said order and it now appearing that in writing said order there was a clerical misprison in the initials of said Mattingly and in the spelling of his name, it is now ordered that the Commissioner now withdraw said deed and correct the name therein so as to make said deed to R.T. Mattingly. This order is now entered nunc pro tunc, in lieu of the former order directing said deed to be made.
