The Hornet

1954

FOREWORD

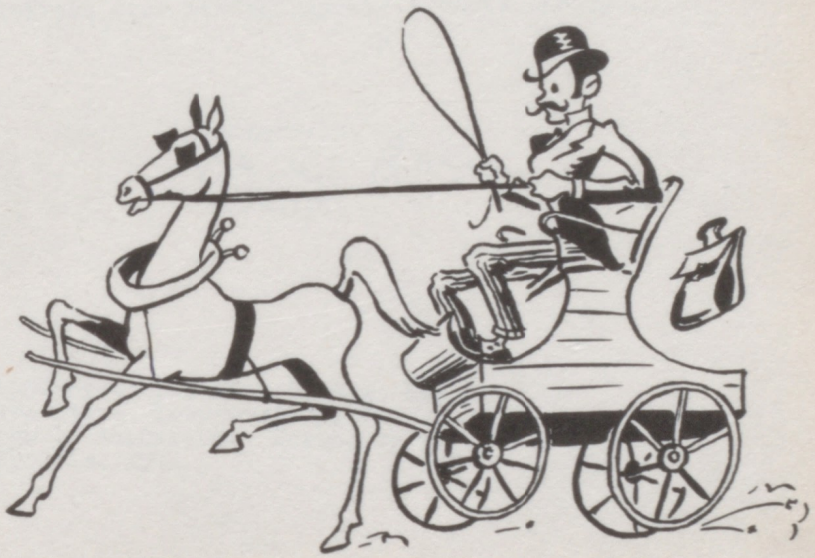
The purposes of this year book are to record the memorable events of our school year, to remind us of our class companions and teachers, and to help recall the fun of the year.

The Senior Class presents this edition of THE HORNET with the hope that it fulfills these conditions.

Dedication

We, the Senior Class of 1954, dedicate this edition of THE HORNET to Mrs. Porter Parson, a former teacher of our school. She has cheerfully used her ability to help us produce this year book. To her we owe much for she has devoted to us her loyal friendship and valuable time. We express our sincere appreciation for what she has meant to us as a teacher, friend, and counselor.

ADMINISTRATION



May this Annual be the prized possession of each of you and serve as a record of the kind of human relations each student should promote throughout life.

Sincerely,
W. W. Rowe

History

In 1950, we, the Seniors of 1954, boarded our special plane for four year course in aviation school. We were the new class of "Green Freshmen" that appear each September at the training center, McAfee High School. Each member of our class was filled with energy, ambition, and the determination not to "wash out", but to end the course wearing the gold bars of a pilot. At the beginning of our training period we elected the following officers: President - William Conder, Vice-President - - Elizabeth Smith, Treasurer - Dalton Hendren, Secretary - Mable Sims, Reporter - Nina McCoun, Dalton Hurst and Nina McCoun left our class during the year which closed with an excursion flight to Joyland Park. Mr. Bruce Champion was our sponsor during this first training period.

In the fall of 1951, twenty-eight climbed aboard the plane for the second period of training. We were determined to ignore the title,"Silly Sophomores", which our upperclassmen bestowed upon us. We continued our flight training with the following officers: President- Kenneth Roney, Vice-President -William Conder, Secretary,-Mary Joyce Dean, Treasurer - Dalton Hendren. We regretted the loss of Agnes Wickersham, Bobby Sheperson, and Elizabeth Smith, but we welcomed Bessie Cooper and Durr Graham. Our Sophomore year closed with a flight to Fountaine Ferry Park, Louisville. Mr. A. T. Hensley was our training officer during this second period.

When we became "Jolly Juniors" our class became smaller through the loss of five members, but we have striven to keep in the air without them. We were happy to welcome Bobby Sheperson who rejoined us in training. Our officers this year were: President - Dalton Hendren, Vice-President - Frances Pinkston Secretary - Eugene Taylor, Treasurer - Betty Reynolds, Reporter William Conder. We look upon the production of our Junior Play, "The Darling Brats ", directed by Mrs. Porter Parson,as one of the most enjoyable and successful experiences of our training course. At the end of the third month we lost Mrs. Parson as our sponsor. Miss Eugenia Bissit became our pilot for the remainder of the year.

Finally we have reached the last period of training in aviation school and are "Dignified Seniors". We are almost ready to receive our bars as full-fledged pilots. On this last flight we have had the following officers: ------ President - Dalton Hendren, Vice -President,- Carolyn Robinson, Secretary, Eugene Taylor, Treasurer - Betty Reynolds, Reporters - Kenneth Roney and Charlotte Woods. This year we lost three flight companions: Frances Pinkston transferred to the training center of Harrodsburg High School,Mable Travillion and Lorena Peavler are on the sea of matrimony, Again Miss Bissit has been our flight officer.

