Mr. E. E. Brown,  
Nitro,  
W. Va.

Dear Sir:--

I saw Sam Corn last Monday and he said the varnish~~xx~~ taken was purchased by you to be used on the house you were to build and it was to be considered as settled for in the final contract he made with you. You can advise me further as to this claim. I have also been appointed by the Judge of the Mercer Quarterly Court to notify you that a suit has been filed in that Court against you by Noel & Brown for \$27.90 for goods and merchandise furnished you and they have garnished <sup>2</sup>any money coming to you in the hands of H. B. Yates and K. Demaree of the Board of Officers of Hebron Methodist Church. Please let me know at once if you have any defense to make in this action.

Yours Truly,

Chas. J. Lamm.
