

MERCER QUARTERLY COURT.

M. DIVINE'S ADMINISTRATOR,

PLAINTIFF.

--VS-- PETITION TO BE MADE A PARTY.

BRACK COLLIER,

DEFENDANT.

Your petitioner Zannar Collier states that in this action there has

been attached one Buick 1920 Model Automobile, K.6-45, S.A.E. Horsepower, 27, 34,
as the property of the defendant Brack Collier; she states that said Automobile is her property and that she paid for same and that it is licensed in her name and that the defendant Brack Collier has no right, title or interest in said car.

Wherefore she prays to be made a party defendant to this action and that

said car be adjudged to be her property and the attachment against same

be dismissed. She prays for her costs and whatever relief she may appear

entitled to.

Attorney for Zannar Collier.

The affiant Zannar Collier says that the averments in the above petition are true.
