

State of Virginia,

In the Corporation Court for the City of Charlottesville, on the 21st day of October, 1907.

This paper writing purporting to be the last will and testament of Dr. J. Hamilton Browning, deceased, bearing date on the 20th day of September, 1907, was this day presented in court, and proven by the oaths of Dr. J. Hamilton Browning, one of the subscribing witnesses thereto, who testified that he with Miss. Roberta Ward Hunt were personally present at the request of Dr. J. Hamilton Browning, the testator, as witnesses and saw him sign this paper writing, which he declared to be his will, and that they severally subscribed their names as witnesses thereto in his presence and in the presence of each other; and that on the 20th day of September, 1907, the day this paper-writing bears date, the said J. H. Browning was of sound mind and memory. It was further shown to the court that Miss. Roberta Ward Hunt the other subscribing witness is sick and not able to be present in court.

This paper writing is therefore considered by the court to be fully proven as the true last will and testament of Dr. J. Hamilton Browning, deceased, and is ordered to be recorded as such.

Teste,

G. F. Compton, Deputy.

For H. W. Duke, Clerk.

A copy,
