FOREWORD

We present this, the Harrodian of 1940, trusting that it may serve to make more golden the memory of our school days at H. H. S. Our aim has been to give a true reflection of all phases of student life --- of sports, fun and work --- of its deeds and misdeeds. If you find pleasure in reading these pages, our toil has been well expended.

As time goes on, we hope this book may be the means of keeping alive old memories and associations of our happy school days.

DEDICATION

To COACH EMMETT R. GORANFLO

we, the Class of 1940, dedicate this issue of the Harrodian. In his four years of patient and successful teaching, and in his coaching, Mr. "Flo" has proved himself a real friend. It is with sincerest respect and affection that we dedicate to him this token of the esteem in which he is held by his Co-workers, the Team, the Student Body, and the Community at large.

Lives of great men all remind us
We can make our lives sublime,
And departing, leave behind us
Footprints on the sands of time.

SENIOR HISTORY

As one who is preparing to take a long and distant journey and stops to look at his old home and say farewell to his friends before he goes, so we, the Senior Class of 1940, pause to take a final look and say our farewells before launching our ship on the dark and stormy sea of life.

Four years ago a group of timid boys and girls walked shyly into the high school auditorium to be assigned to their rooms and teachers. If asked then what we were coming to school for we would have probably replied "just to be doing something" because graduation seemed so far away that it was hard to realize that this was our purpose. Time did not pass so slowly and soon our Freshman year was over.

After three months of rest and fun, we assembled once more in the auditorium of our high school. This time, however, we were not quite so timid and were actually feeling a little important. During the previous school year and vacation our class had grown slightly smaller in number but surely larger in knowledge and happiness. Members of our class were coming to the front in athletics and other school activities. All in all our Sophomore year was very happy and was climaxed by a picnic trip to Cincinnati.

Another pause and then we were Juniors. We were really beginning to look forward to graduation then and to think about our lessons in a more serious manner. Our Junior year will long be remembered. It was this year that our first play, the cast of which was composed entirely of members of our class, was given. Then came the delightful trip to Cumberland Falls on a picnic. And then, most important of all, the Junior-Senior reception, which is probably the biggest event of the year. As Juniors, we also assisted at Class Night and other commencement exercises but the Seniors were the "big shots" in these affairs.

Now, after a thrilling Junior year and refreshing vacation we are on the home stretch of our high school career. Once more our class has lost some members but in the meantime it has taken on some valuable new ones. Our Senior year has been the most important in more ways than one. We were well represented in football by "Tycobb" Foster, Harvey Dean, Dick Mitchell, Sol Potter, Elmer Sharpe, Thornton Lamkin and C. M. Shewmaker. At this time the Seniors wish to pay tribute to "Junior" Britton, Thornton "Chick" Lamkin, Sol Potter and "Billy" Hanna for making basketball history for H. H. S. May they all be able to play on some college team in the future.

The time has come when we must leave. Our hearts are saddened when we realize that our last year is drawing to a close. We are just beginning to know what our school and teachers mean to us, but, alas, it is too late. However, as we pass on, we can show our gratitude to our Alma Mater by being worthy representatives. We will always remember this school and its teachers and our classmates and now to the school, to the Junior Class, to all the other classes, and to the teachers we say in tones of mingled joy and sadness, "Farewell."

ROGER WATTS.

REMINISCING

T'was a little narrow pathway
Overgrown with vines and briars
Leading upward, high and higher,
Which seemed then to reach the stars,
But led to the destination
Which somehow we've reached, at last,
Spite of many trials and troubles
And we're glad that they are past.

We will miss our fellow trav'lers
With whom we must part today
And our ever faithful teachers
Who have pointed out the way.
They have seen us grow in wisdom,
Watched us gain a few more years.
Now it's time that we must leave them.
We go forth with sighs and tears.

Gone are all our childish troubles
But with them are, too, the joys
And the pleasures which are ever
Shared by high school girls and boys.
We at last have reached life's crossroads
And with banners all unfurled
We, with youth and hope and courage
Boldly go to meet the world!

SARA SEXTON.

Serene, I fold my hands and wait,
Nor care for winds nor tide nor sea,
I rave no more 'gainst time or fate
For lo! my own shall come to me.

