## DR. CARPENTER TO PREACH AT BAPTIST CHURCH

Dr. John W. Carpenter, pastor of the United Presbyterian church, will conduct the service, at the Baptist church Sunday night and the congregations of the two churches will worship together.

Dr. Carpenter preaches for the Rev. G. Whitcomb Eilers who will deliver the baccalaureate Sunday night for the graduates of the high school at McAfee. This service will be at 8 o'clock at the Hopewell Baptist church.

## TODAY'S GREAT ACHIEVEMENT IN PERMANENT WAVING

**Rilling's**  
Permanent Waves

We have just added the Rilling Permanent Waving Process to our service. We believe it is the most remarkable development in the history of permanent waving... so advanced in every detail that we can guarantee you a longer-lasting, more strikingly beautiful permanent.

The Rilling Process positively eliminates "hair pulls." Burns are impossible. Actual tests prove there is no cooler wave.

Before you get your new Permanent... come in and talk to us about the new Rilling process—let us show you what a Rilling Wave will do for you—in hair beauty—in comfort—in safety.

## OBITUARIES SOUGHT FROM MEMORIAL DAY MOTORIST

This item appeared on page one of the Tulsa Tribune May 29: "Memorial Day celebrators: 'The Tribune requests that persons who intend to mix liquor with automobiles in Memorial Day celebrations kindly leave typed obituaries and photographs or one column cuts with the city editor before beginning the day's observance. The clearing of the accident stories thus will be facilitated for the city news staff.'"

"Automobiles already have claimed 16 lives in Tulsa this year."

## Centre College Girl Named Laurel Queen

Miss Roberta Baughman, Stanford girl who represented Centre College, was chosen queen of the sixth annual Kentucky Mountain Laurel Festival in primeval Pine Mountain State Park and crowned last Friday.

Miss Baughman was chosen from among seventeen beautiful girls representing colleges and universities in Kentucky and Tennessee and was crowned in a lovely natural setting by Gov. A. B. Chandler before a court that made even the loveliness of the mountain forest turn pale with envy.

The crowning of the queen, highlight of the festival, took place in a natural amphitheatre in a wooded glen, surrounded by majestic mountains, alive with pink and white mountain laurel in such abundance that hardly a one of the 10,000 spectators but had to brush the blossoms aside to gain an uninterrupted view of the pageant.

Miss Baughman, a frequent visitor in Harrodsburg, is well known here. She will reign as queen for a year until a new queen is chosen at next year's festival.

### CIVIL SERVICE EXAMS

The United States Civil Service Commission has announced open competitive examinations as follows: Assistant petroleum engineer, \$2,600 a year, Geological Survey.

Teacher in community school (primary, intermediate, special or opportunity, or one-teacher day), \$1,620 a year, Indian Field Service (including Alaska).

Statistical analysts (transportation), various grades, \$3,200 to \$5,600 a year, Bureau of Statistics, and Bureau of Motor Carriers, Interstate Commerce Commission.

Assistant superintendent of brush factory, \$3,200 a year, foreman of brush factory, \$2,600 a year, United States Penitentiary Annex, Fort Leavenworth, Kansas.

Full information may be obtained from W. R. Penney, Secretary of the U. S. Civil Service Board of Examiners, at the post office or customhouse in this city.

### SWEERING RACE OFF

"We wuz robbed," was the cry when it was learned a foul play had entered the street sweeping race between fifty WPA workers and a crew of city street cleaners at Watertown, Mass. As a result of the foul play—someone stole the street cleaners' brooms, all bets were off, and William Regan, street department foreman was not obliged to push a peanut around Watertown Square with his nose.

### DOG ATTENDS SCHOOL

Perhaps "Beauty" someday will win a diploma. Meanwhile "Beauty," a five-year-old pet dog owned by Johnny Robertson, Pasadena, seventh grade student, attends all school classes with her young master. Once a hard-hearted teacher objected but "Beauty" howled so outside the window that her exile was rescinded.

## P.T.A. DOES FINE WORK FOR SCHOOL

48,000 Lunches Served, 15,250 of Them Free; Many Garments Distributed Among Poor.

Mrs. Bacon R. Moore, president of the Parent-Teacher association submitted the following report of the work of the P.T. A. to Superintendent W. W. Ensminger yesterday: "With the splendid cooperation of the citizens of Harrodsburg, who have been very generous, and also the federal and state aid given by the governments of the United States and Kentucky, the Harrodsburg Parent-Teacher Association has had a successful year.

