Gentleman:-

I am mailing you in this mail copy for Catalog, size to be 6 3/4 x 10 1/4 inches, cover to book to be two color work, You will kindly let me know how many pages this will make the book, Also how much extra it would be to make the book two color, yellow and black so the Yellow varieties of corn would show up, and could make the cover same color,

I am also expressing you to day some of my cuts to be used in catalog, and have marked on copy I am mailing you the numbers of your cuts I want to be used in the book, The three pictures herewith enclosed I want half tone cuts made from the pictures same size as pictures, and you will note on back of pictures names of varieties they are,

I would like for you to use paper that would show the cuts up well, Please mail me dummy soon as possible.

With best wishes, I am

Yours very truly,
