Gentleman:-

Replying to your letter of May, 21, will say I will want several 1000 Catalogs printed this fall. Say something like 40 page catalog or over, also would like to have some two color work, would like to know how much extra it would cost to print a catalog like this.

X I note you have some new cover cuts, would like to have samples of some, also sizes of catalogs you print. The last one you printed for me was 9 x 6 but I think I would like to have something larger if it does not come to high.

The catalogs you printed for me in 1916 was very nice but I received them a little too late, and would want these printed early in the fall. using lots of cuts that would show the book off.

X Do you print any kind of Circulars say for mailing out to your trade if so please mail me some samples and prices on same.

With best wishes, I am

Yours very truly,

F.C.C/#I
