

Plaintiffs state for further ~~caused of this~~ of this action that notwithstanding their contract to have full use and possession of the two dwellings houses on said property with the exception of one room which the defendant reserved for his own use, the defendant retained the use of two rooms and denied to these plaintiffs the right to use said rooms. They state that the reasonable rental for said rooms is two dollars per month; that defendant used said rooms for a period of twelve months and during no time of said period were these plaintiffs allowed to use them and that the sum of twenty-four dollars (\$24.00) for said use of them is a just and reasonable rental consideration for said room.

WHEREFORE, Plaintiffs pray for judgment against defendant in the sum of seventy-six dollars and twenty-nine cents (\$76.29) and for the further sum of twenty-four dollars (\$24.00) and for costs of this action and for all other relief to which they may appear to be entitled.