"From the Mercer County Sewing Project, we received more than 300 garments, which were distributed among the needy in the Harrodsburg Graded School and the West Side School, with the assistance of the County Relief Workers. These garments were girls' dresses, bloomers, boys' shirts and lumberjackets. The Lions Club contributed \$25 for the purchase of overalls for boys. Many used garments have been given us, which were used by the needy.

"From W. P. A. gardens we received several bushels of tomatoes which were canned in our cafeterias. From time to time, private citizens have donated vegetables, and other food. At the union Thanksgiving Day services an offering was taken and prorated among the churches, most of them giving the P.T. A. their share of the offering. Several Sunday School classes in different churches, as well as individuals, have contributed weekly to the upkeep of an underprivileged child. The Rotary Club gave three turkeys for Thanksgiving dinner for the underprivileged. We have purchased a cot and mattress for the Graded School and the Red Cross furnished it with linens, blanket and pillow. Some additions have been made to our china.

"During the year, we served the Girl Reserves banquet, the Father and Son banquet, and served lunches for the Basket Ball Tournament, at a reasonable profit.

Membership dues at 25 cents totaled \$62.25.

"Underprivileged children have been given a balanced lunch each day—but, had it not been for the Federal and State Aid about half these children would have gone hungry.

"At the Graded School Cafeteria, approximately 30,000 lunches were served—9,994 free lunches—at an approximate cost of \$2,854.03. At the High School Cafeteria approximately 18,000 lunches, at a cost of \$1,955.06—approximately 4,156 free lunches.

"During sixteen days of the school year, the P.T. A., without State or Federal Aid, served free lunches to about 125 underprivileged children. On all lunches furnished through State or Federal Aid, the P.T. A. gave two or three cents.

"We have had a splendid program the first Monday in each month given by the High School pupils one month, and all other times by the Graded School with the exception of the lecture on Prevention of Tuberculosis by Dr. Smith, from the State Board of Health, and the lecture, "Music and Its Influence on the Child in the Home," by Mrs. Dena Shelby Diehl, of Danville, and a talk by Mrs. T. Hassell Bowen, on her trip to Europe.

"To the many women of Harrodsburg, who with the aid of two paid helpers, served the lunches in the Cafeterias, we owe our thanks, as well as to the many citizens of Harrodsburg who have so liberally helped us during the year."

### BEAUTY HINTS FOR MEN

Perhaps their best friends will not tell them, but a woman writer in The Progressive Farmer makes up for that by contributing the following suggestions:

"Perspiration odor comes in for perhaps more comment than any other grooming sin. Frequent bathing with a 'health' soap helps much, but if it doesn't completely do the work of deodorizing there is no earthly reason why men should not use a liquid or cream deodorant and a non-scented deodorant powder. There is nothing sissy about that; it's just a consideration you owe to your friends and family and associates.

"Mouth hygiene comes next! Unpleasant breath has ruined many a romance, and marred the pleasantness of many a business and social relationship. Every man of you should use a good mouth wash at least twice a day when cleaning your teeth. Brush your teeth with your favorite dentifrice, using a firm-bristled brush that fits your mouth. Scrub your tongue, too, especially if you use tobacco. White, gleaming teeth and a clean-smelling breath are business and social assets to any man—and health assets not to be undervalued. Mouth cleanliness will go a long way toward assuring (and insuring) these assets, but a dentist's examination twice a year is essential."

### CINCINNATI WAS FORMERLY "PORKOPOLIS"

Cincinnati, Ohio, was for some time called "Porkopolis," because of the large numbers of hogs that were driven in there in droves from the south-eastern counties. Frequently the streets, as late as 1850, were literally filled with these animals on their way to the packing houses.

### KENTUCKY BALLOON FOUND IN BAY STATE

Miss Marian Knowlton, of Palmer, Mass., said she found a large toy balloon outside her bedroom window early Monday which apparently had flown there from Crabtree, Ky. She said attached to it was a card asking the finder to write to William C. Jackson, Crabtree, Ky.

