THE HHS CLASS OF 1987 PROUDLY PRESENTS . . .

"A CLASS ACT"

Mr. HHS 1987

Hadden Dean *quickly adopted the routine of the class of 1987 on his arrival at HHS in sophomore year. Being a transfer student, he especially appreciated this title. A commitment to good scholarship has earned him awards such as the Academic Award on the basketball team in his sophomore, junior and senior year, membership in Beta Club, National Honor Society, Mu Alpha Theta and Honor Roll. He was a member of the Academic "Quick Recall" team for three years. His leadership and outgoing personality were rewarded with the Hugh O'Brien Leadership Award and the "I Dare You" Award, as well as the "Biggest Flirt." Club participation included Coed-Y, French Club and Pep Club. One of Hadden's favorite activities is basketball. He has played on the HHS team for three years, giving his best effort for the Class Act of 1987. He plans to attend the University of Kentucky, perhaps combining an engineering degree with the study of law.*

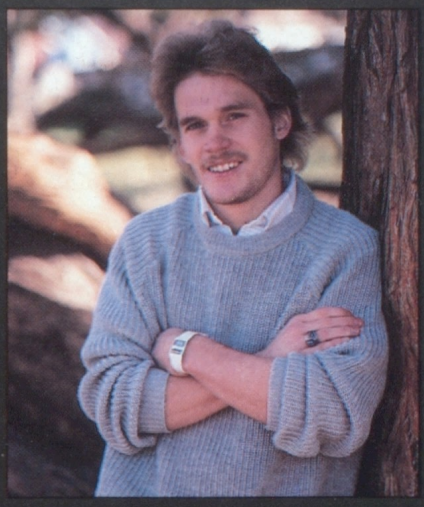

Miss HHS 1987

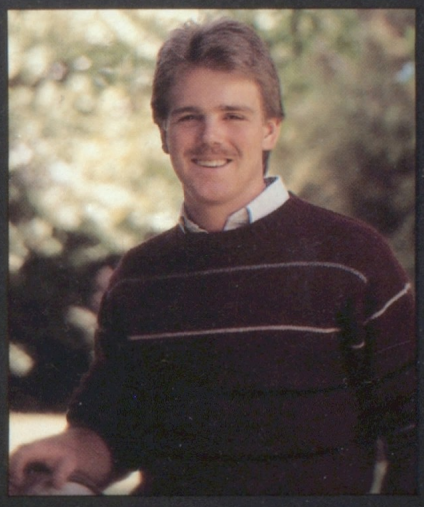

Jennifer Notter's *well-rounded interest in school activities earned her this distinguished title. She was involved in clubs such as Beta, Spanish, Pep and Mu Alpha Theta. She has been a cheerleader for four years and a varsity member of the tennis team for five years capturing the 110% Award and the Most Valuable Player Award. As a junior, she was the recipient of the "I Dare You" Award and the Home Ec. Award. This year she was deemed "Biggest Flirt" by her classmates. She was the Pi Zeta Christmas Queen, Homecoming attendant, advertising agent on the annual staff and an office aide. A highlight this year was traveling to Orlando, Florida with fellow squad members to vie in the National Cheerleading Competition. Some of her favorite activities are water skiing, swimming, snow skiing and tennis. Jennifer thoroughly enjoyed her years at HHS and proudly accepted this honor. She plans to attend the University of Kentucky in the fall.*

Introducing Our
Director, Producer
and
Technical Advisors

Administration
&
Faculty

A new attraction at our school this year was our new principal, Dr. Gary Rye. Although he was born in Amory, Mississippi, Dr. Rye is no stranger to Kentucky. He grew up in Jeffersontown and graduated from Eastern High School in Louisville in 1966. He then furthered his education at Western Kentucky University, the University of Mississippi and the University of Alabama where he received his Bachelor of Science in Education, his Master's in Education and his Doctor of Education. Dr. Rye has worked at a variety of jobs during his career. He held such positions as elementary and remedial reading teacher, zone manager and sales representative for a textbook company. He also worked as principal at both Millport Consolidated Schools and Meek School in Alabama before becoming principal at Harrodsburg High School. When asked how he felt about Harrodsburg, Dr. Rye replied,"There is a feeling of caring in the community . . . I appreciate the fact that people are concerned for your welfare . . . Harrodsburg allows a slower pace than large cities. My family and I prefer a community such as this." Dr. Rye commended HHS for its reputation throughout the state as a strong academic and athletic school and stated several goals that he has for this school: "to see that our reputation grows . . . to implement additional academic curriculum in order to prepare students for life . . . and the ultimate goal of seeing Harrodsburg High School recognized as the number one school in Kentucky." Dr. Rye was well-received by students during his first year at HHS. Everyone looks forward to his continuing a fine job as principal.

