Dedication

Mr. Ferrell, Mrs. Peavler, Miss Asher, Mrs. Jones, Mrs. Gritton, Mrs. Hatcher, Mrs. Parson, Mrs. Woods, Miss Dickerson, Mrs. Stuart, Mrs. Killian, Mrs. Whitehead, Mrs. Gill, Mr. Pinkston, Mr. Blankenship, Mr. Gill, Mr. Rowe, Mr. Brooks, Mr. H. Whitehead, Mr. Black, Mr. Pittman, Mr. Longo, Mr. D. K. Whitehead.

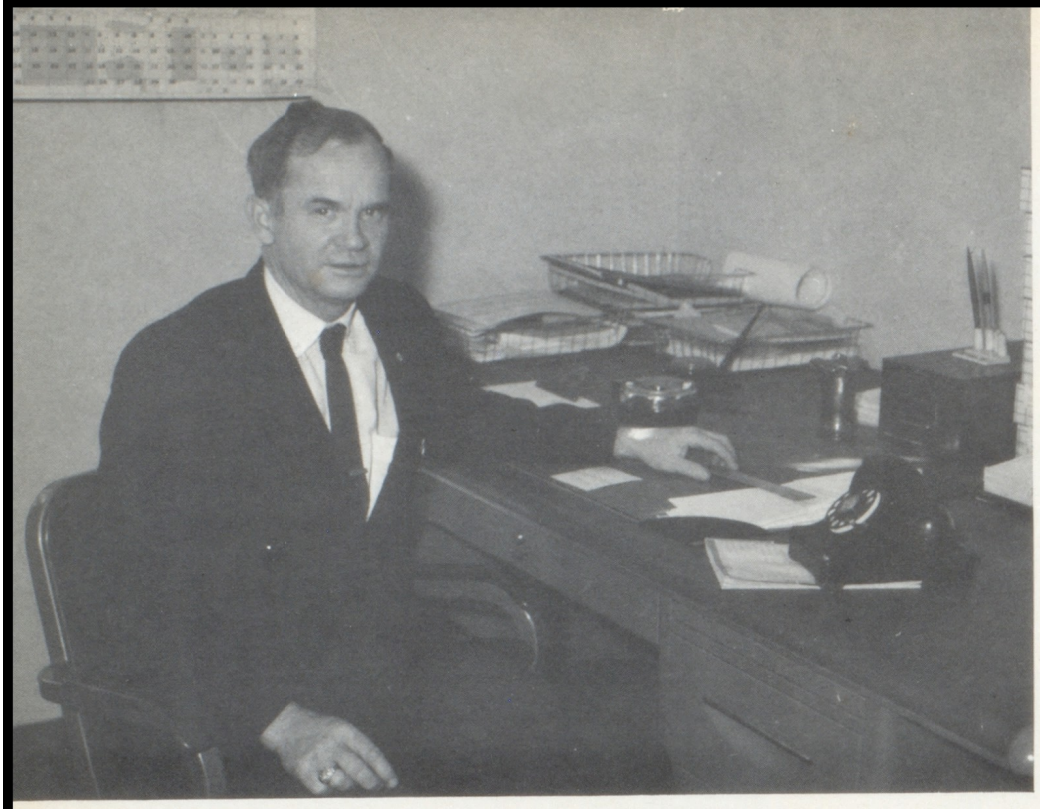

We are with our high school teachers such a short time in our lives, but during these years we are guided and helped to make our plans for taking our place in society when we leave school. Some go on to college, others to work, but whatever our chosen field these teachers, who have dedicated their lives to service for us have had a large part in what we become.

Being mindful of this fact we have the pleasure and privilege of dedicating this annual to the teaching staff of Mercer County High School.

Adult Farmer Education

The purpose of an Adult Farmer Program is to give instruction in farming that meets the need of adult farmers, as they may become established in farming and may improve their proficiency in farming.

Farmers who remain in farming must learn, and they must continually improve their farming operations as technological "know - how" evolves and economic competition increases.

Adult farmers will be educated at public expense and should be, so that the farmer may advance in farming, have a better standard of living, and take his place in the activities of his church, community, and school.

Classes are held at Shakertown, Cronishville, Salvisa, and McAfee for adult farmers in Mercer County. The program consists of night classes, and instruction on individual farms during the day.

Here Are Some of the Projects Practiced in Adult Education

Weighing and mixing feeds.