JUNIOR CLASS HISTORY

After climbing steadily for eight years the ladder of education, we reached the ninth round, and following the lead of our class advisors, Mr. Wills, Mr. Coursey and Miss Shearer, we stepped out on the lower limbs of the trees of knowledge. As "green freshmen" we rested there picking some of the ripe fruit that grew in abundance for those energetic enough to reach out and take it. At times our foothold was rather shaky, but most of us managed to cling until we gained a firm footing on the next higher limbs, which we found more secure.

When we reached the tenth round, under the guidance of C. B. Yates, Frances Draffen, John Sullivan and Mary Ann Stagg, we felt a little more comfortable and the fruit was more abundant. Miss Armstrong and Mr. Goranflo were our leaders and capable ones they were. Some of our boys made a good record as climbers and also showed up on the basketball floor and the football field. In dramatics the class gained recognition.

As "all work and no play makes Jack a dull boy" we took a day off and visited the Cincinnati Zoological Garden.

During the vacation that followed, most of us managed to pull ourselves up to the next limb—the eleventh. We look down to see that some of our classmates had not followed us farther, but has chosen, instead, to follow the path of matrimony.

Under the leadership of Miss VanArsdall and Mr. Sale, we stepped out on the eleventh limb which was plentifully supplied with attractive fruit within the reach of all.

When our annual inventory was made, we found an unusual number of honors in basketball, dramatics and scholarship.

Above us we can see the smiling faces of the Seniors who have reached the topmost branch, and encouraged by their success, we have determined not to give up until we stand where they stand today.

LOIS GORDON

Let us then be up and doing,
With a heart for any fate;
Still achieving, still pursuing
Learn to labor and to wait.

SOPHOMORE HISTORY

In this United States of America, a land, supposedly, of freedom for all, there comes a time in each person's life when he is suppressed and intimidated by his superiors. This, namely is the Freshman year of high school. Upon leaving the eighth grade, where we were the oldest, and consequently, held sway over all, we entered the strange land of high school, almost as immigrants, who had to learn the rules and customs of our new home. Here we were subjected to the the indignity of "initiation," and made to sit in the most humble seats in assembly. However, with the aid of our teachers and upper classmen, we arose from the ranks both in scholarship and athletics. In May, we followed the age old custom of having a class picnic. Our class, after heated discussion, decided to go to Lexington for a picnic lunch and afterwards to a picture show.

As we advanced in wisdom and in stature, sixty-seven of us finally attained the higher station as Sophomores. Miss Armstrong and Mr. Goranflo presided over our home rooms, and we elected Johnny Goldston, President; Mildred Ellers, Vice President; Edith Wiley, Secretary; and Kenneth Sanders, Treasurer. We began to be recognized in the Girl Reserves and Hi-Y with Mary Louise Squifflet and Ralph Youmans as secretaries. A great honor that came to our school was shared by the Sophomores, since our president, Johnny Goldston, added new laurel to our fame by his participation in the Duke-Durham basketball tournament as a member of the first team. During the course of the year some members of our class have dropped, a few to find their way to the altar. Meanwhile, we have acquired new talent from other schools in our state.

As we leave our Sophomore year, having acquired a better understanding of the privileges and responsibilities of our position in high school, we pledge ourselves to even higher service and standards of citizenship in the Junior Class.

BETTY McNAMER.

FRESHMEN

Be strong !
We are not here to play, to dream, to drift;
We have hard work to do, and loads to lift;
Shun not the struggle, face it;
'Tis God's gift.

FRESHMAN HISTORY

The Freshman Class of 39-40 began the first year at Harrodsburg High as timid boys and girls called "green" by the upper classmen. At the last minute we approached the building with a frightened look on our faces. We went to our home rooms with the teachers and looked about us at an unknown world to be conquered, filled with many obstacles and the jeers of our upper classmen.

Before many days had passed, we felt more at ease and talked freely and without our shyness of our first day's experience. We learned the rules and regulations of the school, and before long we could stand up for our rights as Freshmen.

We held our class meeting to elect officers for the year. Donald Davenport was elected President; Alex VanArsdall, Vice President; Bessie Spaulding, Secretary; and Joy Ann Potter, Treasurer.