Award winning squad

The HHS boy's varsity cheerleaders season started after May try-outs were completed. The ten girls began afternoon and evening practice sessions through-out the summer in preparation for NCA Cheerleading Camp. Their hard work paid off winning them the over-all best squad award at Western Kentucky University Camp. The win entitled the squad to attend a National Cheerleading Competition at Orlanda, Florida in December. They placed 13th. in their National category. With hardly a pause to catch their breath, they won the CKC championship in January, the 46th District competition in February and 12th Regional competition in March. This win was the first ever for a Harrodsburg Cheerleading Squad enabling the girls to compete in the State KAPOS At-Large competition at Memorial Coliseum in Lexington, Kentucky. The squad consisted of three seniors, five juniors and two freshmen, who not only practiced for their competition, but planned pep rallies, made posters, fixed surprises for football and basketball players and earned money for their trips. The girls had a great time together and made many good memories.

Captain, Angela Hood

Seniors

These three senior girls have been cheering since Little League in sixth grade. Their combined experience gave the squad the leadership needed to be award winners. The girls plan to stay close as they will all be in Lexington, Kentucky next year. Below, the squad demonstrated their gymnastic techniques.

The girls displayed the award they received as the best over-all squad at NCA Camp held at Western Kentucky University.

After their performance at National Competition, the squad posed for a picture.

As winners of district and regional competition, the girls received blue ribbons and flowers.

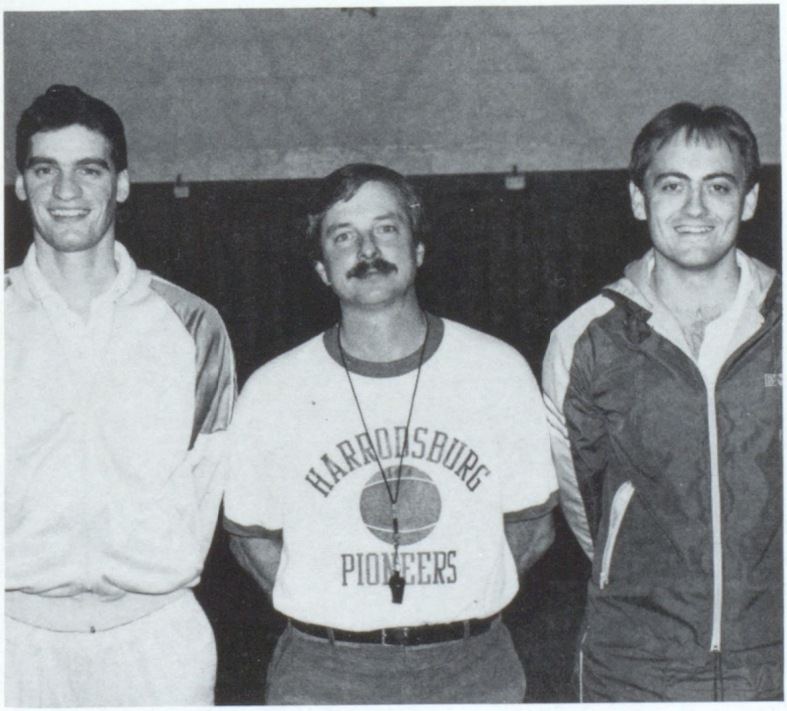

Public relations was a part of the job as the squad prepared for a Snow-Go Report. At right, the squad took a final bow.

