FOREWORD

We, the class of '46, present this Annual with the sincere hope that it will reflect our high school spirit and the feeling we have for our Alma Mater. We feel confident that in the years to come, it will keep alive pleasant memories of our high school days and of our classmates.

DEDICATION

For her patience, understanding, and untiring help in the direction and supervision of our class for the past two years, we, the Seniors of 1946, dedicate this Annual to Miss Elizabeth VanArsdall, with our sincere thanks and deep appreciation.

We, the class of '46, wish to express our deepest appreciation to those boys of the Harrodsburg High School who gave their lives to preserve the freedom of our country. To those who so willingly answered the call of their country and gave the last full measure of devotion, we dedicate this page.

SENIOR HISTORY

In 1933, the Seniors of '46 entered the first grade and started the upward climb for knowledge. After six years of "reading, writing, and arithmetic taught to the tune of a hickory stick," we entered the high school building. Our first year we stood back with wide eyes and open mouths to watch the antics of the upper classmen. We were mortally afraid of Juniors and Seniors and wondered if ever we would be so bold. Our eighth grade year, we had the feeling of both superiority and protection. After all, were we not about to finish grammer school and was it not our responsibility to watch over the seventh grade? Until now we had been timid and unassuming. Now we decided our campusology was in need of study. Our first lesson, no doubt, was on the bus trip to Lexington to see the Regional Tournament. It was on this trip that our class discovered Kissing Bridge. In June we graduated and felt very big indeed.

When we entered high school, it was with the firm purpose of getting the most out of the next four years. Under the leadership of Glendon Sanders, Marshall Freeman, Otha Keightley, and Bobby Davenport, we proceeded to attend to the work and play of the ninth grade. Miss Trower and Mr. Soper shook their heads in despair. Was there ever such a class? However, we tried our best and contributed to the school over eighty dollars which we collected with shouts and fun on the Scrap Drives. Dirty but patriotic, we thoroughly enjoyed ourselves. We went out for all the clubs and activities. "Mimi" Sanders was elected our cheer leader. As our year as Freshmen ended, we felt that we had survived the worst, and our teachers felt maybe there was hope. Latin and Algebra tests successfully passed, we were promoted.

Our Sophomore year started out with the election of four girls, Jackie Cotton, Betsy Royalty, June Morgan, and Betty Strunk. Mr. Whitehead and Mrs. Briggs found themselves in charge of the Sophisticated Sophs. This year we were very much interested in basketball, for Marshall Freeman, Glendon Sanders, and Jim Ellers played, and Bobby Davenport, Joe Russell, and Billy Young were managers. We must have been very trying, for we had no less than three English teachers: Mrs. Briggs, Miss Black, and Miss Waters. Finally, the year ended and we found ourselves halfway through high school.

We opened our Junior year with a big bang. Miss VanArsdall and Miss VanDiver took us in hand and ruled over Room 8. Since we were together again after two years, they had quite a time keeping us on our respective sides of the room. We elected to office: Marshall Freeman, Betsy Royalty, June Morgan, and Glendon Sanders. When Marshall left to marry, Joe stepped into line with the officers. We took an active part in all school activities. We were further distinguished by Betty Patterson being judged "good" in the State Speech Festival. We supplemented our bank roll with money earned by selling cokes at the games—and, incidentally, had lots of fun doing it.

Our Junior Paper, "Harrodsburg Hi-Lights," was successfully published by a staff of Anne Shannon McClellan, Louise Bourne, Horace Shewmaker, Ann Crossfield, Edmond Burton, Otha Keightley, June Morgan, Bette Trimble, Eugenia Freeman, Mildred Sanders, Horace Ellis, Betty Strunk, and Virginia Carey.

On Friday, April thirteenth, the Junior Class Revue proved quite a success. This was preceded by weeks of practice, which turned out to be fun and full of good

times. After the play we celebrated our GOOD luck (despite the date) with a party at Patterson's. Everyone thoroughly enjoyed the party.

