Gentleman:-

Replying to your letter of June, 7, will say it will be impossible for me to be at the Convention this year, As we are now cutting our Barley and then the Rye and Wheat, and as help is so very hard to get as you may know, I will have to make a hand my self and stay home to help save the crop,

I would like very much to meet you at the Convention but guess I will have to call it off this time.

I will let you here from me a little later on about how many pages for Catalog and amount of Books wanted.

With best wishes, I am

Yours very truly,
