\$2.75.

The affiant Jas.A.Green, states that he is one of the firm of Green and Stopher who conduct an Automobile Taxicab business in the City of Harrodsburg, Kentucky, that the defendant Julius Robinson is indebted to them in a balance of \$2.75 for automobiles furnished to him at his special instance and request and for which he agreed to pay; he says that said amount is just, due and unpaid and that they ought to recover the said amount from the defendant with interest and costs of this action; he says that the defendant has no property in this State subject to execution or not enough thereof to satisfy the plaintiffs demand and that the collection of same will be endangered by delay in obtaining judgment or a return of no property found.
