Charles Walker,

Defendant

Plaintiff, Mercer Garage & Welding Company a partnership composed of Tom Durr, Currey Marksbury and A. W. Coming state that the defendant is indebted to them in the sum of \$24.20 ; that said sum is balance due on account of \$52.95 all of which has been paid except the above amount; that said amount is just due and wholly unpaid .

Plaintiffs state that this is an action for money due on said account ; that they believe they should have and recover the full amount of the balance due on said account together with the costs of this suit; that the Defendant has not sufficient property in this state to satisfy and pay said indebtedness nor has he sufficient property subject to execution to satisfy and pay the same and the collection thereof will be endangered by delay in obtaining judgment and return of non property found.

Premises considered plaintiffs pray judgment against defendant for the sum of \$24.20 ; for costs of this action and for a general order of attachment of plaintiff's property or so much thereof as will satisfy and pay this claim and pray generally for all other relief to which they may appear to be entitled.
