Gentleman:-

Replying to your letter of November, 30th, will say you may print me 400 catalogs on paper like the dummy sent me, one color on the inside and Yellow and black on cover 6 3/4 x 10 1/4, 40 pages and cover printed on paper like dummy,

Also will want 400 envelopes 7x10 1/2 36 lb manila open end printed with corner card in black ink, If you don't think this grade envelope is strong enough for the catalog it would be best to get a grade better but I will leave that to you whatever you think is best.

I note you can not get these catalogues out by Dec, 20, which I am sorry, You know most of my business comes from the South and they began buying the first of Jan, this is why I wanted them at that time,

As to paying part on the bill now will say that will be all right, and I will mail you check before you get same printed.

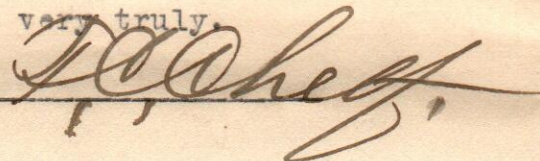

Kindly advise me if you think I will be able to get these books about the first week in Jan, or sooner. as I will begin advertising in the farm papers the middle of this month.

With best wishes, I am

Yours very truly,

F.C.C./#1