The Freshmen were called upon for football and basketball players. Many of the boys came out for both sports. Dillard Gibson and Clifford Black went to Durham, North Carolina, to play in the Southern Tournament of Champions. Although Dillard did not get the opportunity to play, Clifford made a good showing.

The Freshmen have helped in every club in school. We have sold candy for the Girl Reserves and many of us have sung at the church as members of the Glee Club. Club.

We are no longer classed as "green" Freshmen, for we have won our place in the hearts of the faculty and upper classmen. We are looking forward to our year as Sophomores and are hoping to achieve great things in the years before us as members of the Harrodsburg High School.

We wish to thank the Seniors for the part they played in making us truer and better Freshmen of Harrodsburg High.

BESSIE SPAULDING.

JUNIOR HIGH SCHOOL HISTORY

The Junior High addition of this school was erected in the year 1931, providing classroom facilities for the seventh and eighth grades. These grades are divided into four sections, with the boys and girls attending separate classes. At the present time, there are approximately one hundred and twenty-five pupils enrolled. There are four excellent teachers: Miss Keith, Miss Cole, Mrs. Gritton and Mr. Dennis. These well qualified teachers give the pupils guidance in forming solid foundations for their future high school courses. The Harrodsburg Junior High School will, therefore, always be remembered with gratitude by those who have had the privilege of attending it.

HISTORY

The Pioneers lost the majority of their games, but they had a good season considering the strong teams they played. Though handicapped by lack of experience, the team show grim determination to win. With eleven of the twenty lettermen returning we are looking forward to a more successful season next year.

Harrodsburg	0	Shelbyville	20

DICK MITCHELL, Center — Dick has played for Harrodsburg four years doing an excellent job at center. He received honorable mention for All-C. K. C. as a Junior and as a Senior he was elected All-C.K.C. center, Alternate on All-East team and received honorable mention for All-State. As Co-Captain he will be missed next year.

HARVEY DEAN, Tackle — This big country boy was really hard to stop. He was on the team three years and improved each year. He was plenty tough, but he was unfortunate in getting knocked out in two or three games. He was honored as Co-Captain of the '39 team.

SOL POTTER, End—Sol has played about every position on the team during his four years of football. He was a guard and center, a back, and an end. They didn't come too big for Sol. He was in there fighting when the going was tough and it will be hard to replace him next year.

WINFRED FOSTER, Full-Back—Here is a boy who really liked the game and was always there when the Coach called him. "Tycobb" was out four years and didn't miss practice over two or three times. He played guard three years and was converted into a blocking back his Senior year, where he proved to be one of the best blockers Harrodsburg has ever had. They will miss his leading the interference next year.

THORNTON LAMKIN, End— During "Chick's" one year of football he developed into the best pass receiver the Pioneers have ever had. He was also a good defensive half-back at knocking down passes. It will not be easy to find a boy to carry out these assignments as "Chick" did.

ELMER SHARPE, Guard—In Elmer the football team will lose one of the hardest fighters of the team. In the three years he was a member of the Pioneer squad he showed the best spirit of any player. Harrodsburg needs more players like him.

EDWARD LIDDLE, Full-Back—This is the first year Edward has performed for the Pioneers. He did much better than most boys do the first year out. Edward is a good broken field runner and a good passer.

KENNETH SANDERS, Guard—Sanders is only a Sophomore, but he has already played a lot of ball. Due to his weight and speed, he should be one of the best linemen Harrodsburg has ever had, that is, if he does the next two years as is expected. Sanders is the type of boy a Coach likes to have, because he takes instructions seriously and is always in there fighting.

C. B. YATES, Quarter-Back—C. B. has been on the Pioneers' starting lineup for two years. He was the coolest player on the team this year. C. B. is the boy to have when the team is in a tough spot. He is a good kicker, passer, and a good quarter-back. He will be a great help next year, and has also been elected Co-Captain.

EDWIN PARKER, Tackle—Parker's 200 pounds filled up a mighty big hole in the line. His untiring energy proved very valuable to the Pioneers this year, as he played every minute of every game. The Pioneers are glad to have him back as one of the Captains next year.

