DOCTORS LAUD SULPHUR FOR ARTHRITIS CURE

This Cure Emphasized At National Convention of American Chemical Society at Kansas City.

EMINENT DOCTORS EXPLAIN REASONS FOR ITS BENEFITS

Graham Springs Has Best Water in U. S. For Sulphur Treatment By All Tests Made.

Of interest to Harrodsburg people is the fact brought out by two eminent physicians at the meeting of the American Chemical Society at Kansas City, that sulphur plays an important part in the cure of arthritis. Graham Springs, in this city, is making some wonderful cures by this same treatment. Tests of the mineral water shows it the best for this purpose in the United States.

Arthritis causes more prolonged suffering and greater economic loss than any other chronic disease. It is one of the oldest afflictions known to medical science. Traces of this disease have been found in fossils of prehistoric ages. Egypt, Greece and Rome all were victims of the ravages of this disease.

Today rheumatic diseases cause an estimated expenditure of more than a hundred million dollars annually and far greater amount is lost to industry by the loss of time of these patients.

Heart disease, "The Captain of Death," is, in a great percentage of the cases, caused by a rheumatic infection.

At the American Chemical Society meeting just closing in Kansas City, attended by thousands of physicians and chemists, a paper was read by two of the pioneers of Sulphur Therapy, Dr. M. X. Sullivan, and Dr. W. C. Hess, of the Chemo-medical Research Laboratories, Georgetown University. They discovered that arthritis is from thirty to fifty percent deficient in sulphur. The discovery was made by testing the finger nails of arthritic for sulphur against the finger nails of people without arthritis as controls. This normal body sulphur unites with poisonous materials and carries them out of the system. In time this depletes the body of sulphur which causes arthritis to develop either by the lack of sulphur or by the poisonous materials having a free hand in the body thereby damaging the joints.

The same investigators found by replacing the sulphur in the system by sulphur treatments that the finger nail sulphur became normal and that the patients markedly improved. Swelling, pain and stiffness were relieved and they enjoyed a (Continued on Editorial Page)

MANY TO ATTEND ONWARD KY. MEET

Civic Groups Sponsor Large Local Delegation to The Louisville Meeting.

A committee was appointed by the April Committee of the Mercer Chamber of Commerce and the Lions Club when they met in joint session Tuesday night to secure as large a delegation as possible from Harrodsburg to the "Onward Kentucky Movement's" Luncheon meeting at the Brown Hotel in Louisville at 12:30 this afternoon.

W. B. Morris, chairman of the April Committee, and his group has voted to assist the local Woman's Club in entertaining the State Federation of Women's Clubs which will have its meeting here May 13, 14, and 15.

Among those from Harrodsburg who planned to attend the "Onward Kentucky luncheon are: Col. James L. Isenberg, Douglass Curry, D. M. Hutton, Price Johnson and Mrs. Johnson, Mrs. Maurice Watts, William B. Morris.

W. W. Ensminger, Mrs. Ensminger, Judge C. A. Hardin and Mrs. Hardin, J. K. Powell, Hon. James I. Peters, J. E. Brown, Charles Sullivan, Sr., Charles Sullivan, Jr., George W. Edwards, Glenn Keightley, Mrs. D. L. Moore, Mrs. S. O. VanArsdale, Mrs. Minnie Ball Biggert, Judge C. T. Corn, Harry Blanton, Capt. Bacon R. Moore and Mrs. Moore.

FREE "POWER FARMING" MOVIES TO SHOW ON SAT.

Free sound movies, portraying new facts and new ideas about power farming, will be shown at the Power Farming Show to be held Saturday afternoon, April 25, at 1:30 at the Farmer's Store, Chiles and West Broadway.

There will be a chance to see the latest McCormick-Deering tractors and equipment at the same time. With new crops in the offing this program plans to give well rounded information that will help farmers work to best advantage.

Demonstrations and educational discussions will round out the program. Everybody is invited.

Sing, Jean, Sing

Above is youthful Jean Phillips, operatic coloratura, who is being sponsored by the famed Lily Pons of the Metropolitan and presented in a recent recital in New York.

SHAKERTOWN GIRL TO GRADUATE FROM MIDWAY

Miss Anne Phillips, of Shakertown, will be one of the 41 girls to be graduated from the Kentucky Female Orphan School, at Midway. Miss Phillips is attending the school on the memorial scholarship to President John Augustus Williams, of Daughters College, an institution for girls formerly located here. The scholarship is provided by the Daughters College Association, composed of former pupils of the famous old school.

MARY FRANKLIN ACQUITTED

Mary Franklin, teacher in the Negro school at Burgin, was acquitted at her hearing in county court Saturday and the charge of cruelty in punishing a pupil, Herman Bradshaw. The charge was dismissed.

