

Mercer Quarterly Court.

C. L. Strader,

Plaintiff.

--VS-- Acct, & Aff, \$ \$39.50.

Sam Carr,

Defendant.

The plaintiff C. L. Strader says that the defendant Sam Carr is in debted to him in the sum of \$39.50, for a buggy and set of harness and for good, wares and merchandise which the plaintiff sold to the defendant at his special instance and request and for which he promised and agreed to pay; he says that said amount is just, due and unpaid and that he believes he should recover said amount from the defendant with interest and costs of this action.

He says that the defendant has no property in the State or not enough thereof subject to execution to satisfy the plaintiffs demands and the demands of defendants creditors and that the collection of his claim will be endangered by delay in obtaining judgment or a return of no property found.