On Friday night, a week before commencement, we gave the Junior-Senior Banquet, using a musical theme. This was followed by a memorable trip to Joyland.

In our Junior year we lost several students. Some married, others were called to defend their country and the right for other boys and girls to enjoy such a Junior year as ours. We eagerly looked forward to the time when we would be Seniors, yet we had a vague sense of loss due to the graduation of our friends in the class of '45.

In September, we entered H. H. S. for the last time. As Seniors, we went to the left front seats in Assembly, and then were further assigned to Room 12 and Miss VanArsdall and Mrs. Hatchett. At our first class meeting we elected Joe Russell, Betsy Royalty, Eugenia Freeman, and Glendon Sanders as officers. We welcomed into the class, Truett Welch, and Ann Park, in September, Cornell Mobley in November, and Lois White in January. We entered in the various clubs and even had officers in them.

In October, we began practice for "June Mad," our Senior play. We worked hard on the play, getting the most from play practice. We certainly succeeded in accomplishing both. This year five of the girls gave a party at McClellan's after the performance on November 9.

When the basketball season opened, we found Glendon Sanders was Captain of the team, and Joe Russell, Donald Scanlon, and Truett Welch were playing first team ball, and Bobby was still beating the floor with his manager's towel with every upset. The war over, "Mimi" was given a good cheering section even at the games away from home since we chartered school buses to take us to the contests. When our last game was played at St. X., nearly all the Seniors went and ten of the girls will never forget that trip. The District Tournament followed the next week and Harrodsburg made the finals, losing then to Lawrenceburg by five points. Glendon was named outstanding player in the District, and also made the Second All State Basketball Team. As for intramural games, we came out as champs.

In scholastic ability, we astonished the school and teachers by having thirty exemptions, more than all the rest of the school. And even more, there were seven boys on the honor roll at the end of the next term. Were we proud!

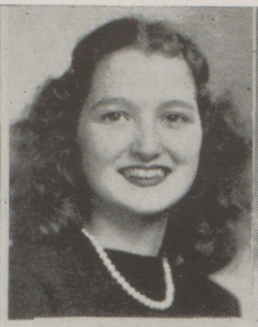

We were ably represented at the Speech Tournament by Irma Tewmey, Truett Welch, Edmond Burton, Betty Patterson, and Ann Park. Ann won the right to continue to the State Speech Tournament with her speech.

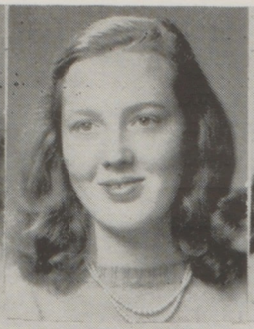

On April first, for the last time, the Seniors were children. We dressed in short dresses and overalls and played our way through the day. On the twenty-second of April, Senior privileges started, and our last six weeks were merry, though hectic ones. There were days of deciding on this and that, worry and work on this annual, but finally we were ready for the big day. On the twenty-fourth of May we left Room Twelve and our desks for the final time as students of H. H. S. Thursday, the thirtieth of May, we received our diplomas. It has taken twelve years of work and play, sorrows and joys, but we feel it was worth it.

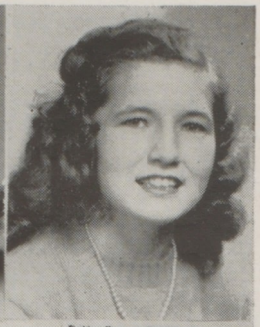

We want to thank our teachers and our school for what are probably the most carefree years of our lives. To them also, and to the students, we want to say "Thanks,—we're going to miss you."

CLASS WILL

STATE OF NO ACCOUNT

COUNTY OF DEBT CITY OF INSUFFICIENT FUNDS

We, the Seniors of nineteen hundred and forty-six (1946), having at last completed our journey through high school, being in full possession of unusual intelligence, do make and declare this to be our last will and testament.

The estate, which we have obtained by our wit and schemes will be disposed of as follows:

ITEM: The Senior Class bequeaths to the Junior Class their ability to run the school.

