You will observe that the title remained in Larkin Co Inc. and failure to remit the amount makes the debtor liable for conversion of goods or money, as case may be and also for obtaining goods by false pretences or, if the goods were sold, for embezzlement of funds. Take these facts into consideration in handling this account, make a formal demand for the goods or the money and pursue such course as the special facts and circumstances require and the statutes of your State make most available. Upon advice from you this Company will furnish you original papers and affidavit of claim and will stand by any legal proceedings that the facts will sustain and justify.
