Mercer County Court.

W. P. Hogue

ON:: Georgia McDowell Petition to be made a Party.

Petition

Now comes Georgia McDowell and says that she is vitally interested in the procedure of the above styled action; that the road mentioned in the petitioner's petition is the only way of ingress and egress to and from her farm, which consists of 180 acres, to church, school, to her voting place, to mill and to the county seat and that she will be greatly damaged and inconvenienced by the closing of the strip of road mentioned in petitioner's petition; she states that she should be made a party to this action; that said action should proceed and be styled W. P. Hogue vs. Georgia McDowell.

Wherefore, the petitioner, Georgia McDowell prays the court to be made a party to this action; that said action be styled W. P. Hogue vs. Georgia McDowell, and that same proceed as such and that all motions, exceptions and proceedings be so styled.

Respectfully petitioned.