ITEM: To the Sophomores we leave Glendon Sanders' much-worn book of "How To Win and Influence Friends."

ITEM: To the Freshman Class we give our power of combining ideas with ludicrous effect in order to evade the questions of future teachers.

ITEM: To the unmanageable and unheedful Junior High we leave our serenity.

ITEM: To Miss Baker we leave the job of chasing the future Seniors out of the hall into their rooms.

ITEM: The following may seem of little importance but because of the benevolence and generosity of our hearts we wish to make the following bequests:

1 To Jessica Walter, we leave Mimi's interest in Compton.

2 To Nelson Grider, "Stooge" Scanlon's vitamin tablets.

3 Byron Compton's dancing skill to Bob McFatridge.

4 To Nancy Shewmaker, June Morgan's quiet dignity.

5 Owen's ability to cut classes legally to Porter Johnson.

6 "Gus's" knowledge of Geometry to be divided among the students next year.

7 Anne Park's book "How to Get Your Man and Hold Him" to Martha Gortney.

8 To Dan Tuttle, Bobby Davenport's interest in Lawrenceburg.

9 To Betty Lyen, Wylna's success at Danville.

10 Truett Welch's vocabulary to Proctor Riggins.

11 To Gertrude Lowe, Ada Robinson's quiet charm.

12 Edmond's musical ability to the up and coming musicians.

13 "Mooche's" joke book to Jimmy Fraser.

14 "Ham" Wilham's neatness to Grosto Wells.

15 "Kitty" Demaree's interest in Glenn Graves to be divided equally among the Junior girls.

16 Horace Ellis's strong, silent type to Wilbert Bugg.

17 Bette Trimble's artistic ability to Christine Phillips.

18 Charles Yates's line to Basil Gaither.

19 And last but not least, we leave Joe Russell's personality to Gene Royalty.

We do hereby name and appoint Miss VanArsdall, our sponsor, as the sole executor of this, our last will and testament.

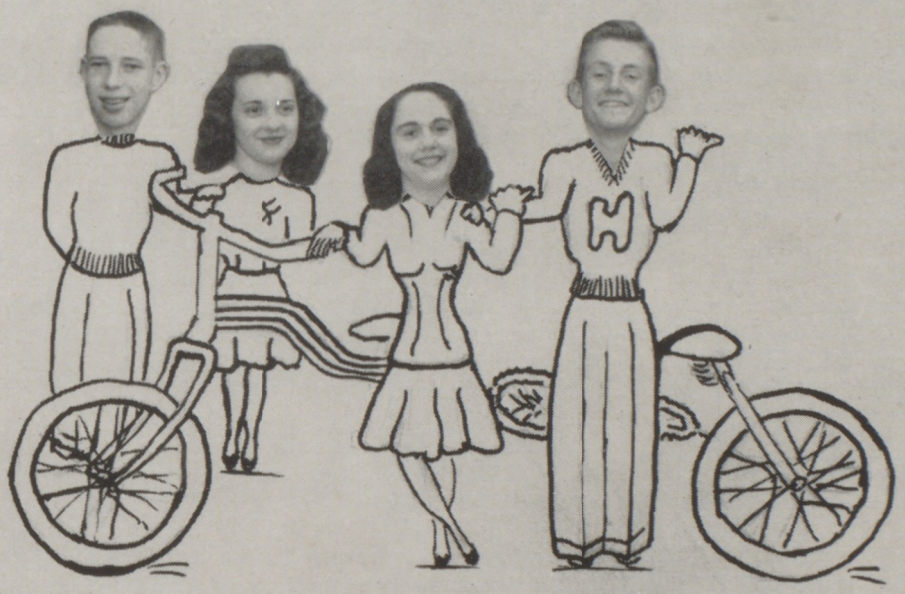

In witness whereof, we, the Class of Nineteen Hundred and Forty-Six, have set our hands and seals to this will on this thirty-first day of May, Anno Domini, one thousand nineteen hundred and forty-six.

