

Being that duty from state as follows.
Expended by City for Mr. K. and his
plan required with the land in Embury
I live about 1/4 mile from it. have known
said land all my life. Part of my farm
adjoining said land at the time of Mr. Williams
William got possession of said land if was
in good condition. I think it is in very
bad condition now the houses have been
damaged & have down pretty considerably
I think it would take \$1000 to put
the houses in as good condition as they
were when Mr. K. bought it. I
do not know what it would take to
put the houses in good repair. The wall
has been fixed up. I think it would
cost \$1500 to clean the wall out.
If further length has been
