

Mercer Quarterly Court.

F. D. Haston

Plaintiff.

-v- Statement and affidavit

Homer Cinamon

Defendant.

Plaintiff F. D. Haston states that he is a regularly qualified physician and that the defendant is indebted to him in the sum of \$46.75 for medical services and attention rendered to him and his family as shown in the itemized account filed herewith all of which is unpaid and is past due; that said Homer Cinamon has no property in this state subject to execution and the collection of this account will be endangered by delay in obtaining judgment and return of no property found; that he has promised to pay said sum but has failed to do so; that said sum is just and he believes he should recover of the defendant the full sum of \$46.75 with interest and costs of this action.