HALDON YATES, Guard —Haldon has prospects of really making good in football. He is a hard charger and is in most every play. Haldon has another year to wear the blue and white, and really enjoys to "spill" the hard charging backs, so watch him next year, opponents, because he's tough.

CLIFFORD BLACK, Full-Back—Here is a young fellow who has a long way to go. He should be a very valuable man on the first string for the next three seasons. Clifford is a good ball carrier and also good on defensive. He should be, before he graduates, one of the best backs Harrodsburg has ever had.

CONDIT BONTA, End —Due to his size and too many semesters in high school, Condit has been allowed to play but one year. He was not a regular end this year, but he got to play about as much ball as the two starters. Condit was always ready when he was needed. He was a good defensive end. The team will miss him next year.

JACK FROST, Guard—Here is a boy that has the fight that never dies. This was the first year Jack has played much football and he really showed the Coach that he has what it takes. Jack was a very dependable substitute this year. He should be battling it out on the starting line-up next year.

JOHNNY HARRIS, Half-Back—Johnny is the smallest man on the squad, but not the smallest in spirit. He has seen very little action as a player but should gain a spot on the first string next season. Johnny is one of the fastest little fellows ever to wear a Harrodsburg uniform.

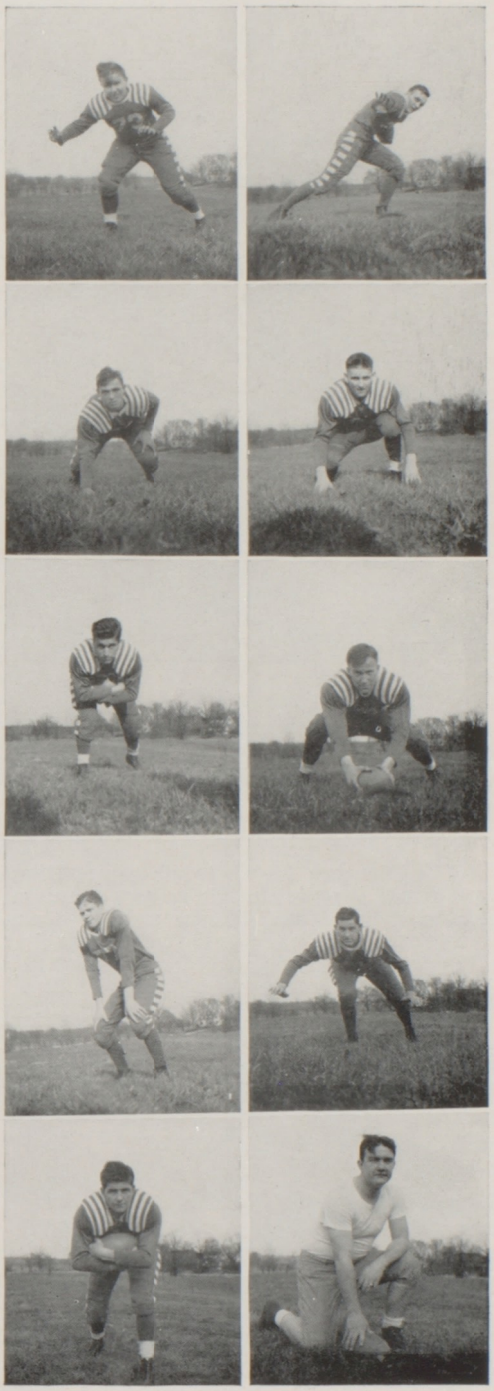

JASON BUGG, Center—Although a small fellow, Jason has a fine spirit and should have two stripes at the close of next season. He was a valuable substitute as a center last season. He should be a starter at that spot next year.

