

Also the Deposition of Thos Dean taken
at the same time & place for the same
purpose mentioned in the Caption Witness
being first duly sworn states as follows.
Exhibited by Atty for F.M. Crossfield.

I am acquainted with the land in controversy.
I live about 1/4 mile from it. have known
said land all my life, part of my farm
adjoins said land. At the time ~~James~~ William
Hamilton got possession of said land it was
in good condition, I think it is in very
bad condition now the houses have been
damaged & torn down pretty considerably.
I think it would take \$100.00 to put
the houses in as good condition as they
were when F.M. Crossfield had it. I
do not know what it would take to
put the fences in good repair. The well
has been filled up, I think it would
cost \$15 or \$20 to clean the well out,
& further sayeth not