JUNIOR HISTORY

It was a group of "green" Freshmen, as the upper classmen considered us, that entered Harrodsburg High in '44. Some were acquainted with the surroundings and customs of the school, but to others all was completely new. Mrs. Gritton and Mr. Harlow were our class sponsors. We spent many hapy as well as unhappy hours together. Bessie Tewmey was chosen as our cheer leader to carry the colors through for us. Amos Black was a most outstanding player on the team in our Freshman year. We distinguished ourselves by winning the intramural tournament.

We were more respected as we went on to the Sophomore Class. Mrs. Gritton and Mr. Harlow followed with us. It was then that we attempted to publish a basketball bulletin, which sold at five cents each at every home game. It proved to be a great success, for we have $175 in war bonds as a result. Again Amos Black represented us on the basketball team as an excellent player. This year we were runners-up in the class tournament.

It seemed that we were having no trouble with our bicycles which we rode on toward the Junior year. We then felt we could look down on the ones below us. Mrs. Gritton is still with us, but much to our sorrow, Mr. Harlow stayed behind. We started the year by electing our class officers which are: President, Gene Royalty; Vice President, Betty Lyen; Secretary, Frances McGinnis; Treasurer, Basil Gaither. We are very much pleased with our class. Some new ones have been added and a few lost, but we feel we can ride on to success.

We are very proud of the ones who have gone forward to win for us on the basketball team. This group includes Grosto Wells, Gene Royalty, Wilbert Bugg, Basil Gaither, Tarzan Watts, Joe Yates, and Dan Tuttle.

Now we are looking forward with great pleasure to the Junior Play and the Junior-Senior dinner. But with more pleasure we are looking ahead to our Senior year in '47.

SOPHOMORE HISTORY

In September, 1944, we, as Freshmen, hopped eagerly on our tricycles to begin our journey through the maze of high school. Our officers were: Doris Merriman, Bobby Kirk Jones, Sitty Russell, and Carlysle Garrison.

As we started out, we were all excited, and did not know what to expect, but our confidence grew as we neared the corner called the first year of high school.

In September, 1945, we started out on our bright scooters of different colors on the second lap of the journey.

We elected the following to be our Sophomore officers: Sammy Edwards, Pauline Robinson, "Sitty" Russell, and Doris Merriman.

Many of the class attended the Girl Reserves and Hi-Y Clubs. A number of the class were members in the Latin Club, Dramatics Clubs, and Future Homemakers of America.

Now that we have reached our destination and are ready to leave our scooters, we see our bicycles waiting to take us on the next lap of our journey.

FRESHMAN HISTORY

We come to the close of our Freshman year after riding as green Freshman on our tricycle. We hope to be able to ride safely next year when we are promoted to the Sophomore scooter.

Riding the tricycle on the theme page of the Freshman class are: president, Claude Perkins; vice-president, B. F. Edwards; secretary, Violet Wilham, and treasurer, Andy Young.

We find our girls very active in our Junior Girl Reserves. We have from our class Patsy Trimble, who has served as president this year.

Barbara Daugherty, who is our new Freshman cheer leader, was chosen this year to wear our school colors. We hope she may serve H. H. S. for the next three years in her white and blue sweater.

The wheels are rolling over faster and faster, drawing this year to a close. There are a few cycles of the wheels left to go over, such as, our Girl Reserve tea—snapshots of these beautiful spring days—the faint touch of campusology—and after all this we do believe the Seniors of 1949 are on their way to success!

JUNIOR HIGH HISTORY

A proud but shy group of boys and girls entered Junior High School on the opening day of school in 1944. We were the babies of the school and were often seen riding in our baby buggies. We soon settled down with the help of our teachers: Mrs. Worth, Mrs. Dedman, Miss Powell, and Mrs. Bellebaum. We selected as our officers: Jack Clark, Jane Bourne, Carolyn Smith, and Billy Glass. As the year passed, we participated in school activities, such as Girl Reserves and Hi-Y. Mary Breck Bonta and Jean Sanders were chosen as seventh grade cheer leaders.