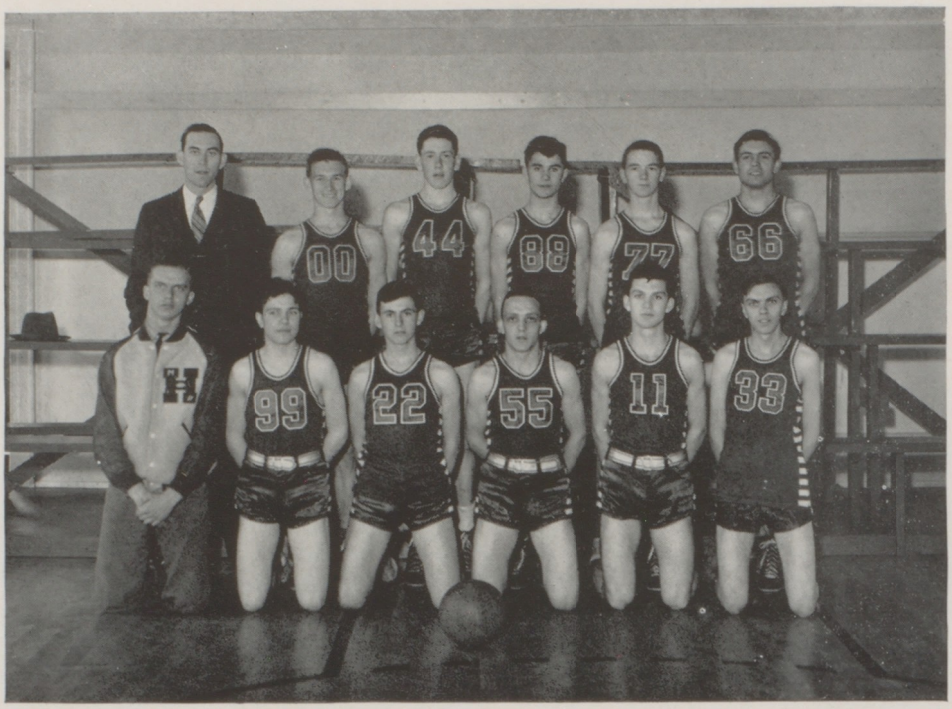

DILLARD GIBSON, Half-Back—Due to injuries Dillard played little, but should have better luck next season. He is one of the hardest driving men of the team and should be carrying a position in the backfield for the next three years.

WILLIAM DEAN, Tackle—Here is a big country boy who has one letter and should find a place on the first team next year. He was a valuable substitute at tackle this year. He has plenty of weight and a spirit which will help greatly in football.

W. D. WILDER, Half-Back—"Junior" has prospects of being one of the best backfield men Harrodsburg has ever had. He is only a Freshman and he has already played in several football games. "Junior" is a good passer, punter and a good ball carrier. He should be an all-around man in the backfield before he graduates.

MR. R. E. GORANFLO, Coach—"Flo" is an untiring worker and one who knows the game from beginning to end. He is one who will stick by his boys through thick and thin. During his coaching at Harrodsburg he has turned out some very good teams, and has coached boys who have won state honors in the past three years.

HISTORY

The past season of basketball at the Harrodsburg High School was the most successful ever experienced in the history of the school. The team completed the season with 26 wins and 5 losses.

The Pioneers facing tough competition in the C. K. C. finished with the highest rank mark ever achieved by any team in the conference—28.333. They were also winners of the annual Mercer county tournament and runners-up in the district. They were beaten in the regional tournament, but they were selected to represent Kentucky in the Southern Tournament at Durham, North Carolina, where they gave a splendid exhibition of the Bluegrass State's ability.

The complete schedule including tournament play:

BEN LEE BRITTON, Guard—"Junior" is one of the best basketball players that has ever performed for the school. He has been a regular guard on the Pioneer team for the past three seasons. He was a good passer, a good shot and a great rebounder. He was selected on the All-county team two years, the All-district team three years and as a Senior he made honorable mention as an All-regional player. "Junior" will be greatly missed.

WILLIAM HANNA, Forward—Here is a boy who has served as a substitute for one year and as a regular one year, for the Pioneers. "Billy" wasn't a star but he was a good long shot. It will be hard to replace him at the forward post next year.

C. B. YATES, Forward—C. B. has played basketball two years. He was a substitute but he got to start in some games. He is a good rebounder and a good defensive player. C. B. has one more year to play and he should be one of the best for Harrodsburg next year.