"Cinderella Hogs"

The HHS Varsity Basketball Squad continued their act this year with a "grand finale" that carried them all the way through the competition season to one game short of the final "Sweet Sixteen" in the state. After a slow start, much hard work and true "grit" helped them to win the local district championship, beating rival Mercer County in the finals. They then went to Pulaski County to compete in the regional contest, winning against tough foe Russell County in the opening game. The second regional game was against Danville, the team expected to be the finals contender in the 12th Region, but the "Cinderella Hogs" showed Danville a seat in the gallery, as they beat the Admirals in a tremendous finish. They had now gone farther in regional play than any Harrodsburg team in 27 years. Only the Monticello Trojans were able to stop these Pioneers in a hotly contested game for the Regional title. So hail, Regional Runner-Up for 1987—HHS Pioneers!!

Seniors

Hadden Dean and Stuart Thompson were an inspiration to underclassmen this year. Their leadership will be sorely missed. Hadden played forward and never lost his enthusiasm for the game, even tho he played most of the year with a nose guard. Stuart played guard this year as he has all the years of his basketball career. We are proud that Stuart made the All-District and the All-Regional teams. He also was the recipient of the Defense Award and the Senior Award. Hadden received the Harrodsburg Herald 110% Award, the Rotary Club Academic Award and the Senior Award. Hadden and Stuart plan to attend the University of Kentucky in the fall. We wish them much success in their future endeavors.

Pioneers were always ready to start the game with "low-fives."

Shooting over the opposing defender, Chris Huff put in another basket.

At the beginning of the game against Mercer County, Troy McGinnis tried to control the jump ball.

Terry Yeast got into position as Stuart Thompson made an outside shot.

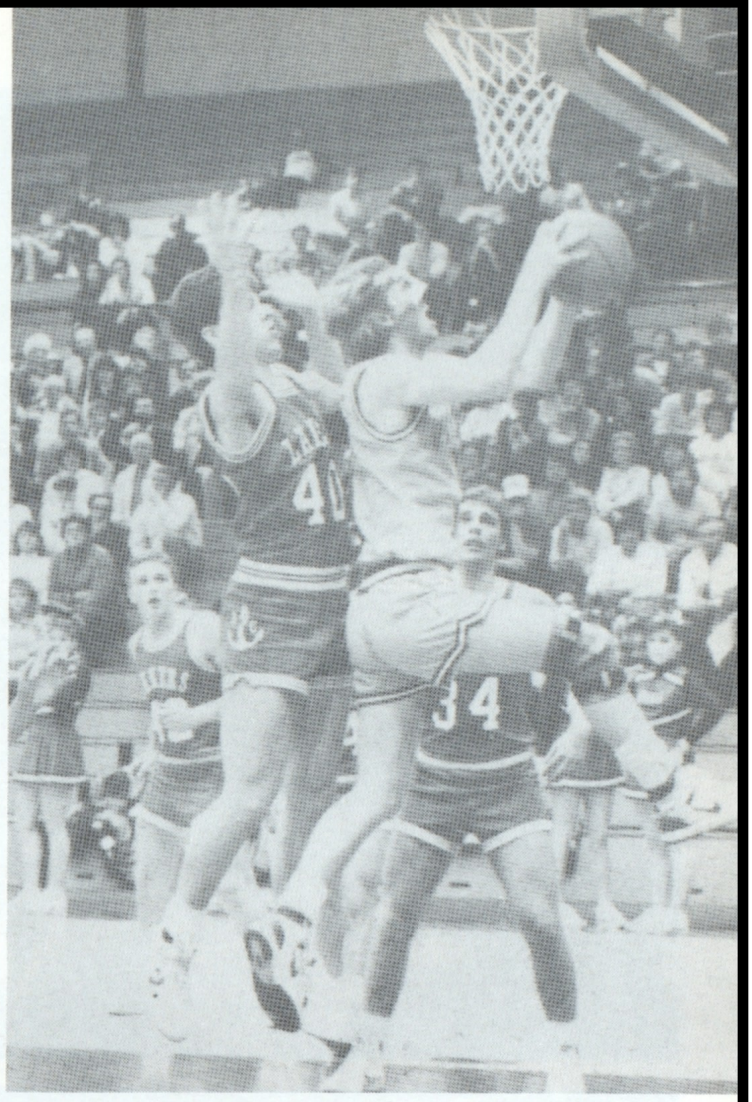

Terry Yeast shot over the head of Garrard County opponent as Chris Long and Hadden Dean fought for position.