The end of the year soon came when we were promoted to the eighth grade. After vacation had passed quickly, we entered school again in the fall.

Our teachers for this year were: Mrs. Worth, Miss VanArsdall, Mrs. Ransdell, Mrs. Taber, Mr. Black, and Mr. Harlow. We elected new officers who were: Don Catlett, Barbara King, Reeda Farney, and Charles Albert Curd.

This year there was a new class to take our place in the seventh grade. They seemed to be less timid than we had been. They selected as their officers: "Boo" Coleman, June Burns, and Jakie Claunch. Peggy Dean and Betty Phillips were chosen as cheer leaders. The seventh graders soon adapted themselves to their surroundings. With the eighth grade they cheerfully joined in school activities. Mary Breck Bonta and Jean Sanders were chosen as officers in the Girl Reserves.

Now this year is over, and the class of 1950 is well on its way to happy high school days on its kiddy car.

CHEER LEADERS

SECOND TEAM

Gene Royalty—Guard—"Rep," as Gene is known by his friends, was in there pulling every game last season. He was a good ball-handler and a guy who worked his best for the school. He has one more year in school, so he should prove to be a very valuable player for next year's squad.

Wilbert Bugg—Guard—"Bugg" is another of the Juniors on the squad this year. Watch the scorehand under his name next year, and he will come through.

Glendon Sanders—Center—"Jack," who was the sparkplug of this year's team, was one of the leading scorers in Pioneer and Conference history. He kept the team going, and when points were needed he usually came through. He was selected on the All-State Squad. His all-season scoring totaled 265. He will be missed greatly on next year's team.

Grosto Wells—Forward—"Tank" was a very valuable player this season as he would come through at the most unexpected times. He has another year for Harrodsburg. We'll be watching you, Grosto!

T. C. Coleman—Forward—"Mule," named so by his friends, was a good rebounder this season. He has the height, and, being the "baby" of the squad, should grow to be quite a player for his school. He will try his best, anyway.

Carlysle Garrison—Guard—"Casey," the guy we had to wait for this season, may seem lazy, but when there's basketball, he isn't! He helped us a lot this season, and he's just a sophomore.

Basil Gaither—Forward—Basil helped us out as a reserve this season. He practiced faithfully any time and helped the team in this way. Basil will get another chance to make good next year. Go to it, Basil!

Joe Russell—Guard—"Baldy," a Senior on this year's squad, was the handy man around the Pioneers. He was used much and earned his letter honestly.

Donald Scanlon—Forward—"Stooge," the big boy on our team, did a good job. This is the first year "Stooge" went out for the team. At every opportunity "Stooge" did his best for the team.

Tarzan Watts—Forward—"Ape" played the last few games this season. The fastest man on the squad, he shows great ability for next year's team.

Bobby Davenport—Manager—"Bob," who never played basketball in high school, deserves a lot of credit just the same, as he helped the boys who played for H. H. S. get ready to meet their opponents. He has four years' credit, and Harrodsburg High will look a long time before they find a fellow like "Bob."

Evan Harlow—Coach—"Ev" coached his third year in Harrodsburg this season, and he saw his team improve as the days rolled by. "Ev" worked hard with the boys, and they, as well as the rest of the school, appreciate his untiring efforts with these boys.

Marshall Black—Athletic Director—As Athletic Director of H. H. S., "Rev." who has held this position for several years, stood by our boys, going to all out of town games as well as all those at home. Harrodsburg is fortunate in having "Rev." as it's Athletic Director.

WITH THE PIONEERS IN '45-'46

Harrodsburg's Pioneers, even though the record shows for the entire season eleven defeats and ten wins, were better than that record shows.

When the season began, there were only two lettermen back to help the Pioneers win, Glendon Sanders and Joe Russell. Besides these two, there were twenty-five other men who came out for a spot on the team. With these few prospects, Coach Harlow went to work to put his team on the floor against Wilmore, the first game of the season.

