

Comes now the plaintiff, N.D. Downey, and states that the

defendant-~~was-on~~, Ed Burton, was on the --- day of ----- 1925, duly

appointed administrator of the estate of George Hills, by proper or-

ders of the Hercer County Court duly made and entered of record and

that he accepted said appointment and is now acting in said capacity

has in his possession and

advised. He says that the said defendant has advertised for sale

16 stands of bees now on the farm of said Hills, deceased, and that

said bees are the property of this plaintiff; said bees are mostly

in new hives made of pine lumber, plain box hives, but there are four

old hives; that said hives are each of the value of \$5.00 amounting in

all to the sum of \$80.00. Plaintiff says that he is the owner of said

hives of bees and entitled to the immediate possession of same; that

they are being wrongfully detained by the said defendant; that they

were not taken for a tax or a fine against the plaintiff, or under any

order or judgment of a court against him; nor seized under an execution

distress warrant or attachment against his property; that plaintiff's

cause of action has accrued within one year last past.

Wherefore plaintiff asks for an order of delivery for said bees

and for all his costs expended in this action and for all relief to

which he is entitled.
