Ans No sir, I brought the tobacco up here that was covered with the tarpaulin, but I don't consider that I got it.

Ans- I may have helped to put it on the wagon- I am not sure of that.

3-Q- It was put on there in your presence?

Ans I helped to put some of the things on. I was hitching up the team about the time they were covering it up, but I couldn't say for sure

Ans Yes.

5-Q- And you knew it was Mr Wilham's?

Ans Yes.

Ans I am not sure that I laid it on the floor- that was our habit of doing -

8-Q- Then you are just testifying as to that as to habit-- you don't remember doing it this time?

Ans I don't remember of laying it on the floor, as for that particular case, I couldn't say I remember it -- I had brought ~~xxx~~ several loads up.

9-Q- Do you remember whether or not you took it back home?

Ans- I couldn't swear just now that I did take it back, but I have all room to believe that I did, took all the things together.