After the team had been cut down due to the rules of the C. K. C., these ten men remained: Joe Russell, T. C. Coleman, Grosto Wells, Truett Welch, Glendon Sanders, Wilbert Bugg, Joe Yates, Donald Scanlon, Basil Gaither, Gene Royalty. These boys adding Carlysle Garrison and Tarzan Watts at midseason, played the games for H. H. S.

The Pioneers played one of the hardest schedules in their history this year, running up against the toughest teams in the state, such as Frankfort, Danville, Lawrenceburg, Madison, University High, Henry Clay, and several others who were not easy by any means.

In the District Tournament Harrodsburg was defeated in the finals, after winning three other games—Midway, Kavanaugh, and Salvisa, by Lawrenceburg, who went to the Region to beat Lafayette and Frankfort, and then to the state to whip Male High.

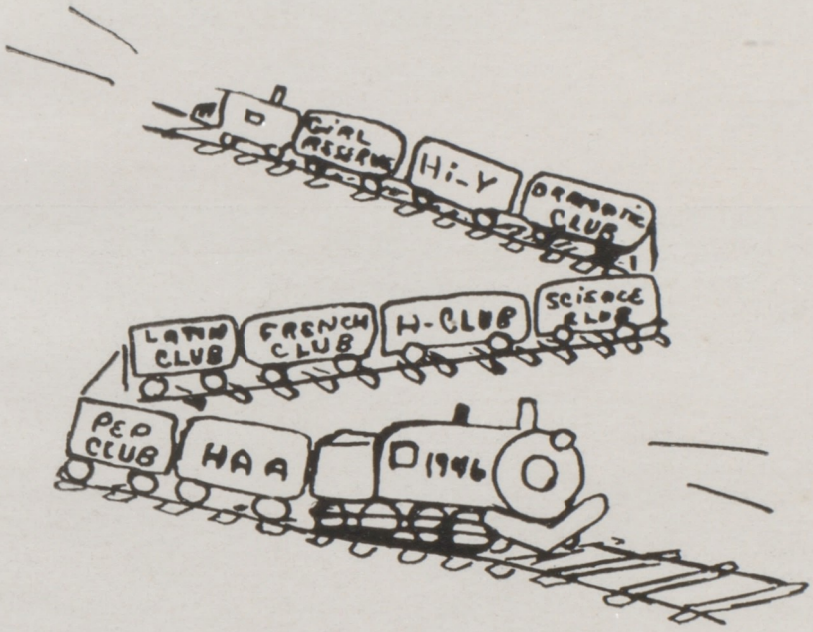

The Pioneers had the privilege of placing one man on the All State second squad, that being Glendon Sanders, who hit the net for 265 points this season. The Pioneers outscored all their opponents by 17 points this season, 602 to 585.

Losing only three lettermen this year, Sanders, Russell, and Scanlon, Harrodsburg's Basketball picture for the school year of '46-'47 looks much brighter.

Two sports new to the school were added this year, baseball and track, which will help the boys train for football again after an absence of that sport for two seasons.

Coach Harlow, who has been in Harrodsburg three years, now will have charge of sports in the summer. With Mr. Harlow, Mr. Black, and Mr. Aggie Sale, Harrodsburg's chances for sports in the future look very good.

CALENDAR

SEPTEMBER

2—We entered school ready for the new year. Secretly we were glad although we did our share of complaining.

3—For the first time of the school year we went to our class-rooms to begin work. This day gave the teachers a glimpse of what the future held for them.

4, 5, 6—Mad scramble to get the most for the old books, and pay the least for the new ones.

10—First full day of school.

12—Girl Reserves and Hi-Y Clubs organized.

13—Dramatics, French, Science, F. H. A. Clubs organized.

24—A group of boys and girls from the High School discovered Dix Dam had its advantages at a "weinie" roast.

OCTOBER

1—Miss VanDiver became Mrs. Hatchett.

11—First term tests were given, and we came up none the worse for wear.

18—Several members of the Class of '44 presented the school flag to the assembly. Joe Russell, President of the Senior Class, accepted for the school.

