### ARE YOU FORTY?

If you are, perhaps your eyes are crying out for extra help when you read fine print. Have your eyes examined. Then, if bifocals will help you, ask us about the new type that is so much more comfortable for your eyes—the modern, Full-vue bifocal, that reduces the uncomfortable "jump" of vision found in ordinary bifocals and avoiding "rainbows" before your eyes.

and family were the guests of Mr. and Mrs. H. J. Burns Sunday.  
**Iron Will Burn**  
Iron will burn, but at a very high temperature. It burns freely in pure oxygen, but oxidizes very slowly in air and produces a very small amount of heat.  
**Dishes Highly Valued**  
China plates and dishes are considered objects of the highest value in Ceram, an island of the Dutch East Indies.

**Diszy Bridge**  
Among the hazards of bridge-walkings is a chasm in Peru that is spanned by a narrow roll bridge swings on wire cables. Nervous travelers are often blindfolded, strapped on a stretcher and carried over the swaying path.  
**Indians Victims of Tuberculosis**  
Calling tuberculosis the "killer of the Indian race," a health official finds this disease ten times as prevalent among North American Indians as among white persons.

## GENERAL ELECTRIC REFRIGERATOR

You can always depend on a G-E Refrigerator! and it costs less to own!

### G-E THRIFT-UNIT Now Serves More Homes Than All Other "Sealed" Refrigerators Combined

You'll need no "gadgets" to insure against food spoilage worries with a General Electric. The famous G-E sealed-in-steel mechanism has kept the temperatures in General Electric all-steel cabinets always below 50° for years. And a stainless steel super-freezer provides extra cold temperatures for fast freezing of ice cubes.

### Now "Double the Cold" with Even Less Current Than Ever

General Electric developed the first sealed-in-steel mechanism nearly nine years ago. Its unmatched dependability and low cost have been proved in nearly 2,000,000 homes. Basically unchanged but constantly improved, the General Electric Refrigerator is now even thrifter than ever. Every minute of every day somebody buys a General Electric.

### See the New G-E Models Today!

You will, of course, find all modern convenience features in General Electric Refrigerator cabinets, including sliding shelves, interior lighting, vegetable drawer, temperature control and defrosting switch.

G-E originated 5 Years Performance Protection and backs it with 50 years electrical leadership.

General Electric's exclusive FORCED-FEED LUBRICATION and OIL COOLING mean quieter operation, longer life and lower operating cost.

\$5 DOWN will install a G.E. Refrigerator in your home
