

Mercer Quarterly Court-

George Marimon-

Plff-

Vs-

Petition To Be Made A Party-

Bill King, etc-

Dft's-

Comes now the intervening petitioner, W.B.Matherly, and says that the property attached in this action and upon which plaintiff has a lien by mortgage is his property by right of purchase from defendant, Bill King, subject to the liens herein alleged. He says that he acknowledges plaintiff's rights as alleged in his petition and asks that same be satisfied, but that the residue of said sale made under this judgment after the satisfaction of said debts and costs and the unsold property if any remains unsold be adjudged to be paid to him and that the title of said unsold property if any be adjudged to be in him by right of purchase from defendant as aforesaid.

He asks that he be made a party to this action and that his rights be protected by the payment to him as aforesaid the excess of said sale and the return to him of any unsold property attached in this action or encumbered by a lien of mortgage- He prays for all relief-