26—The Junior Class published their first "Chatterbox."

31—Everyone enjoyed Hallowe'en whether they were dancing the night away or trying to scare Miss Fields and Mrs. Gritton. (We have proof that three Senior girls did!)

NOVEMBER

2—Harrodsburg was rudely awakened at 11:00 P. M. by a group of Senior girls, riding on the inside, outside, top and bottom of a Ford, and screaming at the top of their voices a poor rendition of "A Kiss Goodnight." After this the ladies (?) took themselves to one of their homes and peacefully went to sleep ??????

3—The Fleet was in and several girls served the Navy a supper at the Christian Church. A few even took a bus ride.

7—Elmer underestimated the power of his kisses.

8—The cast of "June Mad" startled the Graded School by sliding down the slide on the playground.

9—"June Mad," the Senior Play, was presented with a success that broke all records in box office receipts. Afterward the class rehashed the play at a class party at Pinkie's given by five Senior girls.

15—Barbara Daugherty was chosen as Freshman cheerleader.

17—Mr. Black and Mr. Harlow escarted Miss Fields and the students of H. H. S. through the underground passages of Mammoth Cave.

19—Bob McFatridge embarrassed the sightseers with his account of the Battle of Elizabethtown.

20—Tests for second term floored everyone.

21—But our spirits improved when Mr. Powell announced Thanksgiving Vacation started at 2:30.

22—Everyone ate so much that it took

23, 24, 25—to recuperate.

30—We lost our first game of the season to Wilmore.

DECEMBER

4—The student body gaily boarded the school bus for Lebanon where the Pioneers chalked up their first victory.

7—The team lost to Lawrenceburg on the opponent's floor.

10—Bette T. rejoined the Seniors bringing with her from Michigan an accent and an identification bracelet.

11—The Pioneers bowled over the Burgin Bulldogs.

13—Danville defeated Harrodsburg by one point made in the last 3 seconds of a very exciting game.

14—Hooray! School's out for Christmas.

15—Football Prom in Danville.

18—Stanford defeated by the Pioneers.

20—U-High Christmas dance in Lexington.

21—Several Senior boys crashed a party on Linden Avenue.

24—Kilroy arrived in H-burg. He came home on leave with Louis Daugherty and decided to settle down here.

25—Santa Claus paid his annual visit and everyone had a Merry Christmas.

26—We played with our Christmas toys like good children.

27—Sub-Deb Dance. Need we say more!

28—The morning after.

31—Bobby and Byron came to a hen party to help the slick chicks celebrate New Year's.
The dance in Danville was enjoyed by those who managed to get there over the icy roads.

JANUARY

1—The L. D. Club was formed and several Seniors were the charter members.

2—School started regardless of the fact that everyone slept through classes all day.

3—At the Sub-Deb meeting, the enormous sum of one quarter was discovered in the treasury.

4—Madison won out over the Pioneers.

5—Some Junior girls became members of the L. D. Club.

7—The "Harrodian" Staff was elected.

8—Harrodsburg lost to Lawrenceburg.

10—French Club took Louisville by storm.

11—French Club improved their minds at the Art Museum and the Rialto.

15—Pioneers knocked Frankfort off the C. K. C. throne. Glendon made 21 points.

16—Thirty Seniors were exempted in from one to five subjects—to the surprise of the school. This total was more than the rest of the high school put together.

17—Midyears left us weak and weary.

18—We went to Danville for a second ball game that was unsuccessful for us.

21—Bobby reached his long awaited goal of eighteen years.

22—The Pioneers defeated Nicholasville.

24—First Staff meeting of the "Harrodian."

25—We defeated Kavanaugh. Byron and Ham decided to go into the construction business.

26—Edmond lost a bet to Byron—much to Ann Crossfield's distress.

28—The Junior rings arrived.

29—Defeated again by Madison.

30—Ham and Frank received their "greetings."

FEBRUARY

1—Several of the girls of H. H. S. put on their best dresses and smiles for the minstrel that was quite a success. The Pioneers were defeated by Shelbyville.

