

Burley Tobacco Growers
Co-operative Association
(INCORPORATED)

H. L. EARLEY
SECRETARY & TREASURER

Lexington, Ky.

January 11, 1923.

Re: Farmers Bank of Salvisa
Vs.
A. B. Burrus.

We acknowledge receipt of order of attachment
in the above action.

Because of the impossibility of knowing the
exact deliveries of tobacco made or to be made
by the debtor until the close of the delivery
season, we ask the leniency of the Court
with reference to the time within which an
answer may be made by Garnishee, so that
the Court may be accurately informed.

In the meantime, notices are being sent
to delivery points, so that all deliveries will
be carefully checked up.

We desire in every way to co-operate
with the courts in these matters, and we also
will appreciate any information which will be of
assistance in expediting an accurate and immediate
report on the part of the Association.

H. L. Earley
Secretary-Treasurer.
