Answer

Burnice Ransdall,

Defendant

Defendant, Burnice Ransdall, for answer to petition of plaintiff denies that he is indebted to plaintiff in the sum of \$24.05 .

Further answering defendant says that he is indebted to the plaintiff in the sum of \$7.50 and no other amount and that he is willing and does offer to confess judgment to that amount and that he now tenders in Court the sum of \$7.50 the total sum of his indebtedness to plaintiff.

Wherefore, having fully answered defendant asks to be dismissed with his costs.
