Gentlemen:-

We are in receipt of a communication from the Southern Railway Co. in regard to the piano which is held at your station. We will ask you to call at the station and give the freight agent disposition of same at once. They inform us that storage charges are accruing daily, and it is to your interest and advantage to have this piano removed at the earliest possible date.

We wrote you ~~on~~ December 2d, explaining the terms and conditions of your contract, and we have expected an answer before this. We expect to hear from you within the next two or three days. In fact, we expect you to ~~wire~~ us on receipt of this letter whether you have mailed us your draft for the amount of your account. This matter is now long past due and must be closed immediately. We have shown you every courtesy, and have waited on you to do the right thing, in this matter, but we cannot wait any longer. Don't fail to send us the wire mentioned above.

Very truly yours,

BOSTON PIANO & MUSIC CO.