2—Edmond didn't fall down in the middle of the wedding, much to her surprise.

4—We had a picture show that proved clearly that no business is a success without the eternal triangle—and we don't mean workers, consumers, and investors.

5—The Pioneers won the big game against U. High.
Truett fainted when a pretty little second grader crooned "Some Sunday Morning" in assembly.

6—The Juke Box broke down in the White Way, no doubt because Kilroy played it too much.

7—We lost our first game with M. M. I.

8—The popularity contests were held, and Betsy and Joe were voted the most popular Seniors.

9—There was another hen party out on Beaumont Ave. Several of the boys felt it their duty to chaperone.

10—Our first really deep snow. It didn't stop THEM from holding classes although the buses did not run. Oh, to live in the country!

11—Several Seniors tried their hand at teaching the graded schoolers. Miss Keith visited the High School.

12—Henry Clay was overcome by our team and were we proud!!

13—All day we celebrated the past victory.

14—Valentine Day, as the flowers showed us the next day.
Owen passed out cold in the White Way, nearly scaring everyone to death.

15—The Pioneers lost to Winchester. Deep Creek is discovered.

19—We defeated Lancaster by a double score of 42-21.

21—Edmond celebrated her birthday and the boys gave her a spanking. "Romeo and Juliet" attracted several Seniors and they went to Lexington to see it portrayed on the stage.

22—We defeated M. M. I., thus evening up the score between the teams.

23—St. X. came out victorious over the Pioneers in Louisville.

24—Edmond and Betty met H. D. much to their distress.
The Senior girls proved to the Army that they had very good voices.

25—First games of the tournament. Harrodsburg and Kavanaugh survive first elimination.

26—Lawrenceburg and Burgin came out winners for the second round.
Some people stayed home and popped pop corn.

MARCH

1—Harrodsburg and Lawrenceburg left in there shooting after the semi-finals.

2—Lawrenceburg won the District Tournament by five points.
Several people had the graduation blues after the game.

4—Hyman Appleman spoke in assembly.

5—The Seniors chose their motto. Although "A live wire makes good connections" was suggested, it was not decided upon.

6—"Bluebeard" was attended by some of the students. It was told that Charles didn't use his opera glasses to look at the play.

7—Seniors defeated the Juniors by four points.

8—The premiere of Irma's first picture was held and clearly showed she has learned a lot about campusology.

9—Edmond almost went into the pool room.

10—Miss Powell discovered the way to attract attention. At least it looked like half of Harrodsburg was at the fire.

11—Senior team was victorious over next year's first team.

12—Junior play practice started. Seven Senior boys made the honor roll.

13—Jackie and Glendon were voted most beautiful and most handsome.

14—The team, as well as most of the student body, went to the State Tournament.

15—It took them all day to sleep it off.

18—The chemistry class proved that they had at least learned how to fool the public. Bible Study started.

19—The White Way was painted and all names and dates lost forever.

20—Kentucky proved themselves champions by defeating Rhode Island by one point.

21—The dramatic club went to Lexington to the Speech Tournament.

22—The baseball team was formed.

24—Another picnic was held at Dix Dam.

26—The Senior pictures were made.

28—We were given an idea of what the Junior play would be like in assembly.

29—"Rosalie Runs Riot," the Junior Play, was quite a success ,and so was the Junior party held at the Dam afterwards.

APRIL

1—Kid Day and did we have fun!

4—Test days again.

5—Ah! Spring Vacation.

4—Derby Day. Track meet at U. Hi.

7—Baseball practice still kept the boys at the park.

30—Commencement Exercises.

WHAT A YEAR!

FAREWELL

To our classmates and teachers we give a fond farewell. It's been twelve years since we timidly entered the first grade. Now we have finished the last days of our senior year. We have enjoyed every minute, and no matter where we go or what we do, you will always have a special place in our hearts. We sincerely hope that the Class of '46 will be remembered with as much pleasure as we shall remember you. To our high school, we say, "Thanks. It's been swell."
