

Will Get New Chance in Life

This youngster, whose home is typical of hundreds on areas being taken over by the Resettlement Administration in this region, is being given a new chance in life by Uncle Sam. Her father's farm is of a submarginal type incapable of being farmed profitably and is part of an area which Resettlement is converting into a park and forest.

Resettlement has taken over many thousands of acres of such land in this state to be permanently retired from agriculture and put to uses for which the areas are better adapted. Families living on these purchase areas, such as represented by the above child, are being resettled on better farm lands where they will have new opportunities to acquire good homes and become permanently self-sustaining citizens.

Burgin Wins Countywide Net Tournament; Rose Hill Runner-up

(By J. W. Moulder, Burgin School) The Burgin high school Bulldogs captured the honors of the Mercer basketball tournament Saturday night from the fighting Rose Hill team 29-22.

Burgin which was ahead 18 to 4 at the half, let down in the third period and Rose Hill, lead by Maurice Carpenter, scored 10 points in the last half and crept up on the Bulldogs and almost overcame their lead. However, the Bulldog regulars, who had been withdrawn at the half, re-entered the game, and the Rose Hill rally fell short 7 points. Maurice Carpenter, who scored all his 10 points in the second half, was best for Rose Hill and Sparrow was the high man for the Bulldogs with 11 points.

In acquiring the right to meet Burgin in the finals, Rose Hill defeated McAfee 29 to 17 and downed Salvisa Dragons 23 to 17. Rose Hill led McAfee 9 to 6 at the half, and it was not until the last quarter that Rose Hill acquired a good lead. In the game with Salvisa, Rose Hill was behind 5 to 3 at the end of the first quarter, but ahead 16 to 9 at the beginning of the fourth quarter. Maurice Carpenter, Rose Hill, was the best individual performer at the tournament by accounting for 39 of his team's 23 points.

Burgin reached the finals by beating Cornishville 39 to 21, and defeating Harrodsburg 40 to 14. Burgin took an early lead over Cornishville and held it throughout the game. Sparrow, Burgin, and James, Cornishville, with 10 points each were best for their respective teams. Burgin led Harrodsburg high school 20 to 6 at the half. G. Gaskin paced Burgin with 10 points and Houchins was the outstanding

ASSEMBLY ADOPTS MANY MEASURES

Average 15 Bills Passed Daily During Session That Closed At 3:55 A.M. Sunday, Feb. 16.

The 1936 general assembly that adjourned its regular session, sine die at 3:55 o'clock Sunday morning, Feb. 16, passed an average of 15 bills a day during the 33 working days of the session.

In addition to 107 miscellaneous measures that were written into the statute books during the session, approximately 400 country roads were added to the state's primary system of highways in separate bills.

Sixty-three of the miscellaneous bills that were passed through both branches of the Legislature originated in the senate and 44 in the house. Most of the primary road projects

were house bills. Almost 500 other bills were killed.

Topping the list of the bills passed were 11 of the 13-points in Gov. Chandler's legislation. The other two points were not acted on by agreement between the administration and the legislature. One of them calling for the liquor control act was deferred until one of the series of special sessions of the Legislature slated to start Feb. 24. The other of the Governor's points providing for a one cent reduction in the gasoline tax, was defeated by the administration forces after the Governor decided on a reduction in the cost of automobile licenses instead of a cut in the gas tax.

Class Enjoys Travel Talk By Mrs. Bowen

Pupils of the 6A and 6B grades of the Harrodsburg graded school were delighted with the splendid talk given them Thursday morning by

Mrs. T. Hassell Bowen on the countries visited during the trip she took abroad last summer with Mr. Bowen and their daughter, Jane.

Her travel talk began with the manner in which their passports were secured and the young folks were introduced to some of the governmental red tape. Mrs. Bowen brought the passports they used and showed the passports to the pupils, few of whom had ever seen one. She gave them a vivid picture of the countries and famous places in Europe, and showed them many souvenirs of each country, some of them being articles of native dress. So interested were the young people that at the end of her talk they asked a number of questions which Mrs. Bowen answered in the same entertaining manner in which she had told of her travels.

The 6A and 6B grades are taught by Miss Virginia Bush and Mrs. Alford.

VALUABLE HOME

Saturday Morning, Feb. 29, '36

at 10 o'clock on the premises

On account of having made arrangements to engage in business in Florida by March 15th, I have placed in the hands of the VanArsdale Realty Company for an immediate sale, my home in Harrodsburg Ky.

The lot corners on Mackville and Magnolia avenues and has a frontage of 66 feet and 120 feet in depth affording an extra location for an additional building lot on Magnolia avenue. The location is one of the most accessible and elevated in the town both for health and convenience. Lots of shrubbery and shade trees adorn the grounds.

The residence contains six complete rooms and two large porches with two unfinished rooms on the second floor. The arrangements of the house make it very adaptable for two apartments which offers either a nice home for a large family or a splendid investment for the capitalist. Electric lights and city water in the house and also in yard for use on flowers and garden. Two car garage, poultry house and other necessary outbuildings with location and other conveniences considered places this modest home among one of the best in the city and at a price you can afford to pay. Don't forget the date Saturday morning, February 29th. The place Mackville and Magnolia avenue, the time 10 o'clock.

TERMS: Easy and announced at sale. Possession on or before March 15th, 1936.

Also some household and kitchen furniture and numerous articles used in the home. This sale is final.