WAYNE CO. GIRL WINS STATE BEE

Mercer's Champion Speller is Eliminated in Written Contest But Enjoys Trip, Awarded Dictionary.

Margy Carpenter, Mercer county's fourteen-year-old champion speller, lost in the written contest in the state spelling bee in Louisville, April 16, and the highest honors were won by Kathleen Koger, eleven-year-old contestant from Wayne county, whose mother had been her spelling coach. Margy, however, enjoyed her trip and was awarded a copy of Webster's New Deal Dictionary, besides the prize money and honor in the home contest. She is a pupil of the Rose Hill school, which is very proud of her, and the daughter of Mr. and Mrs. F. D. Carpenter.

In the statewide bee Robert Anderson, of Fayette county, won second and Maxine Murphy, of Casey county, third.

Anderson, 13 and in the eighth grade, misspelled "pollination," and shortly after Maxine, 11-year-old seventh grade entrant, had failed on "hibernation."

Kathlene, who is 11 and in the seventh grade, correctly spelled the word Anderson had missed and then spelled the next word, "propagation," to win the title.

ANNUAL GARDEN DAY WILL BE HELD AT U. K. MAY 8

Annual garden day at the University of Kentucky will be held Friday, May 8, at Maxwell Place, at 2:00 in the afternoon, according to plans made by a joint committee from the Lexington Garden Club and the University of Kentucky at a recent meeting at the University.

The botanic garden committee also announced that a distinguished speaker would be obtained for the garden day program, which will consist of one main address and a round-table, led by horticulturalists, on the subject, "The Winter Injuries to Plants and Shrubs, and What to Do About It." N. R. Elliott, professor of landscape architecture and floriculture of Kentucky and chairman of the botanic garden committee, will preside at the garden day program.

Following the address and the round-table, the guests will be invited to make a tour of the botanic garden at the university, returning to Maxwell Place where President and Mrs. McVey will entertain with a tea. Invitations for the garden day events will be sent out within the next ten days.

WORTHWHILE BOOK ON KENTUCKY PIONEER DAYS

"The Transylvania Colony," a valuable history of early Kentucky, interestingly written by Dr. William Stewart Lester, has been received at the Pioneer Memorial State Park. The book includes much of the pioneer history of Harrodsburg and Boonesboro. Dr. Lester is Professor of History and Social Science at Kentucky Wesleyan College, Winchester. He spent several years in research before writing the book which contains about 300 pages. The book is on sale at the Park.

FARMERS LIKE SOIL PROGRAM

So Many Mercer Land Owners Adopt Federal Plan, Co. Agent Gets Extra Office Force.

In an interview with County Agent C. F. Park, he stated that the Soil Conservation Program in Mercer county is now progressing nicely following educational meetings held in each of the five districts.

Extra clerical assistants have been added to the office personnel and they are now making out work sheets for all farmers who call at the county agent's office in the Post Office Building.

Mr. Park wishes to make clear that no payments will be made under the Soil Conservation Act on farms on which no work sheets have been made.

No definite date has been set for the closing of this work, but it is understood that it will be around May 15. Farmers should bring with them, when calling to make out the necessary forms, a list of their cultivated and grass acres on their respective farms in 1935.

Methodist Conference At Somerset Closes

The Danville District conference of the Methodist Episcopal Church, South, closed a two-day session at the Ferguson Methodist Church, at Lauretha, in Pulaski county Wednesday.

The following were recommended for admission on trial in the Methodist annual conference as preachers: Fred Pruitt Jones, Wilbur Smith, Robert Green and Russell Lee. The following men students at Asbury College were licensed as local preachers: Leonard Wolcott, Elmer Morgan, Drew Wolcott, James Tucker, George A. Powell, Russell Lenox, Robert Wetzel, Kenneth Birney, Walter Dean, Benjamin Whaley and Ralph Yarbrough.

Among those elected delegates to the annual conference were Mrs. J. H. Spilman and W. N. Brown, Harrodsburg; L. P. Pickett and W. S. McGuire, Wilmore; W. B. Gragg and J. H. Gibson, Somerset; N. I. Taylor, Burnside; S. A. Marks, Middleboro; J. F. Nelkirk, Ferguson, and G. B. Lowery, Corbin.

STUDY DEPARTMENT ELECTS OFFICERS

The following officers were elected by the Study Department of the Woman's Club at its annual business session Friday afternoon: Chairman, Mrs. D. M. Hutton; vice chairman, Miss Ora McCoun; secretary-treasurer Mrs. Lee Smock.