Terry Yeast, Thad Lester, Chris Huff and Chris Long relaxed after the Garrard County game was well in hand.

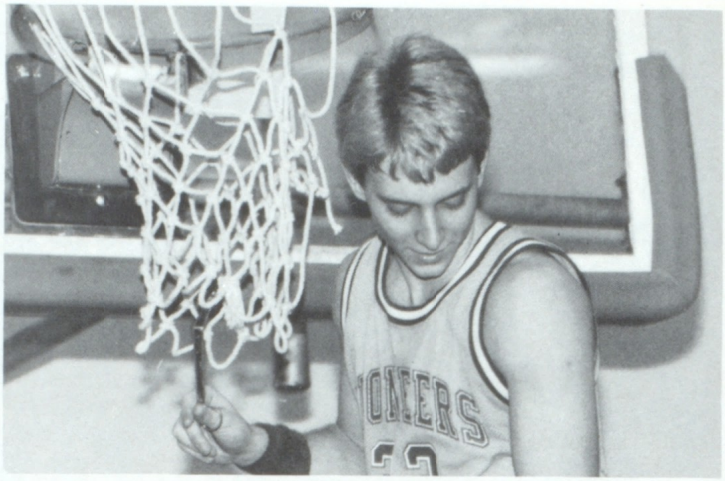

Hadden Dean went in for a lay-up against Russell County in Regional competition.

Troy McGinnis attempted an outside shot as Hadden Dean and Stuart Thompson watched for possible rebound. At left, Troy McGinnis had Chris Huff explain what Coach Welty wanted executed while Terry Yeast listened.

Thanks for

the memories

"Good luck, seniors, we'll miss you!"

(bottom left) Sherry Bachtel put up a shot while Angie Hayden and Missy Wilham got in rebounding position. (bottom right) Stephanie DeFoor and Emily Campbell plotted an attack.

The girls were always there to support the boys' team. Here, some of the team members were shown cheering at the Mercer-Harrodsburg game. The girls' team was grateful for the support they received from the "Crew," parents, managers and students throughout the year.

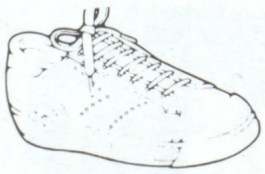

"Who's the pass to?" was the question on the faces of Mechelle Doolin and Cindy Yocum.

Above, guard Emily Campbell brought the ball down the court as Missy Wilham looked on.

(Right) "Oops!" said Angie Hayden as Sherry Bechnel and Missy Wilham looked on.

You Got It All

Prom '87

"You Got It All" was the theme chosen by the Junior Class to honor the Seniors this year. In order to allow seniors to attend at no charge, the juniors raised funds by sponsoring a Poinsettia Sale at Christmas. The sale was so profitable that all juniors got in free, also. Lions' Park was transformed into an elegant ballroom with an arch of balloons and streamers in blue and white. The music was supplied by the sound system of 94 1/2. The night of fantasy made the prom a memorable evening that everyone will cherish.

Above, Nina Napier, Lee Montgomery, Alyssia Middleton and Brad Matherly looked on as Kirk Hembree and Dion Jones "cheered on" the King and Queen.

"THE ROYAL COUPLE"

Emily Campbell, Vice-President of the Junior Class announced the 1987 prom King and Queen, Charlie Lawson and Angela Hood. Charlie received a mint julep cup and Angela received a crown. The Prom Royalty then danced a spotlight dance to the theme music of "You Got It All" while the crowd looked on.

Jerry Freeman enjoyed the romantic evening with date, Jennifer Woodrow.

Sam Brown whispered to his date while Missy Wilham viewed the crowd.

The students showed their different moves on the dance floor.

Joe Dale Gerlach showed his moves to date, Shannon Cummins.

Barbara Rogers and Betty Arrasmith took a break from dancing to pose for the camera.

The senior boys donned a vast array of costumes.
