Merced County Court

Two years having elapsed since the
District has been established, we the undersigned
citizens, voters and owners of Merced County, hereby petition
the Honorable the Court to enter an order changing said Graded
School District, as to allow the petitioner named persons and
land to be added to said Graded School District, because it
is desirable and necessary. All persons affected by this change
signed here and acknowledged that the change be made.
Beginning at a point on the Southern Ry Co near the pump house, and
running North along said road to Route 1 line, thence with Route's
line to the County Dirt road, called West School House road, thence with
road South to the Lutew and West's Mill turnpike; thence East
with said pike to the place of Beginning, including the land of Archie
Sanders and S. R. Smith.
Again Beginning on the South side of the Salvia Graded School District,
at a point in said District near W. E. Sharp's residence, and running West
about 3/4 of a mile along the Ferrythe Mill and Duganville turnpike
to the land of Mrs. Salia Persons, excluding here; thence South to the
land of R. A. Wilman, excluding him; thence East to the State pike;
thence North to the place of Beginning, including the lands of S. K.
Pellie and W. A. Sharp, about 118 acres. The first of the above territory
being now in Common School District No. 8, of which Lee Taylor is Trustee
and the other being now in Common School District No. 10 of which Mrs.
Lee Wilman is Trustee.
