

Mercer County Court.

Tom Squifflet &c.,  
On Complaint.

Judgment.

This matter being submitted to the court for judgment on complaint of Tom Squifflet, Garnett Knight and Ed. Sutherland, regarding clerical errors in the assessment of a house and lot in Harrodsburg, Ky., located on Price Avenue, finds that said property was properly assessed to Tom Squifflet at \$1700.00, as of July 1, 1922, and that the assessment of the same property to Garnett Knight and Ed. Sutherland for the same year is a clerical error. It is, therefore, ordered and adjudged that said assessments against Garnett Knight and Ed. Sutherland be cancelled, and the sheriff and assessor of Mercer County are now directed to strike the same from their files, ~~and admitting~~ said officers having notice of this proceeding and admitting the errors complained of.
