Vs-

Petition-

Pete Mc. Ginnis-

Dft-

The plaintiff and affiant, Ed Mc. Kinney, says that the property claimed by him in this action is a Victrola, new, and of the value of \$25.00; that the brand of said victrola is The Victor Talking Machine.

That it is in the possession of defendant and is wrongfully detained by him and that it was not taken for a tax or a fine against him nor under an order of court nor under a distress attachment or execution against his property.

Wherefore he asks for an order of delivery for said property which is in his possession in his house in Mercer County, Ky., and if said order for any reason can not be enforced or complied with then he asks for a judgment for \$25.00 and all the costs of this action and for all relief to which he is or may appear to be entitled-

Subscribed and sworn to before me by Ed Mc. Kinney, Dec- 13, 20-
