

2/Chelf

We will be glad if you would send us
your check for a half or a third if
you will be good enough to do so as
under the new paper regulation we are
compelled to pay cash. You probably
understand and appreciate what this means
to us.

We are looking forward to the pleasure
of making you a fine catalog and want
you to know that the writer will give
your job his personal attention from
the time it begins until it is in your
hands.

Awaiting your advice and further in-
structions, we are,

Yours very truly,
COMBEE PRINTING CO.

WER:EM

Mgr. Promotion Dep't.

Your order is a big job, Mr. Chelf, and we are
happy to hear it. We will get ready at once upon
receipt of your instructions and will hurry it as
fast as we can.