## MEMORIAL SERVICES AT GRAPEVINE CHURCH

A Memorial Day celebration was held at the Grapevine church on Sunday afternoon instead of Saturday. On the program talks were given by Judge Charles T. Corn, Judge Charles A. Hardin, Hon. Charles S. Matherly and a poem was recited by Mrs. Matherly. Special music was furnished by the Champion brothers and sisters quartette and also a duet by two Moore sisters. Songs by the Cornishville Christian choir and also general congregational singing completed the program.

## Auto Victim In Serious Condition But Better

After battling for her life since last Thursday when she was injured by an automobile near her home on Beaumont avenue, little Bettie Margaret Strunk is somewhat improved but is still in a very critical condition.

She was taken in an ambulance to Louisville Monday where she will remain for several days. Dr. J. B. Roberts, who had charge of her case while she was in the A. D. Price Memorial hospital here, accompanied her to Louisville where he left her in charge of Dr. Spurling, brain specialist.

The little girl has a fractured skull but there is no depression. Dr. Roberts revealed when he returned and there is every hope that she will recover.

The bright and lovable little girl is the only child of Mr. and Mrs. Noble L. Strunk, who moved here from Paducah two weeks ago. Mr. Strunk is the Danville district lighting engineer for the Kentucky Utilities Company.

### RELATIVE OF MRS. MORRIS KILLED IN AIRPLANE CRASH

Frank E. Ball, Muncie, Ind., died in the wreckage of his private airplane when it went into a spin and crashed near Findley, O., airport Thursday, according to a message received by Mrs. Fletcher Chelf, from her son, Lieut. Robert Morris, who had just reached Muncie after a visit here. Mr. Ball was a first cousin of Mrs. Morris. Miss Mary Clarence Chelf was the guest of Mr. Ball in the plane for a trip to New York when she visited Lieut. and Mrs. Morris last Christmas.

Mr. Ball, wealthy manufacturer of Muncie, piloted his own plane. It burst into flames in the crash and his body was badly burned.

### REVIVAL POSTPONED

The revival which was planned at the Calvary Baptist church on the Cornishville road has been temporarily called off. The two weeks services which were to have been conducted by Charles and Malcolm Smith, have been postponed to a later date on account of illness of many of the members.

## NEW OFFICERS TO RECEIVE HONORS

Woman's Club Will Hold Installation And Reception This Afternoon At Library.

The annual installation of 1936-37 officers of the Woman's Club and reception in their honor will be this afternoon at the library, with a short business session preceding the social festivities. A group of songs will be given on the program by Mrs. Charles Nelson Riker with Miss Mary Handy Ensminger as her accompanist.

Mrs. Lee Sims, president, who with most of her board were re-elected, will preside at the business session at which some names for new members will be voted on and also short reports given by the delegates to the state and national conventions. There will also be a display of work by the National Youth Administration, which the Woman's Club is sponsoring in Harrodsburg. This will be in charge of Miss Margaret Smith, county NYA supervisor.

Members of the committee in charge of the installation and reception are: Miss Nancy Smock, chairman, Mrs. Charles Ison, Mrs. T. Hassell Bowen, Mrs. James Isham, Mrs. Rufus VanArsdale, Mrs. D. L. Moore, Mrs. J. P. Farmer, Mrs. Fred Lee Rose, Miss Gladys Seay, Mrs. J. Herman Allen and Mrs. Elmo Robertson.

### REV. T. HASSELL BOWEN AT M. E. CHURCH SUNDAY NIGHT

Rev. T. Hassell Bowen will preach at the Methodist church Sunday night; taking charge of the service while the pastor, Rev. G. R. Tomlin, is in Cornishville to deliver the baccalaureate sermon to the graduates of the high school there. Members of the Christian church will worship with those of the Methodist church on that occasion.

### BUNNELL GETS POST WITH STATE HIGHWAY DEPARTMENT

Allen Bunnell, Harrodsburg, has been named a distributor operator at a salary of \$125 a month, according to announcement made by the State Highway Commission. He succeeds Hollis Devine, also of this place.

## 3,100,000 VETERANS ASK BONUS BONDS

The Veterans Administration has estimated that about 3,100,000 veterans have applied for bonus bonds amounting to about \$1,700,000,000.

The Administration's figures show about \$3,400,000,000 adjusted service certificates outstanding.

### LEADS ALL THE REST

"Yes," my friends," said the theological lecturer, "some admire Moses who instituted the old law, some Paul who spread the law. But after all, which character in the Bible has had the largest following?" Voice from rear: "Ananias"—Clipped.
