MOMENTS OF HARD WORK

School, who needs it?

"Don't worry and fret, faint-hearted,
The chances have just begun,
For the best jobs haven't been started,
The best work hasn't been done."

Our fighting Scotties overcame many bad breaks and hardships to post a record of 3 wins and 7 losses for the season. They were plagued by injuries to many key players throughout the season, but never gave up. The highlight of the season came when the Scotties broke the school scoring record with a 62-20 win over M.M.I. in the Homecoming game. They all did a great job and we should be truly proud of them. The Scotties will lose thirteen valuable seniors who are as follows: Richard Caton, Tim McCoy, Ralph Phillips, Drew Tatum, John Gebhard, Jerry Peavler, Dennis Mayes, Bill Brown, Frankie Yocum, John Akers, Jim Daugherty, Eddie Parr, Ron McCrystal, and Donnie Duncan.

ACTIVITIES

Science Club

Most of the projects the Science Club completed were in the spring. They planned a one day outing for club members to hike through the woods and study trees and shrubs, plus insect life. Following this the club had a afternoon session of wading the river to collect and study aquatic life.

They also built and launched model rockets. This project was handled by physic students.

M-Club

Baseball, track, football, golf, and basketball, these are the sports that many Mercer boys have to work so hard at to be able to join the M-Club. But playing in sports is not all the M-Club boys do. This year they sponsored a Blue-White Football game, which Mercer students attended. They also had a cook-out which is one of their regular events. So with boys around like these, Mercer can't go wrong.

Student Council

The Student Council's aim is to bring the students and faculty closer together. It also tries to help the school by donating a useful object to the cafeteria, library, or the school in general. Problems of the school are discussed at each meeting and the Council tries to come up with a logical solutions.

This year once again, the Council sponsored a talent show giving prizes to the top 3 acts. The money made at the talent show went to buy a complete steroe unit for the school.

One thing the club did was to buy the Varsity Cheerleaders pom poms. We hope they are a great use to them.

"About Face" . . . That was the sound the Drill Team heard this year, along with many other orders. The Drill Team performed at home basketball games and marched in many parades throughout the year. So, next year when you hear those orders, it won't be the Army, just the Mercer Drill Team.

Mercer County Band

The Mercer County Band participated in many events this year. During the fall football season, they performed at half time. Two marching contests were attended at Morehead College, and Ashland High School, plus marching in two Christmas Parades. The band also presented a Christmas Concert open to the public.

During basketball season, the band was there to support the team by playing at home games. On April 27-29, the band took their annual band tour to General Butler State Park, playing concerts at Midway Junior College, Georgetown High School, and Carroll County Elementary School. After returning, the band presented their Spring Concert, playing many of the songs performed while on tour. The last event that the band participated in was the K.M.E.A. Musical Festival at U.K.

Junior-Senior Prom 1972

"Somewhere My Love"

The Junior-Senior Prom of 1972 was a big success! The beautiful decorations and delicious refreshments showed the hard work put into the dance by the Junior Class.

Jimmy and Teresa Tewmey were named Prom King and Queen to highlight the evening. They were crowned by last year's royalty, Kenny Beasley and Rhonda Orwig.

"Iron Horse" provided the music to make the night an unforgettable memory for everyone.

Billy Rigsby, Junior Class President, presented each of the sponsors with gifts of appreciation.

"Try it, you'll like it." That's what everybody says. Little did we know that our year as annual staff members would be filled with cropping, enlarging, reducing pictures; writing, rewriting, editing copy; drawing lay-out mats; cutting expenses to fit our budget; meeting deadlines.

This year the annual staff was composed of not only new members, but also a new sponsor. Because of this there are, we feel, many imperfections in this annual. Nevertheless, WE TRIED!

"We Do Not Remember Days . . . We Remember Moments"--moments of fun and laughter, sadness and sorrow. The memories found in these precious moments are those that will be remembered after the years have passed; they are moments on which our futures will be built. Our stay at Mercer is over, yet we will cherish those things that are not easily forgotten--those special moments!