Hurrah for us! We justifiably boast that we are the most active class in school. William Conder Kenneth Roney, And Stanley Watts have made the basket-ball team for three years. Barry Britton, Dalton Hendren, Harry Terhune, and Bobby Sheperson have seen action in most of the games. Mary Joyce Dean and Carolyn Robinson have served as able cheer-leaders. This year all the F. F. A. officers are Seniors. Eugene Taylor won the F. F. A. district public speaking contest last year. In her Junior year Betty Reynolds was the F. F. A. Sweet - heart. This year she won the D. A. R. Award. Other members of the class have served as officers of the Y-Teens Club, the Student Council, The Glee Club and the Beta Club.

Our four years in aviation school have been difficult but happy years. As the end of our training draws near, we anticipate with much pleasure the events before us; our Senior Play, Class Night, Baccalaureate, and Commencement. And now we bid our instructors and companions "goodby" and "happy landing".

Senior Class Will

We, the Class of 1954, being about to pass out of this sphere of education, in full possession of a crammed mind, well-trained memory, and almost superhuman understanding, do make and publish this our last will and testament. And in this manner do we dispose of our possessions:

Item: We leave the Junior Class our old books and all our examination questions we have been given this year.

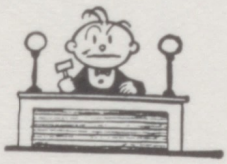
Item: To the Sophomores we bequeath our ambition to skip all Math. Classes.

Item: To our young friends of the Freshmen Class, we leave the best of luck.

Item: We give and bequeath to all the dear faculty, who have been our instructors, a sweet and unbroken succession of restful nights. It has been a hard strain on them, for all Seniors are said to be at all times and all conditions difficult to manage. But they have done their duty and now they shall have their reward.

Item: To the underclassmen we give and bequeath our individual possessions:

1. Barry Britton wills his big feet to any underclassman who needs a good understanding.
2. Carolyn Robinson leaves her ability to sing to Judy Yeager and Shirley Stratton.
3. To George Phillips, Bobby Shepperson leaves his cute smile and his "Did it hurt you?" saying.
4. Kenneth Roney wills his height and pleasant ways to Norvie Lay.
5. Mary Joyce Dean leaves her ambition to become a housewife to Mary Lou Conder.
6. Betty Joyce Reynolds leaves her pet saying,"silly", to Betty Jo Snowden.
7. To Bronson Yeast, William Conder leaves his ambition to go to U. K.
8. Stanley Watts leaves his long shots in basketball to Carrol Gritton.
9. Dalton Hendren leaves his ability to woo the girls to Norman White.
10. Charlotte Woods leaves her ambition to become a nurse on the front lines to Hallie Reynolds and Jaunita Sea.
11. To Patsy Mooney, Jane Watts leaves her long finger nails.
12. Harry Terhune leaves his good looks to Tony Proctor.
13. Eugene Taylor leaves his witty sayings to Cape Anderson.
14. To Lyndon Jenkins, Jack Davis leaves his pesky ways.
15. Virginia Egbert leaves her flirtations to Charlene Fallis.
16. Kathleen Tatum leaves her short stature and quiet ways to Arlene Dean.
17. Barry Britton wills his ambition to become a farmer to Elton Johnson.
18. Hartford Sexton leaves his ability to draw to Charles Preston.
19. Durr Graham wills his slimness to Iva Watts.
20. Carolyn Robinson wills her cheer-leading ability to Louise Long.



We do hereby name and appoint our class sponsor, Miss Eugenia Bissit, as sole Executor of this our last will and testament.

Custodian

Mr. Eddie Hardin

On this page we pay tribute to the personnel of our school who are not on the faculty, but have meant so very much to us. We are truly grateful for their help, encouragement,and understanding.

The Cafeteria Staff have efficiently and cheerfully prepared and served well-balanced lunches. More than this they have freely given us of their help and friendship throughout our years in McAfee School.

Mr. Hardin, our Custodian, has endeared himself to everyone by his kindly humor, patience, and helpfulness. He will always remain in our hearts and our minds as an important personage in our school.

Although their pictures were not available, we will ever cherish pleasant memories of our Bus Drivers: Mr. Harlow, Mr. Ballou, Mr. Lawson, and Mr.Foster. Safely transporting us to and from school, they have been faithful guardians of our welfare.

Our School Song

Oh, here we come, bum, bum, from McAfee
We have just lots of pep and loyalty.
We are the pride of everybody's heart,
Best of all the facult-tee, hee, hee.
Oh, we're just as fine as can be,
Before long we'll have a high degree.
We've Got a record that just can't be beat,
Can't be beat, McAfee can't be beat.
'Cause we're going to win this ball game tonight
We've got a team that's rugged but right.
For our school we'll yell, yell, yell.
For our colors fight like heck.
Just look at our boys, don't they look fine?
You do your best boys all down the line.
We're for you the whole way through,
We're rooting for M. H. S. Rah! Rah! Rah!
