CLASS HISTORY

Crash! Bang! There goes a Freshie falling down the stairs. That's the ways our class of thirteen members started out in the fall of 1941. During this year Glenn Ransdell moved from our small group and Delmer Freeman left to be a farmer. "Bo" Fallis also left but Elizabeth Brown came from Harrodsburg. This added one new member to take the place of those we had lost.

Entering our Sophomore year we again started out with a loss of two members, leaving eleven. Doyle E. Sanders and George Omer Moore left our small group and went their way, and later, Litsey Sanford became a prospective farmer.

At the beginning of our Junior year in 1943 we had a new member, L. P. Perkins, who after the first semester moved to Harrodsburg. Later on a new member, Mary Alice Driskell, took the place of Elizabeth Freeman, who moved to Harrodsburg.

And now the curtain falls on our last year of high school. We started this out with two new members , Imogene Thompson from Beech Groove, Indiana, and Haldon Robinson from Fairview, leaving the group of ten members.

CLASS WILL

We, the Senior Class of 1945, leave our last will and testament as follows :

First, we leave to the Junior Class our few privileges, and also the mirror which was left us by the Class of '44.

Second, we leave to the Sophomores our good grades and good looks.

Third, we leave our good times to the Freshmen, who will probably need them before they reach their Senior year.

Fourth, we leave the following things to certain individuals:

Margaret Beasley leaves to Jane Garriott her privilege of walking home from school with certain boys.

Elizabeth Brown leaves her ability to see a uniform a mile off to Hazel Cosby and hopes Hazel can see as well as she can.

Aileen Goodlett leaves her ability to get along with the teachers to Kathleen Gregory.

Elizabeth Morris leaves to Ann Dawson her good grades in English.

Imogene Thompson leaves her quietness to Wilma Wooldridge and wishes Wilma to be as quiet as she has.

Mary Alice Driskell leaves Mary Frances Bell her privilege of going to Salvisa the fourth period in the morning.

To Vernette Thompson, Rose Robinson leaves her privilege of telling what her love letters contain, during class.

Dorothy Currens leaves her privilege of writing notes during class and study periods to Aileen Goodlett and her friends.

Haldon Robinson leaves to Jack Garriott his privilege of staying in the candy office with the girls.

R. H. Gash leaves his jokes and teasing the girls to Berry Sims and he is sure Berry will carry out what he has started.

This concludes our will and we hope that the above mentioned people will carry out our wishes.

Signed:

THE CLASS OF 1945.

CLASS PROPHECY

Bong! Station 1 - 9 - 4 - 5. Hello, ladies and gentlemen. Keep tuned to this station for a splendid program telling you the future of the seniors of 1945.

A report from the White House lawn says R. H. Gash has been elected as President of the United States. After ten terms in office, Mr. Roosevelt was finally defeated by this amazing young man. Celebrities from all over the world are trying to get a glimpse of President Gash and his wife, the former Wilma Wooldridge.

Here in a large hospital we see a short doctor. She is working patiently with a child. She is good looking in that uniform; why yes, that is Elizabeth Brown.

Next I see a girl typing. There is a good looking boss standing over her, but she doesn't seem to pay any attention to men; of course you know that is Elizabeth Morris.

That preacher really does tell the people, even if he does have to wake a lot of them out of deep dreams. Yes, his name is Haldon Robinson.

Mary Alice Driskell, do not be too strict on those Freshmen girls, because you must remember you have had your fun.

There is a new Baptist preacher , and look at his wife. She is the former Margaret Beasley.

There is an attractive housewife making lemon pies. It is Imogene Thompson cooking supper for her husband, Lyle Whitaker.

The Louisville Store is enlarging its business daily. It has a new manager, Dorothy Currens.

Here is a happy home, and the mother is laughing so it must be the former Aileen Goodlett.
Wonder why the Mercer County schools are progressing so rapidly? It is no wonder! Rose Robinson id the new superintendent.

Now, ladies and gentlemen, I return you to station W - H - A - S.

CLASS POEM

As we are leaving Salvisa School,
There are many thoughts we'd like to re-new
Of all the good times we have had
When we thought our lessons were so bad.
So just to have a little fun
We've written a rhyme about each one.

Look at those dimples, Man, Oh, Man!
Talk about yelling, she sure can.
This is MARGARET BEASLEY, as you see
She's always happy as can be.

ROSE ROBINSON is never a flirt,
Neither does she gossip, nor spread dirt,
She has no lines or clever tricks,
When it comes to boys she hasn't any picks.

DOROTHY CURRENS is never lazy,
She always looks just like a daisy.
She is the youngest in the class
And never talks about her past.

She's always good, always nice,
She doesn't play poker or shoot dice.
AILEEN GOODLETT this surely is,
She is one of those swell kids.

ELIZABETH BROWN stays up late
Learning how to catch a mate.
When things are getting tough,
She uses her powder and puff.

This is the girl who attended the D. A. R.
Her boy friend plays a guitar.
MARY ALICE DRISKELL this is bound to be,
Because we know she attended the tea.

"I wouldn't say that", is her line,
It surely does click all the time.
IMOGENE THOMPSON never goes wrong,
As long as she is singing a song.

ELIZABETH MORRIS, one of our senior girls,
Always has her hair in curls,
Always has a happy smile
Which makes her days worthwhile.

R. H. GASH is very funny,
He also spends lots of money.
He tells jokes that make you blush,
On a sophomore girl he has a crush.

When we call him "Sartsifee" we aren't mean,
Everyone knows HALDON ROBINSON is keen.
With his voice and guitar, he's eight to the bar.
When his Daddy isn't looking he smokes a cigar.

To all our teachers we would like to say;
"Of all the things you've done for us,
We won't be able to repay.
But as we say our last fare-well,
Remember in our hearts we hold you dear".

CLASS SONG

TUNE

"OUR DREAMS ARE GETTING BETTER ALL THE TIME"

Wha' d' you know, we're the class of 1945,
Our days are getting shorter all the time.
Wha' d' you know, we've got to go
And leave you all behind,
Our hearts are getting sadder all the time.
Parents, teachers, and our friends,
We're leaving you behind;
We've had our fun, we've got to run
So now we're saying good-bye.
Senior plays and all our fun that we have had this year
Make us think of later days to come,
Tears and sighs and memories that we have cherished
so dear
Make us wish that we had another year.

Jolly Juniors, we leave to you our ability to sing
And write your class song half as good as ours.
And to you Sophomores we say adieu,
And here's good luck to you
In every little task that you perform.
Freshmen, Sophomores, Juniors, all, we say again to you
We'll not be back again this fall
But you'll carry through.
Freshman ones they call you green
But we don't agree to that
You're just as swell as anyone else we know
And in the future years to come, when time is slipping
by

Don't forget the Class of 45.