Use and repair of simple electric appliances.

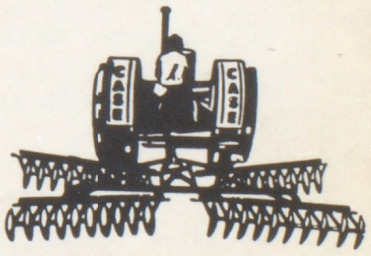

Welding

Farm Building Construction.

Farm Shop Practice.

Tractor and farm equipment maintenance.

The Optimist Club Youth Appreciation Week makes an annual award, presented on character, citizenship, scholarship, community, and school participation. The winners were chosen by the faculty and the student body.

Mr. Gill--Optimist Club Member.

Winners--Betty Ann Jones and Earl Murphy.

GUIDANCE COUNSELORS--Mrs. Killian and Mrs. Woods.

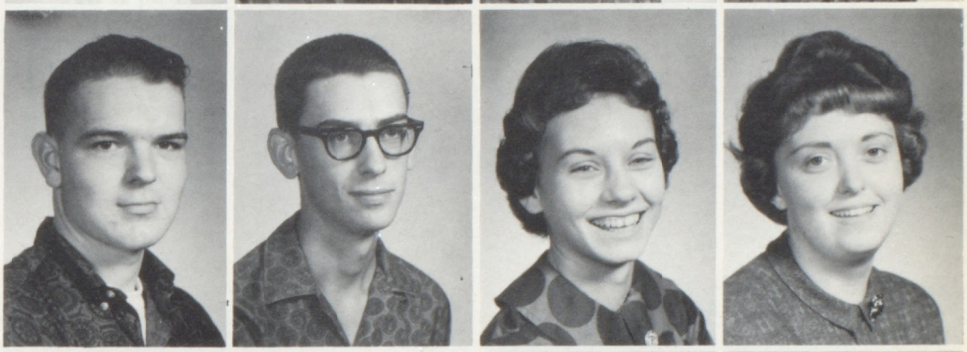

Guidance has been defined as the art of helping boys and girls to plan their own actions wisely in the full light of all the facts that can be mustered about themselves and about the world in which they will work and live. The guidance department at Mercer High seeks to perform this function by the personal inventory, information, and individual counseling services which it offers.

The Co-Ed Y Club is composed of forty-five students who take the Christian attitude toward companionship, good government, sportsmanship, and service. We take part in several state-wide projects each year; we participate in the Sportsmanship Clinic in November and attend Youth Assembly in the spring. Each year we sponsor Teen Talks and invite the entire student body to our assembly program. We assisted the F.H.A. in serving the Farm-City Banquet and sponsored a family for a Merrier Christmas. Having affiliated with and paid our dues to the State Y.M C A, we feel that our club has a wider outreach to the world than we could ever have managed alone and that our "little bit does count."

BETA CLUB ACTIVITIES

Attend Beta Convention.

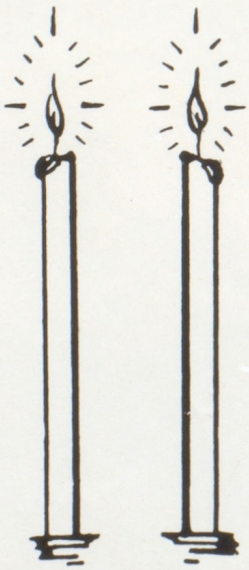

Sponsor Teacher Appreciation Week by extending courtesies and small gifts given to the faculty each day.

The Beta Club makes a $25 contribution to Mercer County High School each year.

This is usually applied to some equipment which is needed.

The Mercer Beta Club attended the Beta Convention in Louisville and entered the Talent Contest. Their act was entitled "Salute to America." In the skit were Pat Votow, Jo Ellen Ashford, Agnes Yocum, Betty Jones, Nancy Ransdell, Jane Champion, and Judy Dean.

STATE STUDENT COUNCIL MOTTO: "Combating Complacency"

The primary function of the student council is to develop the fundamental concept of American democracy by providing opportunities as well as giving actual experiences in the techniques of democratic processes. In this space age of rapidly moving events, there is a great struggle to chain and shackle the thinking of freedom loving people throughout the world. If our great heritage of democracy is to survive, we must have an intelligent working knowledge of democratic principles. Thus the Student Council serves today's youth by inspiring them to be better citizens for tomorrow.