DR. C CLINGMAN BECOMES BISHOP

Consecration Rites in Louisville For Successor To Bishop Woodcock, Who Resigned Ky. Diocese.

Three Episcopal prelates Wednesday consecrated the Rev. Dr. Charles Clingman as bishop of Kentucky in solemn services at Christ Church Cathedral, Louisville.

Before Episcopal leaders, both churchmen and laymen, 11 ranking bishops of the church participated in the consecration. The ceremony was the third in the history of Kentucky and the second in the church.

The highest ranking Episcopalian in the country, Presiding Bishop J. deWolf Perry, of Providence, R. I., served as consecrator and the Rt. Rev. Charles E. Woodcock, who retired after 31 years as bishop of Kentucky, and the Rt. Rev. Lewis W. Burton, of Lexington, also retired, served as co-consecrators.

Bishop Clingman, who is a native of Kentucky, plans to return Monday to Birmingham, Ala., where he formerly was a rector, to complete plans for moving his family to Louisville. Bishop Clingman succeeds Bishop Woodcock who resigned some months ago because of increasing years.

Leaf Compact Bill Sent to White House

At Washington Wednesday the House agreed to Senate amendments to the tobacco States compact bill and sent it to the White House.

Tobacco growing States would be authorized to enter into agreement for interstate co-operation to control production.

The Senate passed the bill yesterday, amending it to prohibit price fixing and the establishing of production monopolies by the States.

The bill gives Congressional consent for compacts among the flue-cured, burley and dark fire cured tobacco growing States of Kentucky, Tennessee, Virginia, North Carolina, South Carolina and Georgia. A compact for any other type of leaf by any other state would have to be approved by Congress.

Prior Congressional consent was given the flue-cured, burley and dark fire cured States to make it possible for a compact for these types of tobacco to become effective this year.

YOUNG CHURCH GROUP NAMES NEW OFFICERS

The following have been elected officers by the Senior Young People's Group of the United Presbyterian church: President, Miss Margaret Moore; vice president, Mrs. Sara Virginia Rankin; secretary, Miss Caroline Smith; treasurer, Robert Ensminger.

"The Land of Tomorrow" Hon. Lorenzo K. Wood, Louisville,
State Director National Emergency Council.

GENERAL DISCUSSION

Benediction The Reverend Hampton Adams, Frankfort
Pastor of the Christian Church

BEST KENTUCKY SPELLER

As winner of The Courier-Journal State Spelling Bee, held as a feature of the Kentucky Education Association in Louisville, Kathleen Koger, 11, Parmleysville, Wayne County, will go to Washington to compete Tuesday, May 26, in the National Spelling Bee. Kathleen was the smallest of the approximately 100 city and county champions who took a 50-word written test held during a morning session. She handed in a perfect paper and then spelled perfectly for three hours during an oral match in the afternoon; while forty-three opponents who made the highest grades in a written test were falling by the wayside. Kathleen, seventh-grade pupil, has selected her coach and mother, Mrs. Willie Koger, as her chaperon for the Washington trip. Thirty-six other spellers received awards from The Courier-Journal, ranging from \$100 to \$5.

STATE RESTOCKS LAKE WITH BASS

Thousands Of Fingerlings Being Transferred From Rearing Ponds Into Herrington Waters.

Herrington Lake has received a new supply of thousands of fingerling bass, which were dumped into the water last week by the State Game and Fish Commission, in conjunction with the Boyle county Game and Fish Protective Association. The work is designed to keep up the supply of fish in the lake and continue it as one of Kentucky's chief sport centers.

Between 3,000 and 4,000 fingerlings have already been transferred from rearing ponds to the lake, and the work is continuing until all the rearing ponds on the list to be seeded are emptied of their supply. The seeding crew is in charge of R. J. H. Spurr, of the State Game and Fish Commission, and the work will continue for several days longer. The average length of the transfer fish is four inches.

Brood bass will be taken to the two floating fish hatcheries for the spring spawning. These hatcheries, designed by Curtis Allin, Harrodsburg, in conjunction with Max Lattimer, Danville, are located at Gwyn Island and Kennedy's Bridge. All the fish used to replenish Herrington lake are taken from ponds and rearing places in this region and are not brought in from other places.

It is estimated that 38,000 were transferred to the lake last October and September.

AT WOMAN'S DEMOCRATIC MEETING AND RECEPTION

Those from Harrodsburg attending the convention of the Women's Democratic Clubs in Frankfort Friday and the reception given by Gov. and Mrs. A. B. Chandler, were: Mrs. Vaughn Strader, chairman of the Woman's Democratic Club of Mercer county; Mrs. Charles A. Hardin, Mrs. W. T. Latta, Mrs. Roy Bond, Mrs. J. Herman Allen, Mrs. D. L. Moore, Mrs. S. O. VanArsdale and Mrs. Minnie Ball Biggert.

