D. J. V. S.

He states that said calf was of the reasonable market value of \$35.00 and that he has been damaged in that sum all of which was caused as aforesaid by the lack of fencing, cattle guard and the negligent failure of the defendant to maintain and keep the same in repair.

Wherefore he prays judgment for \$35.00 and interest and costs and all proper relief.

C. E. Rankin Atty for the Plff.