THORNTON LAMKIN, Center—"Chick" has been on the basketball squad three years. As a Junior he was a regular forward and he played center his Senior year. This year he made the All-district and All-regional teams. "Chick" was also high point man for the year with about 300 points.

JOHNNY GOLDSTON, Forward—This boy came from Danville last year but was ineligible to play. He came out this year and easily made the team. Johnny is a good ball handler and a good long shot. He has one more year to play and should be a mainspring in the Pioneers attack next year.

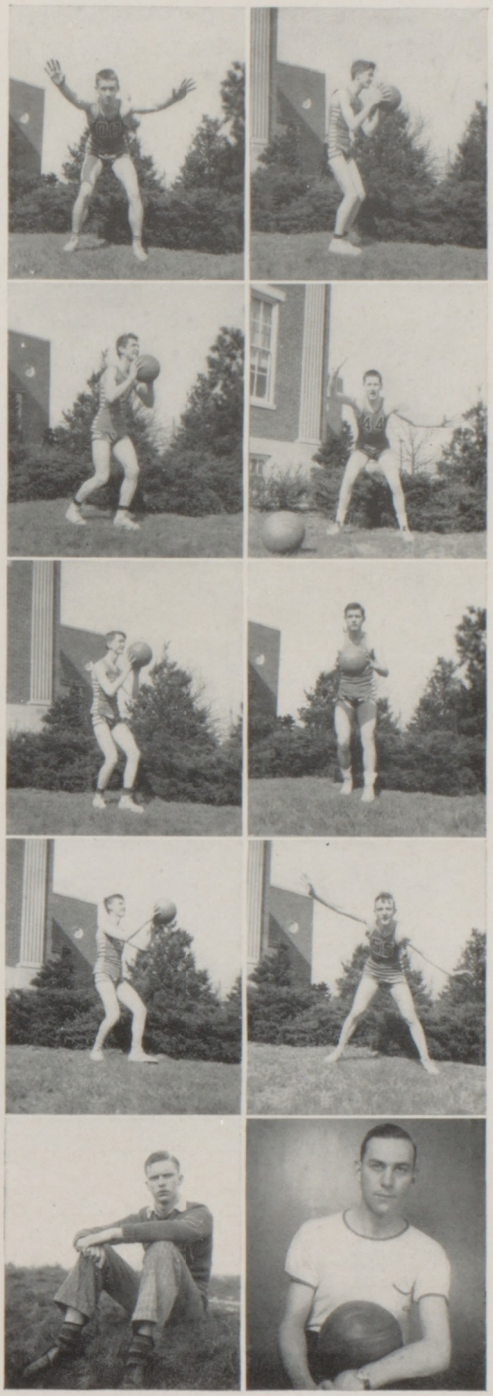

SOL POTTER, Guard—Sol was a great defensive player and a good rebounder, as a substitute one year and as a regular two years. He was selected on the All-County second team his Junior year and on the All-district team as a Senior. Sol will be greatly missed.

JOHNNY SULLIVAN, Guard—Although Johnny is a bit small he battles them on the hardwood. Johnny was a substitute on the team this year but he is expected to be a starter next year. Johnny is a very good ball handler. The team is happy to have him back next year.

CLIFFORD BLACK, Guard—This is Clifford's first year playing basketball. He was a very valuable substitute at guard this year. Clifford is only a Freshman and he should be one of the best Harrodsburg has ever had by the time he graduates.

BUFORD CLOYD, Manager —For the past two years "Poss" has done an excellent job as manager for both the football and basketball teams. He was a great spirit builder who carried them through many games.

MR. FOREST SALE, Coach—Coach "Aggie" has had a fine influence on the boys who have played for him. The boys have learned to like him and to have faith in him. It is only with this type of understanding that good teams can be had. He has placed Harrodsburg high in state ranking by an outstanding record this year.

FAREWELL

Since the time has come for us to leave, we wish to express our deepest appreciation to our teachers who have had a part in making our school days so interesting and beneficial. We shall always remember the fine contributions you have given and shall try to live up to the high standards of character you have developed in us.

This farewell marks the close of our high school days. Let us hope that for many years we will reap the benefits of the pleasant association, and that some day you will be as proud to refer to us as your pupils as we are today to call you teachers.
