ATTORNEY FOR PLAINTIFF

The affiant, William Barnett, says that this action against the defendant, Homer Yates, is for money due on an account and a cold check, he says it is a just claim, that he ought as he believes to recover \$11.25 thereon. He further says that defendant, Homer Yates has not enough property, subject to execution, in this state to satisfy this claim, ~~and that he~~ believes that the collection of the demand will be endangered by delay in obtaining judgement or return "of no property found"

William Barnett,

Subscribed and sworn to before me this 24th. day of April 1926.
