

Ans- At the barn.

29-^Q- Where did he tell you to put the sticks?

Ans In the school house yard, at the corner of his farm.
you

30-^Q- Did ~~he~~ do that?

Ans I did.

31-^Q- Did he say anything further about the carpets and tarpaulin?

Ans- He didn't at that time. Later on he said to me that Bud never had brought the carpet and tarpaulin back. Bud was his partner. I didn't pay any more attention to it- I was not interested. I didn't feel like it was my business- I only took the sticks back for accommodation, which I would have done for any other neighbor.

32-^Q- Do you know what became of the tarpaulin?

Ans- We had so many wrappings there in the barn- some belonged to us, some to D L Moore and some to Mr Milton - we ~~had~~ had partnership crops all around - I don't know that I could have told Mr Wilham's.

33-^Q- Did Mr Wilham ever ask you where it was - or did you tell him where it was?

Ans I told him it was in my father's barn- he knew that.

34-^Q- Did you or your father have possession of that barn?

Ans My father.

35-^Q- What kind of a tarpaulin was it?

Ans I couldn't say as to the exact size of the tarpaulin- I know it was not very large because we had to use some carpet and straw matting to finish covering the load of tobacco- I think we had on a couple of thousand pounds. It was in bad condition - it had been out on a hay rick all Summer and Fall, the rains had rotted it and the winds had torn it - I remember had to tie it up with strings and baling wire on