Miss Josephine Harrison, who recently went to Frankfort to accept a position, was also at the reception and the meeting which was addressed by Sen. Alben Barkley and Gov. Chandler.

MISS GRITTON HONORED WITH STATE PRESIDENCY

Miss Naomi Norton Gritton, daughter of Mrs. William Gritton, who attends Kentucky Eastern Teachers College, at Richmond, was elected state president of the Student Home Economic Club for year 1936-1937 at a meeting held Friday, April 17th at the Architects & Builders Exhibit Building, Louisville.

MRS. STOTTS REFUSES AUCTION BID FOR HOUSE

The six room frame dwelling on East Office street, offered at public sale Tuesday by the owner, Mrs. Tillie Stotts, was taken down at a bid of \$3,225. The residence is centrally located within less than a square of Main street. There were several bidders.

TWO KILLED, TWO HURT AS MOTOR CRASHES TRAIN

Fred Harlow Dies Instantly; Charles Baker Succumbs Monday At Hospital.

BROTHERS, WILLARD AND CLAUDE YEAST, INJURED

Coroner Believes It To Be The Worst Auto Accident Ever In Harrodsburg.

Two men were killed and two more injured as the result of a crash of the car in which they were riding with a Southern Railway freight train at the College street crossing at 2:10 Sunday morning.

Fred Harlow, 37, who died instantly, suffered a fractured skull and cuts on his face and leg.

Charles Baker, 28, died at 10 o'clock Monday morning at the A. D. Price Memorial hospital where he had been taken with severe head injuries, an ear practically torn off and other hurts.

Willard Yeast, 21, driver of the car, suffered a broken leg, bruises and lacerations while his brother, Claude, 19, escaped with a broken tooth, injured eye and bruises.

According to testimony brought out at the inquest conducted Sunday morning by Coroner Glave Sims, the four men ran head-on into the moving freight train at the corner of College and Factory streets. Claude Yeast said they left Sanders' Pool Room at 2 o'clock and were on their way home when the accident happened.

The men had had another wreck about 9:30 Saturday night. A wheel, damaged at that time had been repaired by the Glave Sims Motor Company.

James Bryant, negro, who witnessed the accident, testified that the automobile was going about fifty miles an hour and the train, which had stopped to take on a poultry car at the plant of the Harrodsburg Ice & Produce Company, was moving off slowly.

The automobile struck between the tenth and eleventh cars on the freight and the trainmen were unaware of it until Bryant hopped on the train and ran along the top of the box cars, calling to them to stop.

The demolished automobile and its occupants were dragged a square, from College to North Main before the engineer stopped the train.

Funeral services for Harlow were held Monday afternoon at Bruner's Chapel. Burial was in the chapel cemetery. The services for Baker were held at 2 o'clock Tuesday afternoon at the Providence Presbyterian church and he was buried in the Providence cemetery.

FILES SUIT TO CONTEST WILL

Burch Brothers, Relatives Of The Late Mrs. John H. Curry Sue To Break Her Will.

Seeking to contest the will of the late Mrs. John H. Curry, her relatives, McAfee W. Burch, and James Drummond Burch, Austin, Texas, have filed suit through their attorneys, to come before the May term of the Mercer circuit court. The suit names as defendants, T. Curry Dedman, administrator with the will annexed; Miss Bessie Dedman, Miss Nell Dedman, Mrs. Betty Knox, all of Harrodsburg; Mrs. Jamie West Rodgers, of London, Ky.; The Presbyterian Orphanage at Hyden, Ky., all named as beneficiaries in the will of the late Mrs. Curry.

The document probated January 6, 1936 as the will of Mrs. Curry was in her own handwriting and on letter paper. The suit claims it was not the true will and that she died intestate.

CHANGES IN PLANS OF WOMAN'S CLUB

A few changes have had to be made in committees and social plans for the Federation meeting in Harrodsburg, since the names of those on the committees were printed on another page in this paper. When unexpected matters came up that made the changes necessary, it was too late to correct them in the paper, so they will be announced later.

HONOR FOR RALPH CHERRY

Ralph Cherry, of the Harrodsburg high school faculty, was initiated into the Kappa Delta Phi, honorary educational fraternity in Louisville last week. This is quite an honor for Mr. Cherry as he is one of five invited to join this year.

MR. ST. JOHN VERY ILL

Friends of Mr. W. E. St. John, who left here some months ago to be with his sister, Miss Ollie St. John, in Sheldon, Mo., will regret to learn that he is seriously ill, according to word reaching here from Miss St. John.
