Gentleman:-

Replying to your letter of November, 22, will say I will want from 4000 to 6000 books, and I believe just print the cover 4 sides in Yellow and black will be all right, and not print any of the other pages in two color work,

It seems to me it would pay to print this job on enamel paper however I will let you know when I receive dummy,

I also will want envelopes for these books to go in, you will please quote me on same printed,

As to terms will say I would like for you to give me sixty to ninety days and at that time I can take care of this account nicely, Owing to the high price of seed it is taking a great deal of money to pay bills and freight and if you could make this turn it would be a big help to me, and if you want to know who I am you may write to any one you may know in this city.

Last year my business was bigger than ever and I am hoping to make this one the biggest of all,

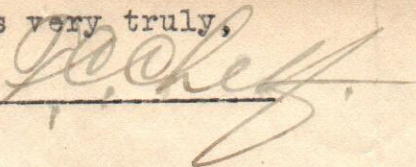

I would like to have these books about the 20th of December this would give me time to get them mailed out to my customers that they would receive same by Jan, 1st, any way.

With best wishes, I am

F.C.C./#1

Yours very truly,
